A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 27-22 as follows:

6 (105 ILCS 5/27-22) (from Ch. 122, par. 27-22)

7 Sec. 27-22. Required high school courses.

8 (a) (Blank).

9 (b) (Blank).

10 (c) (Blank).

11 (d) (Blank).

12 (e) As a prerequisite to receiving a high school diploma,
13 each pupil entering the 9th grade must, in addition to other
14 course requirements, successfully complete all of the
15 following courses:

16 (1) Four years of language arts.

17 (2) Two years of writing intensive courses, one of
18 which must be English and the other of which may be English
19 or any other subject. When applicable, writing-intensive
20 courses may be counted towards the fulfillment of other
21 graduation requirements.

22 (3) Three years of mathematics, one of which must be
23 Algebra I, one of which must include geometry content, and

1 one of which may be an Advanced Placement computer science
2 course, and one, or part of one, of which may be a
3 financial literacy course. A mathematics course that
4 includes geometry content may be offered as an integrated,
5 applied, interdisciplinary, or career and technical
6 education course that prepares a student for a career
7 readiness path.

8 (4) Two years of science.

9 (5) Two years of social studies, of which at least one
10 year must be history of the United States or a combination
11 of history of the United States and American government
12 and, beginning with pupils entering the 9th grade in the
13 2016-2017 school year and each school year thereafter, at
14 least one semester must be civics, which shall help young
15 people acquire and learn to use the skills, knowledge, and
16 attitudes that will prepare them to be competent and
17 responsible citizens throughout their lives. Civics course
18 content shall focus on government institutions, the
19 discussion of current and controversial issues, service
20 learning, and simulations of the democratic process.
21 School districts may utilize private funding available for
22 the purposes of offering civics education.

23 (6) One year chosen from (A) music, (B) art, (C)
24 foreign language, which shall be deemed to include
25 American Sign Language, or (D) vocational education.

26 (f) The State Board of Education shall develop and inform

1 school districts of standards for writing-intensive
2 coursework.

3 (f-5) If a school district offers an Advanced Placement
4 computer science course to high school students, then the
5 school board must designate that course as equivalent to a
6 high school mathematics course and must denote on the
7 student's transcript that the Advanced Placement computer
8 science course qualifies as a mathematics-based, quantitative
9 course for students in accordance with subdivision (3) of
10 subsection (e) of this Section.

11 (g) This amendatory Act of 1983 does not apply to pupils
12 entering the 9th grade in 1983-1984 school year and prior
13 school years or to students with disabilities whose course of
14 study is determined by an individualized education program.

15 This amendatory Act of the 94th General Assembly does not
16 apply to pupils entering the 9th grade in the 2004-2005 school
17 year or a prior school year or to students with disabilities
18 whose course of study is determined by an individualized
19 education program.

20 (h) The provisions of this Section are subject to the
21 provisions of Section 27-22.05 of this Code and the
22 Postsecondary and Workforce Readiness Act.

23 (i) The State Board of Education may adopt rules to modify
24 the requirements of this Section for any students enrolled in
25 grades 9 through 12 if the Governor has declared a disaster due
26 to a public health emergency pursuant to Section 7 of the

1 Illinois Emergency Management Agency Act.
