1 AMENDMENT TO SENATE BILL 658

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 658 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Emergency Telephone System Act is amended  
5 by changing Section 3 as follows:

6 (50 ILCS 750/3) (from Ch. 134, par. 33)

7 (Section scheduled to be repealed on December 31, 2023)

8 Sec. 3. (a) By July 1, 2017, every local public agency  
9 shall be within the jurisdiction of a 9-1-1 system.

10 (b) Within 18 months of the awarding of a contract to a  
11 vendor certified under Section 13-900 of the Public Utilities  
12 Act to provide Next Generation 9-1-1 service, every 9-1-1  
13 system in Illinois, except in a municipality with a population  
14 over 500,000, shall provide Next Generation 9-1-1 service. A  
15 municipality with a population over 500,000 shall provide Next  
16 Generation 9-1-1 service by December 31, 2023.

1        Notwithstanding any provision of the Illinois Municipal  
2 Code, a 9-1-1 vendor under Section 13-900 of the Public  
3 Utilities Act must give written notice to the municipality it  
4 has a contract with or for which it currently provides  
5 emergency services not less than 12 months prior to  
6 termination of services. If an emergency services contract is  
7 terminated, the provider may not increase the fees of any  
8 remaining contract by more than 3% of the fees from the  
9 previous year. A private sector company that terminates the  
10 emergency services contract prior to the natural expiration of  
11 the contract term and that seeks an increase in the annual  
12 contract value of more than 10% is barred from contracting  
13 with any units of local government or entities that receive  
14 funding for emergency services for a period of 5 years from the  
15 date of the notice of contract termination. As used in this  
16 paragraph, "emergency services" includes, but is not limited  
17 to, dispatch, 9-1-1, paramedic, or ambulance services.

18        (c) Nothing in this Act shall be construed to prohibit or  
19 discourage in any way the formation of multijurisdictional or  
20 regional systems, and any system established pursuant to this  
21 Act may include the territory of more than one public agency or  
22 may include a segment of the territory of a public agency.

24        Section 10. The Emergency Medical Services (EMS) Systems  
25 Act is amended by adding Section 3.260 as follows:

1 (210 ILCS 50/3.260 new)

2 Sec. 3.260. Contracts with municipalities. Notwithstanding  
3 any provision of the Illinois Municipal Code, a 9-1-1 vendor  
4 under Section 13-900 of the Public Utilities Act must give  
5 written notice to the municipality it has a contract with or  
6 for which it currently provides emergency services not less  
7 than 12 months prior to termination of services. If an  
8 emergency services contract is terminated, the provider may  
9 not increase the fees of any remaining contract by more than 3%  
10 of the fees from the previous year. A private sector company  
11 that terminates the emergency services contract prior to the  
12 natural expiration of the contract term and that seeks an  
13 increase in the annual contract value of more than 10% is  
14 barred from contracting with any units of local government or  
15 entities that receive funding for emergency services for a  
16 period of 5 years from the date of the notice of contract  
17 termination.

18 As used in this Section, "emergency services" includes,  
19 but is not limited to, dispatch, 9-1-1, paramedic, or  
20 ambulance services.

21 Section 99. Effective date. This Act takes effect upon  
22 becoming law."
