1 AMENDMENT TO SENATE BILL 2664

2 AMENDMENT NO. _____. Amend Senate Bill 2664 as follows:

3 on page 41, by replacing lines 21 and 22 with the following:

4 "(a) Any commissioned notary public may perform any
5 notarial act described under Section 6-102 remotely, after
6 first determining, either from personal knowledge or from
7 satisfactory evidence, that the signature is that of the
8 person appearing before the notary and named therein. A notary
9 public has satisfactory evidence that a person is the person
10 whose true signature is on a document if that person:

12 (2) is identified upon the oath or affirmation of a
13 credible witness personally known to the notary; or

14 (3) is identified on the basis of identification
15 documents. Identification documents are documents that are
16 (i) valid at the time of the notarial act, (ii) issued by a

1 State agency, federal government agency, or consulate, and
2 (iii) bearing the photographic image of the individual's
3 face and signature of the individual."
