1 AN ACT concerning local government.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The Illinois Municipal Code is amended by changing Sections 11-74.3-5, 11-74.4-4, and 11-74.6-10 as
- 6 follows:

20

21

22

- 7 (65 ILCS 5/11-74.3-5)
- 8 Sec. 11-74.3-5. Definitions. The following terms as used 9 in this Law shall have the following meanings:
- "Blighted area" means an area that is a blighted area 10 the predominance of 11 which, by reason of defective, 12 non-existent, or inadequate street layout, unsanitary or 13 unsafe conditions, deterioration of site improvements, 14 improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire or other 15 16 causes, or any combination of those factors, retards the 17 provision of housing accommodations or constitutes an economic or social liability, an economic underutilization of the area, 18 19 or a menace to the public health, safety, morals, or welfare.
  - "Business district" means a contiguous area which includes only parcels of real property directly and substantially benefited by the proposed business district plan. A business district may, but need not be, a blighted area, but no

25

26

municipality shall be authorized to impose taxes pursuant to subsection (10) or (11) of Section 11-74.3-3 in a business district which has not been determined by ordinance to be a blighted area under this Law. For purposes of this Division, parcels are contiquous if they touch or join one another in a reasonably substantial physical sense or if they meet the criteria for annexation to a municipality under Section 7-1-1 of this Code. The changes made by this amendatory Act of the 102nd General Assembly, are declarative of existing law and shall be applied retroactively when substantively applicable, including all pending actions without regard to when the cause of action accrued; however, this amendatory Act of the 102nd General Assembly does not affect the rights of any party that is subject to a final judgment entered pursuant to the September 23,2021 opinion of the Illinois Supreme Court in Board of Education of Richland School District 88A v. City of Crest Hill, 2021 IL 126444.

"Business district plan" shall mean the written plan for the development or redevelopment of a business district. Each business district plan shall set forth in writing: (i) a description of the boundaries of the proposed specific business district, including a map illustrating general description of each project boundaries; (ii) a proposed to be undertaken within the business district, including a description of the approximate location of each project and a description of any developer, user, or tenant of

any property to be located or improved within the proposed business district; (iii) the name of the proposed business district; (iv) the estimated business district project costs; (v) the anticipated source of funds to pay business district project costs; (vi) the anticipated type and terms of any obligations to be issued; and (vii) the rate of any tax to be imposed pursuant to subsection (10) or (11) of Section 11-74.3-3 and the period of time for which the tax shall be imposed.

"Business district project costs" shall mean and include the sum total of all costs incurred by a municipality, other governmental entity, or nongovernmental person in connection with a business district, in the furtherance of a business district plan, including, without limitation, the following:

- (1) costs of studies, surveys, development of plans and specifications, implementation and administration of a business district plan, and personnel and professional service costs including architectural, engineering, legal, marketing, financial, planning, or other professional services, provided that no charges for professional services may be based on a percentage of tax revenues received by the municipality;
- (2) property assembly costs, including but not limited to, acquisition of land and other real or personal property or rights or interests therein, and specifically including payments to developers or other nongovernmental

26

persons as reimbursement for property assembly costs incurred by that developer or other nongovernmental person;

- (3) site preparation costs, including but not limited to clearance, demolition or removal of any existing buildings, structures, fixtures, utilities, and improvements and clearing and grading of land;
- costs of installation, repair, construction, reconstruction, extension, or relocation of public streets, public utilities, and other public improvements within or without the business district which are essential to the preparation of the business district for use in accordance with the business district plan, and specifically including payments to developers or other persons nongovernmental as reimbursement for preparation costs incurred by the developer nongovernmental person;
- (5) costs of renovation, rehabilitation, reconstruction, relocation, repair, or remodeling of any existing buildings, improvements, and fixtures within the business district, and specifically including payments to developers or other nongovernmental persons as reimbursement for costs incurred by those developers or nongovernmental persons;
- (6) costs of installation or construction within the business district of buildings, structures, works,

streets, improvements, equipment, utilities, or fixtures, and specifically including payments to developers or other nongovernmental persons as reimbursements for such costs incurred by such developer or nongovernmental person;

- (7) financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations, payment of any interest on any obligations issued under this Law that accrues during the estimated period of construction of any development or redevelopment project for which those obligations are issued and for not exceeding 36 months thereafter, and any reasonable reserves related to the issuance of those obligations; and
- (8) relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law.

"Business district tax allocation fund" means the special fund to be established by a municipality for a business district as provided in Section 11-74.3-6.

"Dissolution date" means the date on which the business district tax allocation fund shall be dissolved. The dissolution date shall be not later than 270 days following payment to the municipality of the last distribution of taxes as provided in Section 11-74.3-6.

1 (65 ILCS 5/11-74.4-4) (from Ch. 24, par. 11-74.4-4)

Sec. 11-74.4-4. Municipal powers and duties; redevelopment project areas. The changes made by this amendatory Act of the 91st General Assembly do not apply to a municipality that, (i) before the effective date of this amendatory Act of the 91st General Assembly, has adopted an ordinance or resolution fixing a time and place for a public hearing under Section (ii) before July 1, 1999, has adopted an 11-74.4-5 or ordinance or resolution providing for a feasibility study under Section 11-74.4-4.1, but has not yet adopted an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under this Section, until after that municipality adopts an ordinance approving redevelopment plans and redevelopment projects or designating redevelopment project areas under this Section; thereafter the changes made by this amendatory Act of the 91st General Assembly apply to the same extent that they apply to redevelopment plans and redevelopment projects that were approved and redevelopment projects that were designated before the effective date of this amendatory Act of the 91st General Assembly.

## A municipality may:

(a) By ordinance introduced in the governing body of the municipality within 14 to 90 days from the completion of the hearing specified in Section 11-74.4-5 approve redevelopment plans and redevelopment projects, and

designate redevelopment project areas pursuant to notice and hearing required by this Act. No redevelopment project area shall be designated unless a plan and project are approved prior to the designation of such area and such area shall include only those contiguous parcels of real property and improvements thereon substantially benefited by the proposed redevelopment project improvements. Upon adoption of the ordinances, the municipality shall forthwith transmit to the county clerk of the county or counties within which the redevelopment project area is located a certified copy of the ordinances, a legal description of the redevelopment project area, a map of the redevelopment project area, identification of the year that the county clerk shall use for determining the total initial equalized assessed value of the redevelopment project area consistent with subsection (a) of Section 11-74.4-9, and a list of the parcel or tax identification number of each parcel of property included in the redevelopment project area. For purposes of this Division, parcels are contiguous if they touch or join one another in a reasonably substantial physical sense or if they meet the criteria for annexation to a municipality under Section 7-1-1 of this Code.

The changes made by this amendatory Act of the 102nd General Assembly, are declarative of existing law and shall be applied retroactively when substantively

the redevelopment project area.

- (c) Within a redevelopment project area, acquire by purchase, donation, lease or eminent domain; own, convey, lease, mortgage or dispose of land and other property, real or personal, or rights or interests therein, and grant or acquire licenses, easements and options with respect thereto, all in the manner and at such price the municipality determines is reasonably necessary to achieve the objectives of the redevelopment plan and project. No conveyance, lease, mortgage, disposition of land or other property owned by a municipality, or agreement relating to the development of such municipal property shall be made except upon the adoption of an ordinance by the corporate authorities of the municipality. Furthermore, conveyance, lease, mortgage, or other disposition of land owned by a municipality or agreement relating to the development of such municipal property shall be made without making public disclosure of the terms of the disposition and all bids and proposals made in response to the municipality's request. The procedures for obtaining such bids and proposals shall provide reasonable opportunity for any person to submit alternative proposals or bids.
- (d) Within a redevelopment project area, clear any area by demolition or removal of any existing buildings and structures.

- 1 (e) Within a redevelopment project area, renovate or
  2 rehabilitate or construct any structure or building, as
  3 permitted under this Act.
  - (f) Install, repair, construct, reconstruct or relocate streets, utilities and site improvements essential to the preparation of the redevelopment area for use in accordance with a redevelopment plan.
  - (g) Within a redevelopment project area, fix, charge and collect fees, rents and charges for the use of any building or property owned or leased by it or any part thereof, or facility therein.
  - (h) Accept grants, guarantees and donations of property, labor, or other things of value from a public or private source for use within a project redevelopment area.
  - (i) Acquire and construct public facilities within a redevelopment project area, as permitted under this Act.
  - (j) Incur project redevelopment costs and reimburse developers who incur redevelopment project costs authorized by a redevelopment agreement; provided, however, that on and after the effective date of this amendatory Act of the 91st General Assembly, no municipality shall incur redevelopment project costs (except for planning costs and any other eligible costs authorized by municipal ordinance or resolution that are subsequently included in the redevelopment plan for the

incurred by the municipality after area and are ordinance or resolution is adopted) that are not consistent with the program for accomplishing the objectives of the redevelopment plan as included in that approved by the municipality until municipality has amended the redevelopment plan provided elsewhere in this Act.

- (k) Create a commission of not less than 5 or more than 15 persons to be appointed by the mayor or president of the municipality with the consent of the majority of the governing board of the municipality. Members of commission appointed after the effective date of this amendatory Act of 1987 shall be appointed for initial terms of 1, 2, 3, 4 and 5 years, respectively, in such numbers as to provide that the terms of not more than 1/3of all such members shall expire in any one year. Their successors shall be appointed for a term of 5 years. The commission, subject to approval of the corporate authorities may exercise the powers enumerated in this Section. The commission shall also have the power to hold the public hearings required by this division and make recommendations to the corporate authorities concerning redevelopment the adoption of plans, redevelopment projects and designation of redevelopment project areas.
- (1) Make payment in lieu of taxes or a portion thereof to taxing districts. If payments in lieu of taxes or a

of all such members shall expire in any one year. Their successors shall be appointed for a term of 5 years. The Committee shall have none of the powers enumerated in this Section. The Committee shall serve in an advisory capacity only. The Committee may advise the governing Board of the municipality and other municipal officials issues opportunities development and within the redevelopment project area or the area within the State Sales Tax Boundary. The Committee may also promote and publicize development opportunities in the redevelopment project area or the area within the State Sales Tax Boundary.

(p) Municipalities may jointly undertake and perform redevelopment plans and projects and utilize provisions of the Act wherever they have contiguous redevelopment project areas or they determine to adopt tax increment financing with respect to a redevelopment project area which includes contiguous real property within the boundaries of the municipalities, and in doing so, they may, by agreement between municipalities, issue obligations, separately or jointly, and expend revenues received under the Act for eligible expenses anywhere within contiquous redevelopment project areas or otherwise permitted in the Act. With respect to redevelopment project areas that are established within a transit facility improvement area, the provisions of this

subsection apply only with respect to such redevelopment project areas that are contiguous to each other.

- (q) Utilize revenues, other than State sales tax increment revenues, received under this Act from one redevelopment project area for eligible costs in another redevelopment project area that is:
  - (i) contiguous to the redevelopment project area from which the revenues are received;
  - (ii) separated only by a public right of way from the redevelopment project area from which the revenues are received; or
  - (iii) separated only by forest preserve property from the redevelopment project area from which the revenues are received if the closest boundaries of the redevelopment project areas that are separated by the forest preserve property are less than one mile apart.

Utilize tax increment revenues for eligible costs that are received from a redevelopment project area created under the Industrial Jobs Recovery Law that is either contiguous to, or is separated only by a public right of way from, the redevelopment project area created under this Act which initially receives these revenues. Utilize revenues, other than State sales tax increment revenues, by transferring or loaning such revenues to a redevelopment project area created under the Industrial Jobs Recovery Law that is either contiguous to, or

amendatory Act of 1994, the municipality shall adopt an ordinance repealing its designation as a redevelopment project area. Initiation of a redevelopment project shall be evidenced by either a signed redevelopment agreement or expenditures on eligible redevelopment project costs associated with a redevelopment project.

Notwithstanding any other provision of this Section to the contrary, with respect to a redevelopment project area designated by an ordinance that was adopted on July 29, 1998 by the City of Chicago, the City of Chicago shall adopt an ordinance repealing the area's designation as a redevelopment project area if no redevelopment project has been initiated in the redevelopment project area within 15 years after the designation of the area. The City of Chicago may retroactively repeal any ordinance adopted by the City of Chicago, pursuant to this subsection (r), that repealed the designation of a redevelopment project area designated by an ordinance that was adopted by the City of Chicago on July 29, 1998. The City of Chicago has 90 days after the effective date of this amendatory Act to repeal the ordinance. The changes to this Section made by this amendatory Act of the 96th General Assembly apply retroactively to July 27, 2005.

(s) The various powers and duties described in this Section that apply to a redevelopment project area shall also apply to a transit facility improvement area

1 established prior to, on, or after the effective date of

this amendatory Act of the 102nd General Assembly.

4 (65 ILCS 5/11-74.6-10)

- 5 Sec. 11-74.6-10. Definitions.
- (a) "Environmentally contaminated area" means any improved 6 7 or vacant area within the boundaries of a redevelopment project area located within the corporate limits of a 8 9 municipality when, (i) there has been a determination of 10 release or substantial threat of release of a hazardous 11 substance or pesticide, by the United States Environmental 12 Protection Agency or the Illinois Environmental Protection 1.3 Agency, or the Illinois Pollution Control Board, or any court, or a release or substantial threat of release which is 14 15 addressed as part of the Pre-Notice Site Cleanup Program under 16 Section 22.2(m) of the Illinois Environmental Protection Act, or a release or substantial threat of release of petroleum 17 under Section 22.12 of the Illinois Environmental Protection 18 Act, and (ii) which release or threat of release presents an 19 imminent and substantial danger to public health or welfare or 20 21 presents a significant threat to public health or the 22 environment, and (iii) which release or threat of release 23 would have a significant impact on the cost of redeveloping 24 the area.
  - (b) "Department" means the Department of Commerce and

1 Economic Opportunity.

24

25

- 2 (c) "Industrial park" means an area in a redevelopment 3 suitable for by any manufacturing, project area use research, or transportation enterprise, industrial, 5 facilities, including but not limited to factories, mills, 6 plants, assembly plants, packing 7 fabricating plants, distribution centers, warehouses, repair overhaul or service facilities, freight terminals, research 8 9 facilities, test facilities or railroad facilities. 10 industrial park may contain space for commercial and other use 11 as long as the expected principal use of the park is industrial 12 and is reasonably expected to result in the creation of a 13 significant number of new permanent full time jobs. An 14 industrial park may also contain related operations and 15 facilities including, but not limited to, business and office 16 services such as centralized computers, 17 telecommunications, publishing, accounting, photocopying and similar activities and employee services such as child care, 18 health care, food service and similar activities. 19 20 industrial park may also include demonstration projects, 21 prototype development, specialized training on developing 22 technology, and pure research in any field related or 23 adaptable to business and industry.
  - (d) "Research park" means an area in a redevelopment project area suitable for development of a facility or complex that includes research laboratories and related operations.

- These related operations may include, but are not limited to, business and office support services such as centralized computers, telecommunications, publishing, accounting, photocopying and similar activities, and employee services such as child care, health care, food service and similar activities. A research park may include demonstration projects, prototype development, specialized training on developing technology, and pure research in any field related or adaptable to business and industry.
  - (e) "Industrial park conservation area" means an area within the boundaries of a redevelopment project area located within the corporate limits of a municipality or within 1 1/2 miles of the corporate limits of a municipality if the area is to be annexed to the municipality, if the area is zoned as industrial no later than the date on which the municipality by ordinance designates the redevelopment project area, and if the area includes improved or vacant land suitable for use as an industrial park or a research park, or both. To be designated as an industrial park conservation area, the area shall also satisfy one of the following standards:
    - (1) Standard One: The municipality must be a labor surplus municipality and the area must be served by adequate public and or road transportation for access by the unemployed and for the movement of goods or materials and the redevelopment project area shall contain no more than 2% of the most recently ascertained equalized

within the corporate limits of the municipality after adjustment for all annexations associated with the establishment of the redevelopment project area. No redevelopment projects may be authorized bv the municipality under Standard Two of subsection (e) of this Section unless the project plan also provides for an employment training project that would prepare unemployed workers for work in the industrial park conservation area, and the project has been approved by official action of or is to be operated by the local community college district, public school district or state or locally designated private industry council or successor agency.

- (f) "Vacant industrial buildings conservation area" means an area containing one or more industrial buildings located within the corporate limits of the municipality that has been zoned industrial for at least 5 years before the designation of that area as a redevelopment project area by the municipality and is planned for reuse principally for industrial purposes. For the area to be designated as a vacant industrial buildings conservation area, the area shall also satisfy one of the following standards:
  - (1) Standard One: The area shall consist of one or more industrial buildings totaling at least 50,000 net square feet of industrial space, with a majority of the total area of all the buildings having been vacant for at least 18 months; and (A) the area is located in a labor

surplus municipality or a substantial labor surplus municipality, or (B) the equalized assessed value of the properties within the area during the last 2 years is at least 25% lower than the maximum equalized assessed value of those properties during the immediately preceding 10 years.

- (2) Standard Two: The area exclusively consists of industrial buildings or a building complex operated by a user or related users (A) that has within the immediately preceding 5 years either (i) employed 200 or more employees at that location, or (ii) if the area is located in a municipality with a population of 12,000 or less, employed more than 50 employees at that location and (B) either is currently vacant, or the owner has: (i) directly notified the municipality of the user's intention to terminate operations at the facility or (ii) filed a notice of closure under the Worker Adjustment and Retraining Notification Act.
- (g) "Labor surplus municipality" means a municipality in which, during the 4 calendar years immediately preceding the date the municipality by ordinance designates an industrial park conservation area, the average unemployment rate was 1% or more over the State average unemployment rate for that same period of time as published in the United States Department of Labor Bureau of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the

purpose of this subsection (g), if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be:

(i) for a municipality that is not in an urban county, the same as the unemployment rate in the principal county where the municipality is located or (ii) for a municipality in an urban county at that municipality's option, either the unemployment rate certified for the municipality by the Department after consultation with the Illinois Department of Labor or the federal Bureau of Labor Statistics, or the unemployment rate of the municipality as determined by the most recent federal census if that census was not dated more than 5 years prior to the date on which the determination is made.

(h) "Substantial labor surplus municipality" means a municipality in which, during the 5 calendar years immediately preceding the date the municipality by ordinance designates an industrial park conservation area, the average unemployment rate was 2% or more over the State average unemployment rate for that same period of time as published in the United States Department of Labor Statistics publication entitled "The Employment Situation" or its successor publication. For the purpose of this subsection (h), if unemployment rate statistics for the municipality are not available, the unemployment rate in the municipality shall be deemed to be:

(i) for a municipality that is not in an urban county, the same as the unemployment rate in the principal county in which the

- municipality is located; or (ii) for a municipality in an urban county, at that municipality's option, either the unemployment rate certified for the municipality by the Department after consultation with the Illinois Department of Labor or the federal Bureau of Labor Statistics, or the unemployment rate of the municipality as determined by the most recent federal census if that census was not dated more than 5 years prior to the date on which the determination is made.
- 10 (i) "Municipality" means a city, village or incorporated
  11 town.
  - (j) "Obligations" means bonds, loans, debentures, notes, special certificates or other evidence of indebtedness issued by the municipality to carry out a redevelopment project or to refund outstanding obligations.
  - (k) "Payment in lieu of taxes" means those estimated tax revenues from real property in a redevelopment project area derived from real property that has been acquired by a municipality, which according to the redevelopment project or plan are to be used for a private use, that taxing districts would have received had a municipality not acquired the real property and adopted tax increment allocation financing and that would result from levies made after the time of the adoption of tax increment allocation financing until the time the current equalized assessed value of real property in the redevelopment project area exceeds the total initial equalized

assessed value of real property in that area.

(1) "Redevelopment plan" means the comprehensive program of the municipality for development or redevelopment intended by the payment of redevelopment project costs to reduce or eliminate the conditions that qualified the redevelopment project area or redevelopment planning area, or both, as an environmentally contaminated area or industrial conservation area, or vacant industrial buildings conservation area, or combination thereof, and thereby to enhance the tax bases of the taxing districts that extend into the redevelopment project area or redevelopment planning area. On and after the effective date of this amendatory Act of the 91st General Assembly, no redevelopment plan may be approved or amended to include the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, or municipal government as public land for outdoor recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting. Each redevelopment plan must set forth in writing the bases for the municipal findings required in this subsection, the program to be undertaken to accomplish the objectives, including but not limited to: (1) an itemized list of estimated redevelopment project costs, (2) evidence indicating that the redevelopment project area or the

redevelopment planning area, or both, on the whole has not 1 2 been subject to growth and development through investment by 3 private enterprise, (3) (i) in the case of an environmentally contaminated area, industrial park conservation area, or a 5 vacant industrial buildings conservation area classified under either Standard One, or Standard Two of subsection (f) where 6 7 the building is currently vacant, evidence that implementation 8 of the redevelopment plan is reasonably expected to create a 9 significant number of permanent full time jobs, (ii) in the 10 case of a vacant industrial buildings conservation area 11 classified under Standard Two (B)(i) or (ii) of subsection 12 (f), evidence that implementation of the redevelopment plan is reasonably expected to retain a significant number of existing 13 14 permanent full time jobs, and (iii) in the case of 15 combination of an environmentally contaminated 16 industrial park conservation area, or vacant industrial 17 buildings conservation area, evidence that the standards concerning the creation or retention of jobs for each area set 18 19 forth in (i) or (ii) above are met, (4) an assessment of the 20 financial impact of the redevelopment project area or the redevelopment planning area, or both, on the overlapping 21 22 taxing bodies or any increased demand for services from any 23 taxing district affected by the plan and any program to 24 address such financial impact or increased demand, (5) the 25 sources of funds to pay costs, (6) the nature and term of the 26 obligations to be issued, (7) the most recent equalized

assessed valuation of the redevelopment project area or the 1 2 redevelopment planning area, or both, (8) an estimate of the 3 equalized assessed valuation after redevelopment and the general land uses that are applied in the redevelopment 5 project area or the redevelopment planning area, or both, (9) a commitment to fair employment practices and an affirmative 6 action plan, (10) if 7 it includes an industrial park 8 conservation area, the following: (i) a general description of 9 any proposed developer, (ii) user and tenant of any property, (iii) a description of the type, structure and general 10 11 character of the facilities to be developed, and (iv) a 12 description of the type, class and number of new employees to 13 employed in the operation of the facilities to 14 developed, (11) if it includes an environmentally contaminated 15 area, the following: either (i) a determination of release or substantial threat of release of a hazardous substance or 16 17 pesticide or of petroleum by the United States Environmental Protection Agency or the Illinois Environmental Protection 18 19 Agency, or the Illinois Pollution Control Board or any court; 20 or (ii) both an environmental audit report by a nationally 21 recognized independent environmental auditor having 22 reputation for expertise in these matters and a copy of the 23 signed Review and Evaluation Services Agreement indicating 24 acceptance of the site by the Illinois Environmental 25 Protection Agency into the Pre-Notice Site Cleanup Program, 26 (12) if it includes a vacant industrial buildings conservation

area, the following: (i) a general description of any proposed developer, (ii) user and tenant of any building or buildings, (iii) a description of the type, structure and general character of the building or buildings to be developed, and (iv) a description of the type, class and number of new employees to be employed or existing employees to be retained in the operation of the building or buildings to redeveloped, and (13) if property is to be annexed to the municipality, the terms of the annexation agreement.

No redevelopment plan shall be adopted by a municipality without findings that:

- (1) the redevelopment project area or redevelopment planning area, or both, on the whole has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed in accordance with public goals stated in the plan without redevelopment the adoption of the redevelopment plan;
- (2) the redevelopment plan and project conform to the comprehensive plan for the development of the municipality as a whole, or, for municipalities with a population of 100,000 or more, regardless of when the redevelopment plan and project was adopted, the redevelopment plan and project either: (i) conforms to the strategic economic development or redevelopment plan issued by the designated planning authority of the municipality or (ii) includes

land uses that have been approved by the planning commission of the municipality;

- (3) that the redevelopment plan is reasonably expected to create or retain a significant number of permanent full time jobs as set forth in paragraph (3) of subsection (1) above;
- (4)estimated date of completion the of the redevelopment project and retirement of obligations incurred to finance redevelopment project costs is not later than December 31 of the year in which the payment to the municipal treasurer as provided in subsection (b) of Section 11-74.6-35 is to be made with respect to ad valorem taxes levied in the twenty-third calendar year after the year in which the ordinance approving the redevelopment project area is adopted; a municipality may by municipal ordinance amend an existing redevelopment plan to conform to this paragraph (4) as amended by this amendatory Act of the 91st General Assembly concerning ordinances adopted on or after January 15, 1981, which municipal ordinance may be adopted without further hearing notice and without complying with the procedures provided in this Law pertaining to an amendment to or the initial approval of a redevelopment plan and project and designation of a redevelopment project area;
- (5) in the case of an industrial park conservation area, that the municipality is a labor surplus

municipality or a substantial labor surplus municipality and that the implementation of the redevelopment plan is reasonably expected to create a significant number of permanent full time new jobs and, by the provision of new facilities, significantly enhance the tax base of the taxing districts that extend into the redevelopment project area;

- (6) in the case of an environmentally contaminated area, that the area is subject to a release or substantial threat of release of a hazardous substance, pesticide or petroleum which presents an imminent and substantial danger to public health or welfare or presents a significant threat to public health or environment, that such release or threat of release will have a significant impact on the cost of redeveloping the area, that the implementation of the redevelopment plan is reasonably expected to result in the area being redeveloped, the tax base of the affected taxing districts being significantly enhanced thereby, and the creation of a significant number of permanent full time jobs; and
- (7) in the case of a vacant industrial buildings conservation area, that the area is located within the corporate limits of a municipality that has been zoned industrial for at least 5 years before its designation as a project redeveloped area, that it contains one or more industrial buildings, and whether the area has been

designated under Standard One or Standard Two of subsection (f) and the basis for that designation.

- (m) "Redevelopment project" means any public or private development project in furtherance of the objectives of a redevelopment plan. On and after the effective date of this amendatory Act of the 91st General Assembly, no redevelopment plan may be approved or amended to include the development of vacant land (i) with a golf course and related clubhouse and other facilities or (ii) designated by federal, State, county, municipal government as public land for outdoor or recreational activities or for nature preserves and used for that purpose within 5 years prior to the adoption of the redevelopment plan. For the purpose of this subsection, "recreational activities" is limited to mean camping and hunting.
- (n) "Redevelopment project area" means a contiguous area designated by the municipality that is not less in the aggregate than  $1 \frac{1}{2}$  acres, and for which the municipality has made a finding that there exist conditions that cause the area to be classified as an industrial park conservation area, a vacant industrial building conservation area, an environmentally contaminated area or a combination of these types of areas. For purposes of this Division, parcels are contiguous if they touch or join one another in a reasonably substantial physical sense or if they meet the criteria for annexation to a municipality under Section 7-1-1 of this Code.

The changes made by this amendatory Act of the 102nd General Assembly, are declarative of existing law and shall be applied retroactively when substantively applicable, including all pending actions without regard to when the cause of action accrued; however, this amendatory Act of the 102nd General Assembly does not affect the rights of any party that is subject to a final judgment entered pursuant to the opinion of the September 23, 2021 Illinois Supreme Court in Board of Education of Richland School District 88A v. City of Crest Hill, 2021 IL 126444.

- (o) "Redevelopment project costs" means the sum total of all reasonable or necessary costs incurred or estimated to be incurred by the municipality, and any of those costs incidental to a redevelopment plan and a redevelopment project. These costs include, without limitation, the following:
  - (1) Costs of studies, surveys, development of plans, and specifications, implementation and administration of the redevelopment plan, staff and professional service costs for architectural, engineering, legal, marketing, financial, planning, or other services, but no charges for professional services may be based on a percentage of the tax increment collected; except that on and after the effective date of this amendatory Act of the 91st General Assembly, no contracts for professional services, excluding architectural and engineering services, may be

entered into if the terms of the contract extend beyond a period of 3 years. In addition, "redevelopment project costs" shall not include lobbying expenses. After consultation with the municipality, each tax increment consultant or advisor to a municipality that plans to designate or has designated a redevelopment project area shall inform the municipality in writing of any contracts that the consultant or advisor has entered into with entities or individuals that have received, or are receiving, payments financed by tax increment revenues produced by the redevelopment project area with respect to which the consultant or advisor has performed, or will be performing, service for the municipality. This requirement shall be satisfied by the consultant or advisor before the commencement of services for the municipality thereafter whenever any other contracts with those individuals or entities are executed by the consultant or advisor:

- (1.5) After July 1, 1999, annual administrative costs shall not include general overhead or administrative costs of the municipality that would still have been incurred by the municipality if the municipality had not designated a redevelopment project area or approved a redevelopment plan;
- (1.6) The cost of marketing sites within the redevelopment project area to prospective businesses,

developers, and investors.

- (2) Property assembly costs within a redevelopment project area, including but not limited to acquisition of land and other real or personal property or rights or interests therein.
- (3) Site preparation costs, including but not limited to clearance of any area within a redevelopment project area by demolition or removal of any existing buildings, structures, fixtures, utilities and improvements and clearing and grading; and including installation, repair, construction, reconstruction, or relocation of public streets, public utilities, and other public site improvements within or without a redevelopment project area which are essential to the preparation of the redevelopment project area for use in accordance with a redevelopment plan.
- (4) Costs of renovation, rehabilitation, reconstruction, relocation, repair or remodeling of any existing public or private buildings, improvements, and fixtures within a redevelopment project area; and the cost of replacing an existing public building if pursuant to the implementation of a redevelopment project the existing public building is to be demolished to use the site for private investment or devoted to a different use requiring private investment.
  - (5) Costs of construction within a redevelopment

lending institutions as a condition for approval of their financial support, debt or equity, for the redevelopment projects, provided, however, that in the event (i) other federal or State funds have been certified by administrative agency as adequate to pay these costs during the 18 months after the adoption redevelopment plan, or (ii) the municipality has been reimbursed for such costs by persons legally responsible for them, such federal, State, or private funds shall, insofar as possible, be fully expended prior to the use of any revenues deposited in the special tax allocation fund of the municipality and any other such federal, State or private funds received shall be deposited in the fund. The municipality shall seek reimbursement of these costs from persons legally responsible for these costs and the costs of obtaining this reimbursement.

- (7) Costs of job training and retraining projects.
- (8) Financing costs, including but not limited to all necessary and incidental expenses related to the issuance of obligations and which may include payment of interest on any obligations issued under this Act including interest accruing during the estimated period of construction of any redevelopment project for which the obligations are issued and for not exceeding 36 months thereafter and including reasonable reserves related to those costs.

- (9) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves those costs.
  - (10) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or is required to make payment of relocation costs by federal or State law.
    - (11) Payments in lieu of taxes.
  - vocational education or career education, including but not limited to courses in occupational, semi-technical or technical fields leading directly to employment, incurred by one or more taxing districts, if those costs are: (i) related to the establishment and maintenance of additional job training, advanced vocational education or career education programs for persons employed or to be employed by employers located in a redevelopment project area; and (ii) are incurred by a taxing district or taxing districts other than the municipality and are set forth in a written agreement by or among the municipality and the taxing district or taxing district or taxing districts, which agreement describes the program to be undertaken, including but not limited to the number of employees to be trained, a description of

the training and services to be provided, the number and type of positions available or to be available, itemized costs of the program and sources of funds to pay for the same, and the term of the agreement. These costs include, specifically, the payment by community college districts of costs under Sections 3-37, 3-38, 3-40 and 3-40.1 of the Public Community College Act and by school districts of costs under Sections 10-22.20a and 10-23.3a of the School Code.

- (13) The interest costs incurred by redevelopers or other nongovernmental persons in connection with a redevelopment project, and specifically including payments to redevelopers or other nongovernmental persons as reimbursement for such costs incurred by such redeveloper or other nongovernmental person, provided that:
  - (A) interest costs shall be paid or reimbursed by a municipality only pursuant to the prior official action of the municipality evidencing an intent to pay or reimburse such interest costs;
  - (B) such payments in any one year may not exceed 30% of the annual interest costs incurred by the redeveloper with regard to the redevelopment project during that year;
  - (C) except as provided in subparagraph (E), the aggregate amount of such costs paid or reimbursed by a municipality shall not exceed 30% of the total (i)

costs paid or incurred by the redeveloper or other nongovernmental person in that year plus (ii) redevelopment project costs excluding any property assembly costs and any relocation costs incurred by a municipality pursuant to this Act;

- (D) interest costs shall be paid or reimbursed by a municipality solely from the special tax allocation fund established pursuant to this Act and shall not be paid or reimbursed from the proceeds of any obligations issued by a municipality;
- (E) if there are not sufficient funds available in the special tax allocation fund in any year to make such payment or reimbursement in full, any amount of such interest cost remaining to be paid or reimbursed by a municipality shall accrue and be payable when funds are available in the special tax allocation fund to make such payment.
- (14) The costs of construction of new privately owned buildings shall not be an eligible redevelopment project cost.

If a special service area has been established under the Special Service Area Tax Act, then any tax increment revenues derived from the tax imposed thereunder to the Special Service Area Tax Act may be used within the redevelopment project area for the purposes permitted by that Act as well as the purposes permitted by this Act.

"Redevelopment Planning Area" means an area designated by a municipality after the municipality has complied with all the findings and procedures required to a redevelopment project area, including the establish existence of conditions that qualify the area as an industrial park conservation area, or an environmentally contaminated area, or a vacant industrial buildings conservation area, or a combination of these types of areas, and adopted redevelopment plan and project for the planning area and its included redevelopment project areas. The area shall not be designated as a redevelopment planning area for more than 5 years, or 10 years in the case of a redevelopment planning area in the City of Rockford. At any time in the 5 years, or 10 years in the case of the City of Rockford, following that designation of the redevelopment planning municipality may designate the redevelopment planning area, or any portion of the redevelopment planning area, redevelopment project area without making additional findings or complying with additional procedures required for the creation of a redevelopment project area. An amendment of a redevelopment plan and project in accordance with the findings and procedures of this Act after the designation of a redevelopment planning area at any time within the 5 years after the designation of the redevelopment planning area, or 10 years after the designation of the redevelopment planning area in the City of Rockford, shall not require new

- 1 qualification of findings for the redevelopment project area
- 2 to be designated within the redevelopment planning area.
- 3 The terms "redevelopment plan", "redevelopment project",
- 4 and "redevelopment project area" have the definitions set out
- in subsections (1), (m), and (n), respectively.
- 6 (q) "Taxing districts" means counties, townships,
- 7 municipalities, and school, road, park, sanitary, mosquito
- 8 abatement, forest preserve, public health, fire protection,
- 9 river conservancy, tuberculosis sanitarium and any other
- 10 municipal corporations or districts with the power to levy
- 11 taxes.
- 12 (r) "Taxing districts' capital costs" means those costs of
- 13 taxing districts for capital improvements that are found by
- 14 the municipal corporate authorities to be necessary and a
- direct result of the redevelopment project.
- 16 (s) "Urban county" means a county with 240,000 or more
- inhabitants.
- 18 (t) "Vacant area", as used in subsection (a) of this
- 19 Section, means any parcel or combination of parcels of real
- 20 property without industrial, commercial and residential
- 21 buildings that has not been used for commercial agricultural
- 22 purposes within 5 years before the designation of the
- 23 redevelopment project area, unless that parcel is included in
- an industrial park conservation area.
- 25 (Source: P.A. 96-606, eff. 8-24-09.)
- Section 99. Effective date. This Act takes effect upon

1 becoming law.
