8 Sec. 10. Allowable credit.

9 (a) To the extent authorized by this Act, for taxable  
10 years beginning on or after January 1, 2019 and ending on or  
11 before December 31, 2023, there shall be allowed a tax credit  
12 to the qualified taxpayer against the tax imposed by  
13 subsections (a) and (b) of Section 201 of the Illinois Income  
14 Tax Act in an aggregate amount equal to 25% of qualified  
15 expenditures, but not to exceed \$3,000,000, incurred ~~by a~~  
16 ~~qualified taxpayer~~ undertaking a qualified rehabilitation plan  
17 ~~of a qualified historic structure,~~ provided that the total  
18 amount of such expenditures must (i) equal \$5,000 or more and  
19 ~~or~~ (ii) exceed the adjusted basis of the ~~qualified historic~~  
20 structure on the first day the qualified rehabilitation plan  
21 commenced. If the qualified rehabilitation plan spans multiple  
22 years, the aggregate credit for the entire project shall be  
23 allowed in the last taxable year.

24 (b) To obtain a tax credit certificate pursuant to this  
25 Section, the qualified taxpayer must apply with the Division.

1 The Division shall determine the amount of eligible  
2 rehabilitation expenditures within 45 days after receipt of a  
3 complete application. The taxpayer must provide to the  
4 Division a third-party cost certification conducted by a  
5 certified public accountant verifying (i) the qualified and  
6 non-qualified rehabilitation expenses and (ii) that the  
7 qualified expenditures exceed the adjusted basis of the  
8 ~~qualified historic~~ structure on the first day the qualified  
9 rehabilitation plan commenced. The accountant shall provide  
10 appropriate review and testing of invoices. The Division is  
11 authorized, but not required, to accept this third-party cost  
12 certification to determine the amount of qualified  
13 expenditures. The Division and the National Park Service shall  
14 determine whether the rehabilitation is consistent with the  
15 Standards of the Secretary of the United States Department of  
16 the Interior.

17 (c) If the amount of any tax credit awarded under this Act  
18 exceeds the qualified taxpayer's income tax liability for the  
19 year in which the qualified rehabilitation plan was placed in  
20 service, the excess amount may be carried forward for  
21 deduction from the taxpayer's income tax liability in the next  
22 succeeding year or years until the total amount of the credit  
23 has been used, except that a credit may not be carried forward  
24 for deduction after the tenth taxable year after the taxable  
25 year in which the qualified rehabilitation plan was placed in  
26 service. Upon completion of the project and approval of the

1 complete application ~~review of the project~~, the Division shall  
2 issue a single certificate in the amount of the eligible  
3 credits equal to 25% of the qualified expenditures incurred  
4 during the eligible taxable years, not to exceed the lesser of  
5 the allocated amount or \$3,000,000 per single qualified  
6 rehabilitation plan. Prior to the issuance of the tax credit  
7 certificate, the qualified taxpayer must provide to the  
8 Division verification that the rehabilitated structure is a  
9 qualified historic structure. At the time the certificate is  
10 issued, an issuance fee up to the maximum amount of 2% of the  
11 amount of the credits issued by the certificate may be  
12 collected from the qualified taxpayer applicant to administer  
13 the Act. If collected, this issuance fee shall be directed to  
14 the Division Historic Property Administrative Fund or other  
15 such fund as appropriate for use of the Division in the  
16 administration of the Historic Preservation Tax Credit  
17 Program. The taxpayer must attach the certificate or legal  
18 documentation of her or his proportional share of the  
19 certificate to the tax return on which the credits are to be  
20 claimed. The tax credit under this Section may not reduce the  
21 taxpayer's liability to less than zero. If the amount of the  
22 credit exceeds the tax liability for the year, the excess  
23 credit may be carried forward and applied to the tax liability  
24 of the 10 taxable years following the first excess credit  
25 year. The taxpayer is not eligible to receive credits under  
26 this Section and under Section 221 of the Illinois Income Tax

1 Act for the same qualified expenditures or qualified  
2 rehabilitation plan.

3 (d) If the taxpayer is (i) a corporation having an  
4 election in effect under Subchapter S of the federal Internal  
5 Revenue Code, (ii) a partnership, or (iii) a limited liability  
6 company, the credit provided under this Act may be claimed by  
7 the shareholders of the corporation, the partners of the  
8 partnership, or the members of the limited liability company  
9 in the same manner as those shareholders, partners, or members  
10 account for their proportionate shares of the income or losses  
11 of the corporation, partnership, or limited liability company,  
12 or as provided in the bylaws or other executed agreement of the  
13 corporation, partnership, or limited liability company.  
14 Credits granted to a partnership, a limited liability company  
15 taxed as a partnership, or other multiple owners of property  
16 shall be passed through to the partners, members, or owners  
17 respectively on a pro rata basis or pursuant to an executed  
18 agreement among the partners, members, or owners documenting  
19 any alternate distribution method.

20 (e) If a recapture event occurs during the recapture  
21 period with respect to a qualified historic structure, then  
22 for any taxable year in which the credits are allowed as  
23 specified in this Act, the tax under the applicable Section of  
24 this Act shall be increased by applying the recapture  
25 percentage set forth below to the tax decrease resulting from  
26 the application of credits allowed under this Act to the

1 taxable year in question.

2 For the purposes of this subsection, the recapture  
3 percentage shall be determined as follows:

4 (1) if the recapture event occurs within the first  
5 year after commencement of the recapture period, then the  
6 recapture percentage is 100%;

7 (2) if the recapture event occurs within the second  
8 year after commencement of the recapture period, then the  
9 recapture percentage is 80%;

10 (3) if the recapture event occurs within the third  
11 year after commencement of the recapture period, then the  
12 recapture percentage is 60%;

13 (4) if the recapture event occurs within the fourth  
14 year after commencement of the recapture period, then the  
15 recapture percentage is 40%; and

16 (5) if the recapture event occurs within the fifth  
17 year after commencement of the recapture period, then the  
18 recapture percentage is 20%.

19 In the case of any recapture event, the carryforwards  
20 under this Act shall be adjusted by reason of such event.

21 (f) The Division may adopt rules to implement this Section  
22 in addition to the rules expressly authorized herein.

25 Sec. 20. Limitations, reporting, and monitoring.

1           (a) In every calendar year that this program is in effect,  
2 the Division is authorized to allocate \$15,000,000 in tax

15 ~~(i)~~ the amount initially allocated by the Division for the  
16 first ~~any one~~ year application period shall not

25 for the application ~~Applicant~~ to qualify. In any given  
26 application period, applications ~~Applicants~~ that qualify under

1 this Act will be prioritized as set forth in subsection (a) and  
2 placed in a queue based on the date and time the application is  
3 received. Applicants whose applications qualify but do not

5 period total allowable amount is reached. Applicants must  
6 reapply to be considered in subsequent ~~for each~~ application  
7 periods ~~period~~.

8 (c) ~~Subject~~ ~~On or before December 31, 2019, and on or~~

17 plans ~~projects~~ under this Act completed in that year and in  
18 previous years. Baseline data of the metrics in the report  
19 shall be collected at the initiation of a qualified  
20 rehabilitation plan ~~project~~. The overall economic impact shall  
21 include at least:

18 Applicant that the allocation application is rescinded.  
19 However, should financing and construction be imminent, the  
20 Director may elect to grant the Applicant no more than 5 months  
21 to close on financing and commence construction. If the  
22 Applicant fails to meet these conditions in the required  
23 timeframe, the Director shall notify the Applicant that the  
24 allocation application is rescinded. Any such rescinded  
25 allocation shall be added to the aggregate amount of credits  
26 available for allocation for the year in which the forfeiture

20 maintained under this Act, the Director may, after providing  
21 notice, require the Applicant to resubmit corrected reports.
