9 (a) Beginning on July 1, 2007, and subject to an annual
10 appropriation by the General Assembly, to establish a new
11 principal mentoring program for new principals. Any individual
12 who is first hired as a principal on or after July 1, 2007
13 shall participate in a new principal mentoring program for the
14 duration of his or her first year as a principal and must
15 complete the program in accordance with the requirements
16 established under this Section and by the State Board of
17 Education by rule or, for a school district created by Article
18 34 of this Code, in accordance with the provisions of Section
19 34-18.33 ~~34-18.27~~ of this Code. School districts created by
20 Article 34 are not subject to the requirements of subsection
21 (b), (c), (d), (e), (f), ~~(g)~~, (i), (j), (k), (l), or (m) of
22 this Section. Any individual who is first hired as a principal
23 on or after July 1, 2008 may participate in a second year of

1 mentoring if it is determined by the State Superintendent of
2 Education that sufficient funding exists for such
3 participation. The new principal mentoring program shall match
4 an experienced principal who meets the requirements of
5 subsection (b) of this Section with each new principal in
6 order to assist the new principal in the development of his or
7 her professional growth and to provide guidance.

8 (b) Any individual who has been a principal in Illinois
9 for 3 or more years and who has demonstrated success as an
10 instructional leader, as determined by the State Board by
11 rule, is eligible to apply to be a mentor under a new principal
12 mentoring program. Eligible mentors ~~Mentors~~ shall be selected
13 by approved entities and shall complete mentoring training
14 provided by an approved entity ~~by entities approved by the~~
15 ~~State Board and meet any other requirements~~ set forth by the
16 State Board by rule ~~and by the school district employing the~~
17 ~~mentor.~~

18 (c) Subject to annual appropriation by the General
19 Assembly, the State Board shall establish a competitive grant
20 program to support the new principal mentoring program and
21 shall approve one or more eligible entities to provide
22 services to new principals under the program. Approval of
23 eligible entities shall be valid for 3 years. Eligible
24 entities are defined as regional offices of education,
25 intermediate service centers, Illinois higher education
26 institutions, statewide organizations representing

1 principals, and school districts. Approved entities shall be
2 responsible for mentor training, pairing mentors and new
3 principals, and all other administrative aspects of providing
4 mentoring services as provided by the State Board by rule. The
5 State Board shall certify an entity or entities approved to
6 provide training of mentors.

7 (d) A mentor shall be assigned to a new principal based on
8 (i) similarity of grade level or type of school, (ii) learning
9 needs of the new principal, and (iii) accessibility
10 geographical proximity of the mentor to the new principal. The
11 principal, in collaboration with the mentor, shall identify
12 areas for improvement of the new principal's professional
13 growth, including, but not limited to, professional growth in
14 the areas addressed in the Illinois Performance Standards for
15 School Leaders. ~~each of the following:~~

16 ~~(1) Analyzing data and applying it to practice.~~

17 ~~(2) Aligning professional development and~~
18 ~~instructional programs.~~

19 ~~(3) Building a professional learning community.~~

20 ~~(4) Observing classroom practices and providing~~
21 ~~feedback.~~

22 ~~(5) Facilitating effective meetings.~~

23 ~~(6) Developing distributive leadership practices.~~

24 ~~(7) Facilitating organizational change.~~

25 The mentor shall not ~~be required to~~ provide input into a new
26 principal's ~~an~~ evaluation that is completed in accordance with

1 Article 24A of this Code ~~of the new principal on the basis of~~
2 ~~the mentoring relationship.~~

3 (e) On or before July 1, 2008 and on or after July 1 of
4 each year thereafter, the State Board shall ~~facilitate a~~
5 ~~review and~~ evaluate the new principal mentoring training
6 program in collaboration with the approved entities ~~providers~~.
7 Each new principal and his or her mentor must complete a
8 verification form developed by the State Board in order to
9 certify their completion of a new principal mentoring program.

10 (f) The requirements of this Section do not apply to any
11 individual who has previously served as an assistant principal
12 in Illinois acting under an administrative endorsement
13 ~~certificate~~ for 5 or more years and who is hired, ~~on or after~~
14 ~~July 1, 2007,~~ as a principal by the school district in which
15 the individual last served as an assistant principal, although
16 such an individual may choose to participate in this program
17 or may ~~shall~~ be required to participate in the program by the
18 individual's employing school district.

19 (g) The State Board may adopt any rules necessary for the
20 implementation of this Section.

21 (h) On an annual basis, the State Superintendent of
22 Education shall determine whether appropriations are likely to
23 be sufficient to require operation of the new principal
24 mentoring program for the coming year. ~~In doing so, the State~~
25 ~~Superintendent of Education shall first determine whether it~~
26 ~~is likely that funds will be sufficient to require operation~~

1 ~~of the mentoring program for individuals in their first year~~
2 ~~as principal and shall then determine whether it is likely~~
3 ~~that funds will be sufficient to require operation of the~~
4 ~~mentoring program for individuals in their second year as~~
5 ~~principal.~~

6 (i) If the State Superintendent of Education determines
7 that appropriations are not likely sufficient to serve all
8 anticipated first year principals in any given year, then the
9 new principal mentoring program shall be voluntary and
10 priority access to mentoring services shall be given to first
11 year principals in the highest need schools, as determined by
12 the State Superintendent of Education. The new principal
13 mentoring program shall only be available to second year
14 principals if the State Superintendent of Education first
15 determines that appropriations are likely sufficient to serve
16 all anticipated first year principals. If mentoring services
17 are extended to second year principals and if appropriations
18 are not sufficient to serve all second year principals who
19 wish to participate in the new principal mentoring program,
20 priority access to mentoring services shall be given to second
21 year principals who are in the highest need schools, as
22 determined by the State Superintendent of Education.

23 (j) The State Superintendent of Education may determine on
24 a yearly basis the number of mentoring hours required for
25 first year principals and the number of mentoring hours
26 required for second year principals.

1 (k) The State Superintendent of Education may determine on
2 a yearly basis the amount of compensation to be provided to
3 first year principal mentors, second year principal mentors,
4 and approved entities.

5 (l) Contact hours for mentors and principals may be in
6 person, by telephone, online, or by any other mechanism that
7 allows for synchronous communication between the mentor and
8 new principal. The State Board may, by rule, require a minimum
9 number of in-person contact hours.

10 (m) Using funds from the new principal mentoring program,
11 the State Board may contract with an independent party to
12 conduct a comprehensive evaluation of the program.

14 teachers that meets the requirements set forth in Section
15 21A-20 to assist new teachers in developing the skills and
16 strategies necessary for instructional excellence, provided
17 that funding is made available by the State Board of Education
18 from an appropriation made for this purpose.

19 (b) A public school that has a new teacher induction and

25 provided that funding is made available by the State Board of

1 Education from an appropriation made for this purpose.

1 ~~appropriation made for this purpose. A public school that has~~
2 ~~an existing induction and mentoring program that does not meet~~
3 ~~the requirements set forth in Section 21A-20 of this Code may~~
4 ~~have school years 2003-2004 and 2004-2005 to develop a program~~
