

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Environmental Protection Act is amended by
5 adding Section 3.141 as follows:

6 (415 ILCS 5/3.141 new)

7 Sec. 3.141. Notice of power plant demolition.

8 (a) If a demolition is conducted at a coal-fueled power
9 plant, the owner of the coal-fueled power plant shall, at
10 least 60 days before commencing the demolition or as otherwise
11 required under State or federal law, notify the Agency and the
12 public about the demolition and provide the Agency and the
13 public with copies of any plans for the demolition. The notice
14 shall comply with the following:

15 (1) The notice must be provided, where applicable, in
16 both physical and online form in a newspaper of general
17 circulation within 25 miles of where the coal-fueled power
18 plant is located. The notice must also be posted in
19 physical form in 3 prominent public places and, where
20 applicable, posted on a relevant municipal website.

21 (2) The notice must include reference to any relevant
22 permits issued to the coal-fueled power plant in relation
23 to the demolition, with express instructions stating how

1 to access a copy of the permits.

2 (3) The notice must include the following information:

3 (A) The date and time of any scheduled demolition
4 activity.

5 (B) The portion of the coal-fueled power plant
6 that is set for demolition.

7 (C) Any potential contaminants associated with the
8 demolition.

9 (D) The business name of any company that will
10 perform the demolition in whole or in part.

11 (E) Information on any applicable permits.

12 (F) Whether any unlined CCR surface impoundment or
13 public water source is near the coal-fueled power
14 plant.

15 (G) Details of the preventative measures
16 implemented by the coal-fueled power plant to control,
17 mitigate, or prevent any pollution from occurring.

18 (b) In this Section, "public" means the population of a
19 town, village, or city in the State of Illinois that is within
20 25 miles of a coal-fueled power plant at which demolition is to
21 be conducted.

22 Section 99. Effective date. This Act takes effect upon
23 becoming law.
