1	AMENDMENT TO SENATE BILL 818
2	AMENDMENT NO Amend Senate Bill 818, AS AMENDED,
3	by replacing everything after the enacting clause with the
4	following:
5	"Section 5. The School Code is amended by changing
6	Sections 2-3.62, 27A-5, and 34-18.8 and by adding Sections
7	27-9.1a and 27-9.1b as follows:
8	(105 ILCS 5/2-3.62) (from Ch. 122, par. 2-3.62)
9	Sec. 2-3.62. Educational service centers.
10	(a) A regional network of educational service centers
11	shall be established by the State Board of Education to
12	coordinate and combine existing services in a manner which is
13	practical and efficient and to provide new services to schools
14	as provided in this Section. Services to be made available by
15	such centers shall include the planning, implementation and
16	evaluation of:

1	(1)	(blank)

2

(2) computer technology education;

;

3 (3) mathematics, science and reading resources for
4 teachers including continuing education, inservice
5 training and staff development.

The centers may provide training, technical assistance, 6 coordination and planning in other program areas such as 7 8 school improvement, school accountability, financial planning, 9 consultation, and services, career guidance, early childhood 10 education, alcohol/drug education and prevention, 11 comprehensive personal health and safety education and comprehensive sexual health family life - sex education, 12 13 electronic transmission of data from school districts to the 14 State, alternative education and regional special education, 15 and telecommunications systems that provide distance learning. 16 Such telecommunications systems may be obtained through the 17 Department of Central Management Services pursuant to Section 18 405-270 of the Department of Central Management Services Law 19 (20 ILCS 405/405-270). The programs and services of 20 educational service centers may be offered to private school teachers and private school students within each service 21 22 center area provided public schools have already been afforded 23 adequate access to such programs and services.

24 Upon the abolition of the office, removal from office, 25 disqualification for office, resignation from office, or 26 expiration of the current term of office of the regional 10200SB0818sam002 -3- LRB102 04606 CMG 26006 a

1 superintendent of schools, whichever is earlier, the chief administrative officer of the centers serving that portion of 2 3 a Class II county school unit outside of a city of 500,000 or 4 more inhabitants shall have and exercise, in and with respect 5 to each educational service region having a population of 2,000,000 or more inhabitants and in and with respect to each 6 school district located in any such educational service 7 8 region, all of the rights, powers, duties, and 9 responsibilities theretofore vested by law in and exercised 10 and performed by the regional superintendent of schools for 11 that area under the provisions of this Code or any other laws of this State. 12

13 The State Board of Education shall promulgate rules and 14 regulations necessary to implement this Section. The rules 15 shall include detailed standards which delineate the scope and 16 specific content of programs to be provided by each Educational Service Center, as well as the specific planning, 17 implementation and evaluation services to be provided by each 18 19 Center relative to its programs. The Board shall also provide 20 the standards by which it will evaluate the programs provided 21 by each Center.

(b) Centers serving Class 1 county school units shall be governed by an 11-member board, 3 members of which shall be public school teachers nominated by the local bargaining representatives to the appropriate regional superintendent for appointment and no more than 3 members of which shall be from 10200SB0818sam002 -4- LRB102 04606 CMG 26006 a

1 each of the following categories, including but not limited to superintendents, regional superintendents, school board 2 members and a representative of an institution of higher 3 4 education. The members of the board shall be appointed by the 5 regional superintendents whose school districts are served by the educational service center. The composition of the board 6 will reflect the revisions of this amendatory Act of 1989 as 7 8 the terms of office of current members expire.

9 (c) The centers shall be of sufficient size and number to 10 assure delivery of services to all local school districts in 11 the State.

(d) From monies appropriated for this program the State Board of Education shall provide grants paid from the Personal Property Tax Replacement Fund to qualifying Educational Service Centers applying for such grants in accordance with rules and regulations promulgated by the State Board of Education to implement this Section.

18 (e) The governing authority of each of the 18 regional educational service centers shall appoint a comprehensive 19 20 personal health and safety education and comprehensive sexual 21 health family life - sex education advisory board consisting 22 of 2 parents, 2 teachers, 2 school administrators, 2 school 23 board members, 2 health care professionals, one library system 24 representative, and the director of the regional educational 25 service center who shall serve as chairperson of the advisory 26 board so appointed. Members of the comprehensive personal

1 health and safety education and comprehensive sexual health family life - sex education advisory boards shall serve 2 without compensation. Each of the advisory boards appointed 3 4 pursuant to this subsection shall develop a plan for regional 5 teacher-parent comprehensive personal health and safety 6 education and comprehensive sexual health family life sex education training sessions and shall file a written report of 7 8 such plan with the governing board of their regional 9 educational service center. The directors of each of the 10 regional educational service centers shall thereupon meet, 11 review each of the reports submitted by the advisory boards and combine those reports into a single written report which 12 they shall file with the Citizens Council on School Problems 13 prior to the end of the regular school term of the 1987-1988 14 15 school year.

16 (f) The 14 educational service centers serving Class I county school units shall be disbanded on the first Monday of 17 August, 1995, and their statutory responsibilities and 18 programs shall be assumed by the regional offices 19 of 20 education, subject to rules and regulations developed by the State Board of Education. The regional superintendents of 21 22 schools elected by the voters residing in all Class I counties 23 shall serve as the chief administrators for these programs and 24 services.

7	(b) All classes that teach comprehensive personal health
8	and safety and comprehensive sexual health education shall
9	satisfy the following criteria:
10	(1) Course material and instruction shall be age and
11	developmentally appropriate, medically accurate,
12	complete, culturally appropriate, inclusive, and trauma
13	informed.
14	(2) Course material and instruction shall replicate
15	evidence-based or evidence-informed programs or
16	substantially incorporate elements of evidence-based
17	programs or evidence-informed programs or characteristics
18	of effective programs.
19	(3) Course material and instruction shall be inclusive
20	and sensitive to the needs of students based on their
21	status as pregnant or parenting, living with STIs,
22	including HIV, sexually active, asexual, or intersex or
23	based on their gender, gender identity, gender expression,
24	sexual orientation, sexual behavior, or disability.
25	(4) Course material and instruction shall be
26	accessible to students with disabilities, which may

include the use of a modified curriculum, materials, 1 instruction in alternative formats, assistive technology, 2 and auxiliary aids. 3 4 (5) Course material and instruction shall help students develop self-advocacy skills for effective 5 communication with parents or guardians, health and social 6 service professionals, other trusted adults, and peers 7 8 about sexual health and relationships. 9 (6) Course material and instruction shall provide 10 information to help students develop skills for developing healthy relationships and preventing and dealing with 11 12 interpersonal violence and sexual violence. 13 (7) Course material and instruction shall provide 14 information to help students safely use the Internet, 15 including social media, dating or relationship websites or applications, and texting. 16 (8) Course material and instruction shall provide 17 information about local resources where students can 18 19 obtain additional information and confidential services 20 related to parenting, bullying, interpersonal violence, sexual violence, suicide prevention, sexual and 21 22 reproductive health, mental health, substance abuse, sexual orientation, gender identity, gender expression, 23 24 and other related issues. 25 (9) Course material and instruction shall include 26 information about State laws related to minor

1	confidentiality and minor consent, including exceptions,
2	consent education, mandated reporting of child abuse and
3	neglect, the safe relinquishment of a newborn child,
4	minors' access to confidential health care and related
5	services, school policies addressing the prevention of and
6	response to interpersonal and sexual violence, school
7	breastfeeding accommodations, and school policies
8	addressing the prevention of and response to sexual
9	harassment.
10	(10) Course material and instruction may not reflect
11	or promote bias against any person on the basis of the
12	person's race, ethnicity, language, cultural background,
13	citizenship, religion, HIV status, family structure,
14	disability, gender, gender identity, gender expression,
15	sexual orientation, or sexual behavior.
16	(11) Course material and instruction may not employ
17	gender stereotypes.
18	(12) Course material and instruction shall be
19	inclusive of and may not be insensitive or unresponsive to
20	the needs of survivors of interpersonal violence and
21	sexual violence.
22	(13) Course material and instruction may not
23	proselytize any religious doctrine.
24	(14) Course material and instruction may not
25	deliberately withhold health-promoting or life-saving
26	information about culturally appropriate health care and

services, including reproductive health services, hormone 1 therapy, and FDA-approved treatments and options, 2 including, but not limited to, Pre-exposure Prophylaxis 3 4 (PrEP) and Post-exposure Prophylaxis (PeP). 5 (15) Course material and instruction may not be inconsistent with the ethical imperatives of medicine and 6 7 public health. (c) A school may utilize guest lecturers or resource 8 9 persons to provide instruction or presentations in accordance 10 with Section 10-22.34b. Comprehensive personal health and safety and comprehensive sexual health education instruction 11 and materials provided by quest lecturers or resource persons 12 may not conflict with the provisions of this Section. 13 14 (d) No student shall be required to take or participate in 15 any class or course in comprehensive personal health and 16 safety and comprehensive sexual health education. A student's parent or quardian may opt the student out of comprehensive 17 personal health and safety and comprehensive sexual health 18 19 education by submitting the request in writing. Refusal to 20 take or participate in such a course or program may not be a reason for disciplinary action, academic penalty, suspension, 21 22 or expulsion or any other sanction of a student. A school district may not require active parental consent for 23 24 comprehensive personal health and safety and comprehensive 25 sexual health education. 26

(e) An opportunity shall be afforded to individuals,

1 including parents or guardians, to review the scope and 2 sequence of instructional materials to be used in a class or course under this Section, either electronically or in person. 3 4 A school district shall annually post, on its Internet website 5 if one exists, which curriculum is used to provide 6 comprehensive personal health and safety and comprehensive sexual health education and the name and contact information, 7 including an email address, of school personnel who can 8 9 respond to inquiries about instruction and materials.

10 (f) On or before August 1, 2022, the State Board of 11 Education, in consultation with youth, parents, sexual health and violence prevention experts, health care providers, 12 13 advocates, and education practitioners, including, but not 14 limited to, administrators, regional superintendents of 15 schools, teachers, and school support personnel, shall develop 16 and adopt rigorous learning standards in the area of comprehensive personal health and safety and comprehensive 17 sexual health education, including, but not limited to, all of 18 the National Sex Education Standards, including information on 19 20 consent and healthy relationships, anatomy and physiology, puberty and adolescent sexual development, gender identity and 21 22 expression, sexual orientation and identity, sexual health, and interpersonal violence, as authored by the Future of Sex 23 24 Education Initiative. As the National Sex Education Standards 25 are updated, the State Board of Education shall update these 26 learning standards.

1	(g) By no later than August 1, 2022, the State Board of
2	Education shall make available resource materials developed in
3	consultation with stakeholders, with the cooperation and input
4	of experts that provide and entities that promote age and
5	developmentally appropriate, medically accurate, complete,
6	culturally appropriate, inclusive, and trauma-informed
7	comprehensive personal health and safety and comprehensive
8	sexual health education policy. Materials may include, without
9	limitation, model comprehensive personal health and safety and
10	comprehensive sexual health education resources and programs.
11	The State Board of Education shall make these resource
12	materials available on its Internet website, in a clearly
13	identified and easily accessible place.
14	(h) Beginning no later than July 1, 2023, a school
15	district shall provide:
16	(1) age and developmentally appropriate, medically
17	accurate, complete, culturally appropriate, inclusive, and
18	trauma-informed comprehensive personal health and safety
19	education in kindergarten through the 5th grade in all
20	public schools; and
21	(2) age and developmentally appropriate, medically
22	accurate, complete, culturally appropriate, inclusive, and
23	trauma-informed comprehensive sexual health education in
24	the 6th through 12th grades in all public schools.

25 (i) Schools may choose and adapt the age and
 26 developmentally appropriate, medically accurate, complete,

1 <u>culturally appropriate, inclusive, and trauma-informed</u> 2 <u>comprehensive personal health and safety and comprehensive</u> 3 <u>sexual health education curriculum that meets the specific</u> 4 <u>needs of their community. All instruction and materials,</u> 5 <u>including materials provided or presented by outside</u> 6 <u>consultants, community groups, or organizations, may not</u> 7 <u>conflict with the provisions of this Section.</u>

(j) The State Board of Education shall, through existing 8 9 reporting mechanisms if available, direct each school district 10 to identify, if instruction on comprehensive personal health 11 and safety and comprehensive sexual health education is provided, whether the instruction was provided by a teacher in 12 13 the school, a consultant, or a community group or organization 14 and specify the name of the outside consultant, community 15 group, or organization; the number of students receiving 16 instruction; the number of students excused from instruction; and the duration of instruction and shall report the results 17 of this inquiry to the General Assembly annually, for a period 18 19 of 2 years beginning one year after the effective date of this 20 amendatory Act of the 102nd General Assembly.

21	(105 ILCS 5/27-9.1b new)			
22	Sec. 27-9.1b. Consent education.			
23	(a) In this Section:			
24	"Age and developmentally appropriate"	has	the	meaning
25	ascribed to that term in Section 27-9.1a.			

1	"Consent" has the meaning ascribed to that term in Section
2	<u>27-9.1a.</u>
3	(b) A school district shall provide age and
4	developmentally appropriate consent education in kindergarten
5	through the 12th grade.
6	(1) In kindergarten through the 5th grade, instruction
7	and materials shall include age and developmentally
8	appropriate instruction on consent and how to give and
9	receive consent, including a discussion that includes, but
10	is not limited to, all of the following:
11	(A) Setting appropriate physical boundaries with
12	others.
13	(B) Respecting the physical boundaries of others.
14	(C) The right to refuse to engage in behaviors or
15	activities that are uncomfortable or unsafe.
16	(D) Dealing with unwanted physical contact.
17	(E) Helping a peer deal with unwanted physical
18	<u>contact.</u>
19	(2) In the 6th through 12th grades, instruction and
20	materials shall include age and developmentally
21	appropriate instruction on consent and how to give and
22	receive consent, including a discussion that includes, but
23	is not limited to, all of the following:
24	(A) That consent is a freely given agreement to
25	sexual activity.
26	(B) That consent to one particular sexual activity

1	does not constitute consent to other types of sexual
2	activities.
3	(C) That a person's lack of verbal or physical
4	resistance or submission resulting from the use or
5	threat of force does not constitute consent.
6	(D) That a person's manner of dress does not
7	<u>constitute consent.</u>
8	(E) That a person's consent to past sexual
9	activity does not constitute consent to future sexual
10	activity.
11	(F) That a person's consent to engage in sexual
12	activity with one person does not constitute consent
13	to engage in sexual activity with another person.
14	(G) That a person can withdraw consent at any
15	time.
16	(H) That a person cannot consent to sexual
17	activity if that person is unable to understand the
18	nature of the activity or give knowing consent due to
19	certain circumstances that include, but are not
20	limited to:
21	(i) the person is incapacitated due to the use
22	or influence of alcohol or drugs;
23	(ii) the person is asleep or unconscious;
24	(iii) the person is a minor; or
25	(iv) the person is incapacitated due to a
26	mental disability.

(I) The legal age of consent in this State.

2 (105 ILCS 5/27A-5)

Sec. 27A-5. Charter school; legal entity; requirements.

4 (a) A charter school shall be a public, nonsectarian,
5 nonreligious, non-home based, and non-profit school. A charter
6 school shall be organized and operated as a nonprofit
7 corporation or other discrete, legal, nonprofit entity
8 authorized under the laws of the State of Illinois.

9 (b) A charter school may be established under this Article 10 by creating a new school or by converting an existing public school or attendance center to charter school status. 11 12 Beginning on April 16, 2003 (the effective date of Public Act 13 93-3), in all new applications to establish a charter school 14 in a city having a population exceeding 500,000, operation of 15 the charter school shall be limited to one campus. The changes made to this Section by Public Act 93-3 do not apply to charter 16 17 schools existing or approved on or before April 16, 2003 (the effective date of Public Act 93-3). 18

19 (b-5) In this subsection (b-5), "virtual-schooling" means 20 a cyber school where students engage in online curriculum and 21 instruction via the Internet and electronic communication with 22 their teachers at remote locations and with students 23 participating at different times.

From April 1, 2013 through December 31, 2016, there is a moratorium on the establishment of charter schools with 10200SB0818sam002 -20- LRB102 04606 CMG 26006 a

1 virtual-schooling components in school districts other than a school district organized under Article 34 of this Code. This 2 not apply to a charter school 3 moratorium does with 4 virtual-schooling components existing or approved prior to 5 April 1, 2013 or to the renewal of the charter of a charter school with virtual-schooling components already approved 6 7 prior to April 1, 2013.

8 (c) A charter school shall be administered and governed by 9 its board of directors or other governing body in the manner 10 provided in its charter. The governing body of a charter 11 school shall be subject to the Freedom of Information Act and the Open Meetings Act. No later than January 1, 2021 (one year 12 13 after the effective date of Public Act 101-291), a charter 14 school's board of directors or other governing body must 15 include at least one parent or quardian of a pupil currently 16 enrolled in the charter school who may be selected through the charter school or a charter network election, appointment by 17 the charter school's board of directors or other governing 18 19 body, or by the charter school's Parent Teacher Organization 20 or its equivalent.

(c-5) No later than January 1, 2021 (one year after the effective date of Public Act 101-291) or within the first year of his or her first term, every voting member of a charter school's board of directors or other governing body shall complete a minimum of 4 hours of professional development leadership training to ensure that each member has sufficient 10200SB0818sam002 -21- LRB102 04606 CMG 26006 a

1 familiarity with the board's or governing body's role and including financial 2 responsibilities, oversight and accountability of the school, evaluating the principal's and 3 4 school's performance, adherence to the Freedom of Information 5 Act and the Open Meetings Act, and compliance with education and labor law. In each subsequent year of his or her term, a 6 voting member of a charter school's board of directors or 7 8 other governing body shall complete a minimum of 2 hours of 9 professional development training in these same areas. The 10 training under this subsection may be provided or certified by 11 a statewide charter school membership association or may be provided or certified by other qualified providers approved by 12 13 the State Board of Education.

(d) For purposes of this subsection (d), "non-curricular 14 health and safety requirement" means any health and safety 15 16 requirement created by statute or rule to provide, maintain, preserve, or safequard safe or healthful conditions for 17 students and school personnel or to eliminate, reduce, or 18 prevent threats to the health and safety of students and 19 20 school personnel. "Non-curricular health and safetv 21 requirement" does not include any course of study or 22 specialized instructional requirement for which the State 23 Board has established goals and learning standards or which is 24 designed primarily to impart knowledge and skills for students 25 to master and apply as an outcome of their education.

26 A charter school shall comply with all non-curricular

1 health and safety requirements applicable to public schools under the laws of the State of Illinois. On or before September 2 1, 2015, the State Board shall promulgate and post on its 3 4 Internet website a list of non-curricular health and safety 5 requirements that a charter school must meet. The list shall be updated annually no later than September 1. Any charter 6 contract between a charter school and its authorizer must 7 8 contain a provision that requires the charter school to follow 9 the list of all non-curricular health and safety requirements 10 promulgated by the State Board and any non-curricular health 11 and safety requirements added by the State Board to such list during the term of the charter. Nothing in this subsection (d) 12 13 precludes an authorizer from including non-curricular health 14 and safety requirements in a charter school contract that are 15 not contained in the list promulgated by the State Board, 16 including non-curricular health and safety requirements of the authorizing local school board. 17

(e) Except as otherwise provided in the School Code, a
charter school shall not charge tuition; provided that a
charter school may charge reasonable fees for textbooks,
instructional materials, and student activities.

(f) A charter school shall be responsible for the management and operation of its fiscal affairs including, but not limited to, the preparation of its budget. An audit of each charter school's finances shall be conducted annually by an outside, independent contractor retained by the charter 10200SB0818sam002 -23- LRB102 04606 CMG 26006 a

1 school. To ensure financial accountability for the use of public funds, on or before December 1 of every year of 2 3 operation, each charter school shall submit to its authorizer 4 and the State Board a copy of its audit and a copy of the Form 5 990 the charter school filed that year with the federal Internal Revenue Service. In addition, if deemed necessary for 6 proper financial oversight of 7 the charter school, an 8 authorizer may require quarterly financial statements from 9 each charter school.

10 (q) A charter school shall comply with all provisions of 11 this Article, the Illinois Educational Labor Relations Act, all federal and State laws and rules applicable to public 12 13 schools that pertain to special education and the instruction 14 of English learners, and its charter. A charter school is 15 exempt from all other State laws and regulations in this Code 16 governing public schools and local school board policies; however, a charter school is not exempt from the following: 17

18 (1) Sections 10-21.9 and 34-18.5 of this Code 19 regarding criminal history records checks and checks of 20 the Statewide Sex Offender Database and Statewide Murderer 21 and Violent Offender Against Youth Database of applicants 22 for employment;

23 (2) Sections 10-20.14, 10-22.6, 24-24, 34-19, and
 24 34-84a of this Code regarding discipline of students;

(3) the Local Governmental and Governmental Employees

1 (4) Section 108.75 of the General Not For Profit Corporation Act of 1986 regarding indemnification of 2 3 officers, directors, employees, and agents; 4 (5) the Abused and Neglected Child Reporting Act; 5 (5.5)subsection (b) of Section 10-23.12 and subsection (b) of Section 34-18.6 of this Code; 6 (6) the Illinois School Student Records Act; 7 (7) Section 10-17a of this Code regarding school 8 9 report cards; 10 (8) the P-20 Longitudinal Education Data System Act; 11 (9) Section 27-23.7 of this Code regarding bullying 12 prevention; 13 (10) Section 2-3.162 of this Code regarding student 14 discipline reporting; 15 (11) Sections 22-80 and 27-8.1 of this Code; 16 (12) Sections 10-20.60 and 34-18.53 of this Code; (13) Sections 10-20.63 and 34-18.56 of this Code; 17 (14) Section 26-18 of this Code; 18 (15) Section 22-30 of this Code; 19 20 (16) Sections 24-12 and 34-85 of this Code; (17) the Seizure Smart School Act; and 21 22 (18) Section 2-3.64a-10 of this Code; -23 (19) Section 27-9.1a of this Code; 24 (20) Section 27-9.1b of this Code; and 25 (21) Section 34-18.8 of this Code. 26 The change made by Public Act 96-104 to this subsection

1 (g) is declaratory of existing law.

(h) A charter school may negotiate and contract with a 2 3 school district, the governing body of a State college or 4 university or public community college, or any other public or 5 for-profit or nonprofit private entity for: (i) the use of a 6 school building and grounds or any other real property or facilities that the charter school desires to use or convert 7 for use as a charter school site, (ii) the operation and 8 9 maintenance thereof, and (iii) the provision of any service, 10 activity, or undertaking that the charter school is required 11 to perform in order to carry out the terms of its charter. However, a charter school that is established on or after 12 April 16, 2003 (the effective date of Public Act 93-3) and that 13 14 operates in a city having a population exceeding 500,000 may 15 not contract with a for-profit entity to manage or operate the 16 school during the period that commences on April 16, 2003 (the effective date of Public Act 93-3) and concludes at the end of 17 the 2004-2005 school year. Except as provided in subsection 18 (i) of this Section, a school district may charge a charter 19 20 school reasonable rent for the use of the district's 21 buildings, grounds, and facilities. Any services for which a charter school contracts with a school district shall be 22 provided by the district at cost. Any services for which a 23 24 charter school contracts with a local school board or with the 25 governing body of a State college or university or public 26 community college shall be provided by the public entity at

1 cost.

(i) In no event shall a charter school that is established 2 by converting an existing school or attendance center to 3 4 charter school status be required to pay rent for space that is 5 deemed available, as negotiated and provided in the charter 6 agreement, in school district facilities. However, all other costs for the operation and maintenance of school district 7 facilities that are used by the charter school shall be 8 subject to negotiation between the charter school and the 9 10 local school board and shall be set forth in the charter.

(j) A charter school may limit student enrollment by age or grade level.

13 (k) If the charter school is approved by the State Board or 14 Commission, then the charter school is its own local education 15 agency.

23 Sec. 3. Comprehensive Health Education Program. The

10200SB0818sam002 -28-

1 program established under this Act shall include, but not be limited to, the following major educational areas as a basis 2 for curricula in all elementary and secondary schools in this 3 4 State: human ecology and health, human growth and development, 5 the emotional, psychological, physiological, hygienic, and responsibilities of family life, 6 social culturally, developmentally, and age-appropriate, medically accurate, and 7 evidence-based or evidence-informed information regarding 8 9 including sexual abstinence until marriage, prevention and 10 control of disease, including instruction in grades 6 through 11 12 on the prevention, transmission, and treatment of sexually transmitted infections, including HIV/AIDS spread of AIDS, 12 13 age-appropriate sexual abuse and assault awareness and prevention education in grades pre-kindergarten through 12, 14 15 public and environmental health, consumer health, safety 16 education and disaster survival, mental health and illness, personal health habits, alcohol $\underline{and_{\tau}}$ drug use $\overline{\tau}$ and abuse 17 including the medical and legal ramifications of alcohol, 18 19 drug, and tobacco use, abuse during pregnancy, evidence based and medically accurate information regarding sexual 20 21 abstinence, tobacco, nutrition, and dental health. The 22 instruction on mental health and illness must evaluate the 23 multiple dimensions of health by reviewing the relationship 24 between physical and mental health so as to enhance student 25 understanding, attitudes, and behaviors that promote health, well-being, and human dignity. The program shall also provide 26

10200SB0818sam002 -29- LRB102 04606 CMG 26006 a

1 course material and instruction to advise students pupils of the Abandoned Newborn Infant Protection Act. The program shall 2 3 include medically accurate information about cancer, 4 including, without limitation, types of cancer, signs and 5 symptoms, risk factors, the importance of early prevention and 6 detection, and information on where to go for help. Notwithstanding the above educational areas, the following 7 8 areas may also be included as a basis for curricula in all 9 elementary and secondary schools in this State: basic first 10 aid (including, but not limited to, cardiopulmonary 11 resuscitation and the Heimlich maneuver), heart disease, diabetes, stroke, the prevention of child abuse, neglect, and 12 13 suicide, and teen dating violence in grades 7 through 12. 14 Beginning with the 2014-2015 school year, training on how to 15 properly administer cardiopulmonary resuscitation (which 16 training must be in accordance with standards of the American Red Cross, the American Heart Association, or another 17 18 nationally recognized certifying organization) and how to use an automated external defibrillator shall be included as a 19 20 basis for curricula in all secondary schools in this State.

The school board of each public elementary and secondary school in the State shall encourage all teachers and other school personnel to acquire, develop, and maintain the knowledge and skills necessary to properly administer life-saving techniques, including, without limitation, the Heimlich maneuver and rescue breathing. The training shall be 10200SB0818sam002 -30- LRB102 04606 CMG 26006 a

1 in accordance with standards of the American Red Cross, the American Heart Association, or another nationally recognized 2 3 certifying organization. A school board may use the services 4 of non-governmental entities whose personnel have expertise in 5 life-saving techniques to instruct teachers and other school personnel in these techniques. Each school board is encouraged 6 to have in its employ, or on its volunteer staff, at least one 7 8 person who is certified, by the American Red Cross or by 9 another qualified certifying agency, as qualified to 10 administer first aid and cardiopulmonary resuscitation. In 11 addition, each school board is authorized to allocate appropriate portions of its institute or inservice days to 12 13 conduct training programs for teachers and other school 14 personnel who have expressed an interest in becoming qualified 15 administer emergency first aid or cardiopulmonary to 16 resuscitation. School boards are urged to encourage their teachers and other school personnel who coach school athletic 17 programs and other extracurricular school activities to 18 19 acquire, develop, and maintain the knowledge and skills 20 necessary to properly administer first aid and cardiopulmonary resuscitation in accordance with standards and requirements 21 22 established by the American Red Cross or another qualified 23 certifying agency. Subject to appropriation, the State Board 24 of Education shall establish and administer a matching grant 25 program to pay for half of the cost that a school district 26 incurs in training those teachers and other school personnel

10200SB0818sam002 -31- LRB102 04606 CMG 26006 a

1 who express an interest in becoming qualified to administer cardiopulmonary resuscitation (which training must be in 2 accordance with standards of the American Red Cross, the 3 4 American Heart Association, or another nationally recognized 5 certifying organization) or in learning how to use an automated external defibrillator. A school district that 6 applies for a grant must demonstrate that it has funds to pay 7 8 half of the cost of the training for which matching grant money 9 is sought. The State Board of Education shall award the grants on a first-come, first-serve basis. 10

11 No student pupil shall be required to take or participate in any class or course on HIV/AIDS AIDS or family life 12 13 instruction or to receive training on how to properly 14 administer cardiopulmonary resuscitation or how to use an 15 automated external defibrillator if the student's his or her 16 parent or quardian submits written objection thereto, and refusal to take or participate in the course or program or the 17 18 training shall not be reason for suspension or expulsion of 19 the student pupil.

20 Curricula developed under programs established in accordance with this Act in the major educational area of 21 alcohol and drug use and abuse shall include classroom 22 23 instruction in grades 5 through 12. The instruction, which 24 shall include matters relating to both the physical and legal 25 effects and ramifications of drug and substance abuse, shall 26 be integrated into existing curricula; and the State Board of

10200SB0818sam002 -32- LRB102 04606 CMG 26006 a

Education shall develop and make available to all elementary 1 and secondary schools in this State instructional materials 2 3 and guidelines which will assist the schools in incorporating 4 the instruction into their existing curricula. In addition, 5 school districts may offer, as part of existing curricula during the school day or as part of an after school program, 6 7 support services and instruction for students pupils or students pupils whose parent, parents, or guardians are 8 9 chemically dependent.
