

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Construction Law is amended by
5 changing Section 5-40 as follows:

6 (105 ILCS 230/5-40)

7 Sec. 5-40. Supervision of school construction projects;
8 green projects. The Capital Development Board shall exercise
9 general supervision over school construction projects financed
10 pursuant to this Article. School districts, however, must be
11 allowed to choose the architect and engineer for their school
12 construction projects, and no project may be disapproved by
13 the State Board of Education or the Capital Development Board
14 solely due to a school district's selection of an architect or
15 engineer.

16 With respect to those school construction projects for
17 which a school district first applies for a grant on or after
18 July 1, 2007, the school construction project must receive
19 certification from the United States Green Building Council's
20 Leadership in Energy and Environmental Design Green Building
21 Rating System or the Green Building Initiative's Green Globes
22 Green Building Rating System or must meet green building
23 standards of the Capital Development Board and its Green

1 Building Advisory Committee. With respect to those school
2 construction projects for which a school district applies for
3 a grant on or after July 1, 2009, the school construction
4 project must receive silver certification from the United
5 States Green Building Council's Leadership in Energy and
6 Environmental Design Green Building Rating System unless all
7 of the following are met:

11 (2) (blank); ~~the renovation or replacement school~~
12 ~~construction project is less than 40% replacement cost, or~~
13 ~~the project has been granted a waiver by the Capital~~
14 ~~Development Board in consultation with the State Board of~~
15 ~~Education in accordance with rules promulgated pursuant to~~
16 ~~this Law;~~

17 (3) the school construction project is located in a
18 county with a population of more than 38,000 and less than
19 39,000 ~~that borders the Mississippi River with a~~
20 ~~population of more than 33,000 and less than 34,000,~~
21 according to the 2010 decennial census;

22 (4) the school district for which the school
23 construction grant will be issued has no more than 500
24 ~~1,100~~ students, with the relevant school facility housing
25 no more than 150 ~~700~~ students;

26 (5) the facilities for which the school construction

1 grant will be used have been in use as of August 2019
2 ~~condemned as of July 23, 2012~~; and

3 (6) the application for the school construction grant
4 has been approved prior to the effective date of this
5 amendatory Act of the 102nd ~~98th~~ General Assembly.
