

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Pharmacy Practice Act is amended by  
5 changing Section 4 as follows:

6 (225 ILCS 85/4) (from Ch. 111, par. 4124)

7 (Section scheduled to be repealed on January 1, 2023)

8 Sec. 4. Exemptions. Nothing contained in any Section of  
9 this Act shall apply to, or in any manner interfere with:

10 (a) the lawful practice of any physician licensed to  
11 practice medicine in all of its branches, dentist,  
12 podiatric physician, veterinarian, or therapeutically or  
13 diagnostically certified optometrist within the limits of  
14 his or her license, or prevent him or her from supplying to  
15 his or her bona fide patients such drugs, medicines, or  
16 poisons as may seem to him appropriate;

17 (b) the sale of compressed gases;

18 (c) the sale of patent or proprietary medicines and  
19 household remedies when sold in original and unbroken  
20 packages only, if such patent or proprietary medicines and  
21 household remedies be properly and adequately labeled as  
22 to content and usage and generally considered and accepted  
23 as harmless and nonpoisonous when used according to the

1 directions on the label, and also do not contain opium or  
2 coca leaves, or any compound, salt or derivative thereof,  
3 or any drug which, according to the latest editions of the  
4 following authoritative pharmaceutical treatises and  
5 standards, namely, The United States  
6 Pharmacopoeia/National Formulary (USP/NF), the United  
7 States Dispensatory, and the Accepted Dental Remedies of  
8 the Council of Dental Therapeutics of the American Dental  
9 Association or any or either of them, in use on the  
10 effective date of this Act, or according to the existing  
11 provisions of the Federal Food, Drug, and Cosmetic Act and  
12 Regulations of the Department of Health and Human  
13 Services, Food and Drug Administration, promulgated  
14 thereunder now in effect, is designated, described or  
15 considered as a narcotic, hypnotic, habit forming,  
16 dangerous, or poisonous drug;

17 (d) the sale of poultry and livestock remedies in  
18 original and unbroken packages only, labeled for poultry  
19 and livestock medication;

20 (e) the sale of poisonous substances or mixture of  
21 poisonous substances, in unbroken packages, for  
22 nonmedicinal use in the arts or industries or for  
23 insecticide purposes; provided, they are properly and  
24 adequately labeled as to content and such nonmedicinal  
25 usage, in conformity with the provisions of all applicable  
26 federal, state and local laws and regulations promulgated

1           thereunder now in effect relating thereto and governing  
2           the same, and those which are required under such  
3           applicable laws and regulations to be labeled with the  
4           word "Poison", are also labeled with the word "Poison"  
5           printed thereon in prominent type and the name of a  
6           readily obtainable antidote with directions for its  
7           administration;

8           (f) the delegation of limited prescriptive authority  
9           by a physician licensed to practice medicine in all its  
10          branches to a physician assistant under Section 7.5 of the  
11          Physician Assistant Practice Act of 1987. This delegated  
12          authority under Section 7.5 of the Physician Assistant  
13          Practice Act of 1987 may, but is not required to, include  
14          prescription of controlled substances, as defined in  
15          Article II of the Illinois Controlled Substances Act, in  
16          accordance with a written supervision agreement;

17          (g) the delegation of prescriptive authority by a  
18          physician licensed to practice medicine in all its  
19          branches or a licensed podiatric physician to an advanced  
20          practice registered nurse in accordance with a written  
21          collaborative agreement under Sections 65-35 and 65-40 of  
22          the Nurse Practice Act; and

23          (h) the sale or distribution of dialysate or devices  
24          necessary to perform home peritoneal renal dialysis for  
25          patients with end-stage renal disease, provided that all  
26          of the following conditions are met:

1           (1) the dialysate, comprised of dextrose or  
2           icodextrin, or devices are approved or cleared by the  
3           federal Food and Drug Administration, as required by  
4           federal law;

5           (2) the dialysate or devices are lawfully held by  
6           a manufacturer or the manufacturer's agent, which is  
7           properly registered with the Board as a manufacturer,  
8           third-party logistics provider, or wholesaler;

9           (3) the dialysate or devices are held and  
10          delivered to the manufacturer or the manufacturer's  
11          agent in the original, sealed packaging from the  
12          manufacturing facility;

13          (4) the dialysate or devices are delivered only  
14          upon receipt of a physician's prescription by a  
15          licensed pharmacy in which the prescription is  
16          processed in accordance with provisions set forth in  
17          this Act, and the transmittal of an order from the  
18          licensed pharmacy to the manufacturer or the  
19          manufacturer's agent; and

20          (5) the manufacturer or the manufacturer's agent  
21          delivers the dialysate or devices directly to: (i) a  
22          patient with end-stage renal disease, or his or her  
23          designee, for the patient's self-administration of the  
24          dialysis therapy or (ii) a health care provider or  
25          institution for administration or delivery of the  
26          dialysis therapy to a patient with end-stage renal

1 disease.

2 This paragraph (h) does not include any other drugs  
3 for peritoneal dialysis, except dialysate, as described in  
4 item (1) of this paragraph (h). All records of sales and  
5 distribution of dialysate to patients made pursuant to  
6 this paragraph (h) must be retained in accordance with  
7 Section 18 of this Act. A student pharmacist or licensed  
8 pharmacy technician engaged in remote prescription  
9 processing under Section 25.10 of this Act at a licensed  
10 pharmacy described in item (4) of this paragraph (h) shall  
11 be permitted to access an employer pharmacy's database  
12 from his or her home or other remote location while under  
13 the supervision of a pharmacist for the purpose of  
14 performing certain prescription processing functions,  
15 provided that the pharmacy establishes controls to protect  
16 the privacy and security of confidential records.
