LRB102 04897 RPS 38897 a

1 AMENDMENT TO SENATE BILL 1104

2 AMENDMENT NO. _____. Amend Senate Bill 1104 as follows:

3 on page 5, immediately below line 4, by inserting the
4 following:

5 "(10) Pursuant to Public Act 102-662, the General
6 Assembly has determined that to provide the highest
7 quality of life for the residents of Illinois and to
8 provide for a clean and healthy environment, it is the
9 policy of this State to rapidly transition to 100% clean
10 energy by 2050. Reducing carbon dioxide and copollutant
11 emissions in a manner that does not threaten electric
12 reliability and resource adequacy is essential to the
13 health and safety of all Illinois citizens. Coal-fueled
14 generation located in Illinois, and particularly in the
15 downstate region, has recently been retired or will be
16 retired by no later than the end of 2027. Natural
17 gas-fueled generation located in Illinois is currently

1 required to curtail operations if emission limits are
2 exceeded pursuant to Public Act 102-662.

3 (11) Reliable electric service at all times is
4 essential to the functioning of a modern economy and of
5 society in general. The health, welfare, and prosperity of
6 Illinois citizens, including the attractiveness of
7 Illinois to business and industry, requires the
8 availability of sufficient electric generating capacity,
9 including energy storage capacity, to meet the demands of
10 consumers and businesses in this State at all times."; and

11 on page 5, by replacing lines 7 through 19 with the following:

12 "(a) The Illinois Regional Generation Reliability Task
13 Force is created. The Task Force shall examine the State's
14 current progress toward its renewable energy resource
15 development goals and monitor the reliability of the Illinois
16 power grid and the status of CO₂e and copollutant emissions
17 reductions, the current status and progress toward developing
18 and implementing green hydrogen technologies, and the current
19 and projected status of electric resource adequacy and
20 reliability throughout the State. The Task Force should
21 consider the impacts of climate change on Illinois residents
22 and the present and future needs of Illinois consumers while
23 simultaneously investigating, and recommending solutions for,
24 any issues related to the performance and reliability of power
25 generation and transmission and being mindful of the ultimate

1 cost to consumers.

2 (b) The duties and responsibilities of the Task Force
3 include the following:

4 (1) Identifying and assessing policies, rules, laws,
5 and risks that have the potential to significantly affect
6 the reliability of the regional electric transmission
7 grids and increase greenhouse gas emissions."; and

8 by replacing line 23 on page 6 through line 17 on page 9 with
9 the following:

10 "Section 15. Membership; meetings.

11 (a) The members of the Illinois Regional Generation
12 Reliability Task Force shall be composed of the following:

13 (1) one Senator, appointed by the President of the
14 Senate, who shall serve as a co-chair of the Task Force;

15 (2) one member of the House of Representatives,
16 appointed by the Speaker of the House of Representatives,
17 who shall serve as a co-chair of the Task Force;

18 (3) one Senator, appointed by the Minority Leader of
19 the Senate;

20 (4) one member of the House of Representatives,
21 appointed by the Minority Leader of the House of
22 Representatives;

23 (5) one member who is a State employee with
24 responsibility for establishing State energy policies,

1 appointed by the Governor;

2 (6) one member of a State or local labor organization,
3 appointed by the President of the Senate;

4 (7) one representative from the PJM Regional
5 Transmission Organization, designated by PJM;

6 (8) one representative from the PJM Independent Market
7 Monitor organization, designated by the PJM Independent
8 Market Monitor organization;

9 (9) one representative from MISO Regional Transmission
10 Organization, designated by MISO;

11 (10) one representative from the MISO Independent
12 Market Monitor organization, designated by the MISO
13 Independent Market Monitor organization;

14 (11) 6 representatives from 6 different power
15 generation companies that operate in the PJM or MISO
16 regional transmission organization, 3 appointed by the
17 President of the Senate and 3 appointed by the Speaker of
18 the House of Representatives;

19 (12) one representative from a minority-owned
20 geothermal company, appointed by the President of the
21 Senate;

22 (13) 3 representatives from environmental groups,
23 appointed by the Governor;

24 (14) the Director of the Illinois Power Agency or the
25 Director's designee;

26 (15) the Director of the Environmental Protection

1 Agency or the Director's designee;

2 (16) the Chair of the Illinois Commerce Commission, or
3 the Chair's designee;

4 (17) 2 representatives from a renewable energy
5 generation company or a trade association representing
6 wind or solar generators, appointed by the President of
7 the Senate;

8 (18) one representative of a transmission company in
9 the PJM or MISO RTO, appointed by the President of the
10 Senate;

11 (19) one representative of an electric distribution
12 utility serving more than 500,000 but less than 3,000,000
13 customers in this State, its affiliated transmission
14 company, or its designated representative, as applicable,
15 that operates in MISO Zone 4, designated by MISO; and

16 (20) one representative from an electric utility that
17 operates distribution in the PJM regional transmission
18 organization in Illinois with over 60,000 miles of primary
19 distribution conductor miles and more than 400 megawatts
20 of interconnected distribution facilities, designated by
21 PJM, or a representative from a company that operates
22 transmission in the PJM regional transmission organization
23 in Illinois with an average hourly load in Illinois that
24 exceeds 10,000 megawatts, designated by PJM.

25 (b) Appointments for the Task Force shall be made by July
26 1, 2022. The Task Force shall hold 7 meetings annually, either

1 remotely or in person, and the first meeting shall be held
2 within 30 days after appointments are made.

3 (c) Members of the Task Force shall serve without
4 compensation.

5 (d) The Illinois Commerce Commission shall provide
6 administrative support to the Task Force in conjunction with
7 the Independent Market Monitors for the MISO and PJM Regional
8 Transmission Organizations."; and

9 on page 10, by replacing lines 3 through 5, with "a second
10 report on February 1, 2024, to the General Assembly upon the
11 completion of its meeting schedule."; and

12 on page 10, immediately below line 5, by inserting the
13 following:

14 "Section 25. Repealer. This Act is repealed 2 years after
15 its effective date."
