1 AMENDMENT TO SENATE BILL 2663

2 AMENDMENT NO. _____. Amend Senate Bill 2663 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Public Water District Act is amended by
5 adding Section 28.2 as follows:

6 (70 ILCS 3705/28.2 new)

7 Sec. 28.2. Sangamon Valley Public Water District
8 annexation.

9 (a) The General Assembly finds:

10 (1) Due to a natural gas leak in December 2016,
11 multiple water wells connected to the Mahomet Aquifer, one
12 of the largest sources of water in the State of Illinois,
13 were contaminated with methane, so much so, that numerous
14 homeowners are without potable water.

15 (2) The issue of methane contamination of the State of
16 Illinois' water supply has become a statewide issue and

1 resulted in the Illinois Attorney General having
2 litigation pending over the contamination. On December 21,
3 2018, the Mahomet Aquifer Task Force issued their report
4 specifically addressing this incident and future incidents
5 and stressed the need to provide State government,
6 legislative, and monetary relief so immediate remediation
7 may begin.

8 (3) The area residents have been without safe water
9 service for 4 years.

10 (4) The cost of expanding infrastructure to the area
11 is estimated around \$10,000,000. The Sangamon Valley
12 Public Water District is not a taxing body, but rather
13 operates on fees for provided water service and to
14 initiate construction would require an initial sum of
15 \$3,800,000.

16 (5) In June 2020, in recognition of this Illinois
17 water-source crisis, the General Assembly passed, and the
18 Governor signed a Capital Bill appropriating \$3,800,000
19 required for initiation of the plan to bring water to this
20 area of the State.

21 (6) An addition to funding, the affected area needs to
22 be annexed into a water district territory for such
23 district to be able to lawfully expend funds to benefit
24 the territory and the current statutory annexation
25 procedure is insufficient to address the crisis and does
26 not provide for nor contemplate an expedited procedure in

1 the event of water contamination.

2 (b) Notwithstanding any other provision of law, on the
3 effective date of this amendatory Act of the 102nd General
4 Assembly, the following property is annexed into the territory
5 of the Sangamon Valley Public Water District:
