

## 102ND GENERAL ASSEMBLY

### State of Illinois

2021 and 2022

SB3209

Introduced 1/14/2022, by Sen. Mike Simmons

#### SYNOPSIS AS INTRODUCED:

225 ILCS 85/3  
225 ILCS 85/43  
305 ILCS 5/5-5.12d

Amends the Pharmacy Practice Act. Provides that the definition of "practice of pharmacy" includes the initiation, dispensing, or administration of drugs, laboratory tests, assessments, referrals, and consultations for human immunodeficiency virus pre-exposure prophylaxis and human immunodeficiency virus post-exposure prophylaxis. Provides that as applicable to the State's Medicaid program and other payers, patient care services ordered and administered by a pharmacist shall be covered and reimbursed at no less than 85% of the rate that the services are covered and reimbursed when ordered or administered by physicians. Provides that a pharmacist shall provide patient care services for human immunodeficiency virus pre-exposure prophylaxis and human immunodeficiency virus post-exposure prophylaxis to a patient after satisfying specified requirements. Amends the Illinois Public Aid Code. Provides that specified provisions concerning coverage of patient care services provided by a pharmacist shall apply to all patient care services provided by a pharmacist (rather than patient care services for hormonal contraceptives assessment and consultation only). Effective immediately.

LRB102 23312 SPS 32478 b

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Pharmacy Practice Act is amended by  
5 changing Sections 3 and 43 as follows:

6 (225 ILCS 85/3)

7 (Section scheduled to be repealed on January 1, 2023)

8 Sec. 3. Definitions. For the purpose of this Act, except  
9 where otherwise limited therein:

10 (a) "Pharmacy" or "drugstore" means and includes every  
11 store, shop, pharmacy department, or other place where  
12 pharmacist care is provided by a pharmacist (1) where drugs,  
13 medicines, or poisons are dispensed, sold or offered for sale  
14 at retail, or displayed for sale at retail; or (2) where  
15 prescriptions of physicians, dentists, advanced practice  
16 registered nurses, physician assistants, veterinarians,  
17 podiatric physicians, or optometrists, within the limits of  
18 their licenses, are compounded, filled, or dispensed; or (3)  
19 which has upon it or displayed within it, or affixed to or used  
20 in connection with it, a sign bearing the word or words  
21 "Pharmacist", "Druggist", "Pharmacy", "Pharmaceutical Care",  
22 "Apothecary", "Drugstore", "Medicine Store", "Prescriptions",  
23 "Drugs", "Dispensary", "Medicines", or any word or words of

1 similar or like import, either in the English language or any  
2 other language; or (4) where the characteristic prescription  
3 sign (Rx) or similar design is exhibited; or (5) any store, or  
4 shop, or other place with respect to which any of the above  
5 words, objects, signs or designs are used in any  
6 advertisement.

7 (b) "Drugs" means and includes (1) articles recognized in  
8 the official United States Pharmacopoeia/National Formulary  
9 (USP/NF), or any supplement thereto and being intended for and  
10 having for their main use the diagnosis, cure, mitigation,  
11 treatment or prevention of disease in man or other animals, as  
12 approved by the United States Food and Drug Administration,  
13 but does not include devices or their components, parts, or  
14 accessories; and (2) all other articles intended for and  
15 having for their main use the diagnosis, cure, mitigation,  
16 treatment or prevention of disease in man or other animals, as  
17 approved by the United States Food and Drug Administration,  
18 but does not include devices or their components, parts, or  
19 accessories; and (3) articles (other than food) having for  
20 their main use and intended to affect the structure or any  
21 function of the body of man or other animals; and (4) articles  
22 having for their main use and intended for use as a component  
23 or any articles specified in clause (1), (2) or (3); but does  
24 not include devices or their components, parts or accessories.

25 (c) "Medicines" means and includes all drugs intended for  
26 human or veterinary use approved by the United States Food and

1 Drug Administration.

2 (d) "Practice of pharmacy" means:

3 (1) the interpretation and the provision of assistance  
4 in the monitoring, evaluation, and implementation of  
5 prescription drug orders;

6 (2) the dispensing of prescription drug orders;

7 (3) participation in drug and device selection;

8 (4) drug administration limited to the administration  
9 of oral, topical, injectable, and inhalation as follows:

10 (A) in the context of patient education on the  
11 proper use or delivery of medications;

12 (B) vaccination of patients 7 years of age and  
13 older pursuant to a valid prescription or standing  
14 order, by a physician licensed to practice medicine in  
15 all its branches, upon completion of appropriate  
16 training, including how to address contraindications  
17 and adverse reactions set forth by rule, with  
18 notification to the patient's physician and  
19 appropriate record retention, or pursuant to hospital  
20 pharmacy and therapeutics committee policies and  
21 procedures. Eligible vaccines are those listed on the  
22 U.S. Centers for Disease Control and Prevention (CDC)  
23 Recommended Immunization Schedule, the CDC's Health  
24 Information for International Travel, or the U.S. Food  
25 and Drug Administration's Vaccines Licensed and  
26 Authorized for Use in the United States. As applicable

1 to the State's Medicaid program and other payers,  
2 vaccines ordered and administered in accordance with  
3 this subsection shall be covered and reimbursed at no  
4 less than the rate that the vaccine is reimbursed when  
5 ordered and administered by a physician;

6 (B-5) following the initial administration of  
7 long-acting or extended-release form opioid  
8 antagonists by a physician licensed to practice  
9 medicine in all its branches, administration of  
10 injections of long-acting or extended-release form  
11 opioid antagonists for the treatment of substance use  
12 disorder, pursuant to a valid prescription by a  
13 physician licensed to practice medicine in all its  
14 branches, upon completion of appropriate training,  
15 including how to address contraindications and adverse  
16 reactions, including, but not limited to, respiratory  
17 depression and the performance of cardiopulmonary  
18 resuscitation, set forth by rule, with notification to  
19 the patient's physician and appropriate record  
20 retention, or pursuant to hospital pharmacy and  
21 therapeutics committee policies and procedures;

22 (C) administration of injections of  
23 alpha-hydroxyprogesterone caproate, pursuant to a  
24 valid prescription, by a physician licensed to  
25 practice medicine in all its branches, upon completion  
26 of appropriate training, including how to address

1           contraindications and adverse reactions set forth by  
2           rule, with notification to the patient's physician and  
3           appropriate record retention, or pursuant to hospital  
4           pharmacy and therapeutics committee policies and  
5           procedures; and

6           (D) administration of injections of long-term  
7           antipsychotic medications pursuant to a valid  
8           prescription by a physician licensed to practice  
9           medicine in all its branches, upon completion of  
10          appropriate training conducted by an Accreditation  
11          Council of Pharmaceutical Education accredited  
12          provider, including how to address contraindications  
13          and adverse reactions set forth by rule, with  
14          notification to the patient's physician and  
15          appropriate record retention, or pursuant to hospital  
16          pharmacy and therapeutics committee policies and  
17          procedures.

18          (5) (blank);

19          (6) drug regimen review;

20          (7) drug or drug-related research;

21          (8) the provision of patient counseling;

22          (9) the practice of telepharmacy;

23          (10) the provision of those acts or services necessary  
24          to provide pharmacist care;

25          (11) medication therapy management;

26          (12) the responsibility for compounding and labeling

1 of drugs and devices (except labeling by a manufacturer,  
2 repackager, or distributor of non-prescription drugs and  
3 commercially packaged legend drugs and devices), proper  
4 and safe storage of drugs and devices, and maintenance of  
5 required records; ~~and~~

6 (13) the assessment and consultation of patients and  
7 dispensing of hormonal contraceptives; ~~and-~~

8 (14) the initiation, dispensing, or administration of  
9 drugs, laboratory tests, assessments, referrals, and  
10 consultations for human immunodeficiency virus  
11 pre-exposure prophylaxis and human immunodeficiency virus  
12 post-exposure prophylaxis.

13 As applicable to the State's Medicaid program and other  
14 payers, patient care services ordered and administered in  
15 accordance with this subsection shall be covered and  
16 reimbursed at no less than 85% of the rate that the services  
17 are covered and reimbursed when ordered or administered by  
18 physicians.

19 A pharmacist who performs any of the acts defined as the  
20 practice of pharmacy in this State must be actively licensed  
21 as a pharmacist under this Act.

22 (e) "Prescription" means and includes any written, oral,  
23 facsimile, or electronically transmitted order for drugs or  
24 medical devices, issued by a physician licensed to practice  
25 medicine in all its branches, dentist, veterinarian, podiatric  
26 physician, or optometrist, within the limits of his or her

1 license, by a physician assistant in accordance with  
2 subsection (f) of Section 4, or by an advanced practice  
3 registered nurse in accordance with subsection (g) of Section  
4 4, containing the following: (1) name of the patient; (2) date  
5 when prescription was issued; (3) name and strength of drug or  
6 description of the medical device prescribed; and (4)  
7 quantity; (5) directions for use; (6) prescriber's name,  
8 address, and signature; and (7) DEA registration number where  
9 required, for controlled substances. The prescription may, but  
10 is not required to, list the illness, disease, or condition  
11 for which the drug or device is being prescribed. DEA  
12 registration numbers shall not be required on inpatient drug  
13 orders. A prescription for medication other than controlled  
14 substances shall be valid for up to 15 months from the date  
15 issued for the purpose of refills, unless the prescription  
16 states otherwise.

17 (f) "Person" means and includes a natural person,  
18 partnership, association, corporation, government entity, or  
19 any other legal entity.

20 (g) "Department" means the Department of Financial and  
21 Professional Regulation.

22 (h) "Board of Pharmacy" or "Board" means the State Board  
23 of Pharmacy of the Department of Financial and Professional  
24 Regulation.

25 (i) "Secretary" means the Secretary of Financial and  
26 Professional Regulation.

1           (j) "Drug product selection" means the interchange for a  
2 prescribed pharmaceutical product in accordance with Section  
3 25 of this Act and Section 3.14 of the Illinois Food, Drug and  
4 Cosmetic Act.

5           (k) "Inpatient drug order" means an order issued by an  
6 authorized prescriber for a resident or patient of a facility  
7 licensed under the Nursing Home Care Act, the ID/DD Community  
8 Care Act, the MC/DD Act, the Specialized Mental Health  
9 Rehabilitation Act of 2013, the Hospital Licensing Act, or the  
10 University of Illinois Hospital Act, or a facility which is  
11 operated by the Department of Human Services (as successor to  
12 the Department of Mental Health and Developmental  
13 Disabilities) or the Department of Corrections.

14           (k-5) "Pharmacist" means an individual health care  
15 professional and provider currently licensed by this State to  
16 engage in the practice of pharmacy.

17           (l) "Pharmacist in charge" means the licensed pharmacist  
18 whose name appears on a pharmacy license and who is  
19 responsible for all aspects of the operation related to the  
20 practice of pharmacy.

21           (m) "Dispense" or "dispensing" means the interpretation,  
22 evaluation, and implementation of a prescription drug order,  
23 including the preparation and delivery of a drug or device to a  
24 patient or patient's agent in a suitable container  
25 appropriately labeled for subsequent administration to or use  
26 by a patient in accordance with applicable State and federal

1 laws and regulations. "Dispense" or "dispensing" does not mean  
2 the physical delivery to a patient or a patient's  
3 representative in a home or institution by a designee of a  
4 pharmacist or by common carrier. "Dispense" or "dispensing"  
5 also does not mean the physical delivery of a drug or medical  
6 device to a patient or patient's representative by a  
7 pharmacist's designee within a pharmacy or drugstore while the  
8 pharmacist is on duty and the pharmacy is open.

9 (n) "Nonresident pharmacy" means a pharmacy that is  
10 located in a state, commonwealth, or territory of the United  
11 States, other than Illinois, that delivers, dispenses, or  
12 distributes, through the United States Postal Service,  
13 commercially acceptable parcel delivery service, or other  
14 common carrier, to Illinois residents, any substance which  
15 requires a prescription.

16 (o) "Compounding" means the preparation and mixing of  
17 components, excluding flavorings, (1) as the result of a  
18 prescriber's prescription drug order or initiative based on  
19 the prescriber-patient-pharmacist relationship in the course  
20 of professional practice or (2) for the purpose of, or  
21 incident to, research, teaching, or chemical analysis and not  
22 for sale or dispensing. "Compounding" includes the preparation  
23 of drugs or devices in anticipation of receiving prescription  
24 drug orders based on routine, regularly observed dispensing  
25 patterns. Commercially available products may be compounded  
26 for dispensing to individual patients only if all of the

1 following conditions are met: (i) the commercial product is  
2 not reasonably available from normal distribution channels in  
3 a timely manner to meet the patient's needs and (ii) the  
4 prescribing practitioner has requested that the drug be  
5 compounded.

6 (p) (Blank).

7 (q) (Blank).

8 (r) "Patient counseling" means the communication between a  
9 pharmacist or a student pharmacist under the supervision of a  
10 pharmacist and a patient or the patient's representative about  
11 the patient's medication or device for the purpose of  
12 optimizing proper use of prescription medications or devices.  
13 "Patient counseling" may include without limitation (1)  
14 obtaining a medication history; (2) acquiring a patient's  
15 allergies and health conditions; (3) facilitation of the  
16 patient's understanding of the intended use of the medication;  
17 (4) proper directions for use; (5) significant potential  
18 adverse events; (6) potential food-drug interactions; and (7)  
19 the need to be compliant with the medication therapy. A  
20 pharmacy technician may only participate in the following  
21 aspects of patient counseling under the supervision of a  
22 pharmacist: (1) obtaining medication history; (2) providing  
23 the offer for counseling by a pharmacist or student  
24 pharmacist; and (3) acquiring a patient's allergies and health  
25 conditions.

26 (s) "Patient profiles" or "patient drug therapy record"

1 means the obtaining, recording, and maintenance of patient  
2 prescription information, including prescriptions for  
3 controlled substances, and personal information.

4 (t) (Blank).

5 (u) "Medical device" or "device" means an instrument,  
6 apparatus, implement, machine, contrivance, implant, in vitro  
7 reagent, or other similar or related article, including any  
8 component part or accessory, required under federal law to  
9 bear the label "Caution: Federal law requires dispensing by or  
10 on the order of a physician". A seller of goods and services  
11 who, only for the purpose of retail sales, compounds, sells,  
12 rents, or leases medical devices shall not, by reasons  
13 thereof, be required to be a licensed pharmacy.

14 (v) "Unique identifier" means an electronic signature,  
15 handwritten signature or initials, thumb print, or other  
16 acceptable biometric or electronic identification process as  
17 approved by the Department.

18 (w) "Current usual and customary retail price" means the  
19 price that a pharmacy charges to a non-third-party payor.

20 (x) "Automated pharmacy system" means a mechanical system  
21 located within the confines of the pharmacy or remote location  
22 that performs operations or activities, other than compounding  
23 or administration, relative to storage, packaging, dispensing,  
24 or distribution of medication, and which collects, controls,  
25 and maintains all transaction information.

26 (y) "Drug regimen review" means and includes the

1 evaluation of prescription drug orders and patient records for  
2 (1) known allergies; (2) drug or potential therapy  
3 contraindications; (3) reasonable dose, duration of use, and  
4 route of administration, taking into consideration factors  
5 such as age, gender, and contraindications; (4) reasonable  
6 directions for use; (5) potential or actual adverse drug  
7 reactions; (6) drug-drug interactions; (7) drug-food  
8 interactions; (8) drug-disease contraindications; (9)  
9 therapeutic duplication; (10) patient laboratory values when  
10 authorized and available; (11) proper utilization (including  
11 over or under utilization) and optimum therapeutic outcomes;  
12 and (12) abuse and misuse.

13 (z) "Electronically transmitted prescription" means a  
14 prescription that is created, recorded, or stored by  
15 electronic means; issued and validated with an electronic  
16 signature; and transmitted by electronic means directly from  
17 the prescriber to a pharmacy. An electronic prescription is  
18 not an image of a physical prescription that is transferred by  
19 electronic means from computer to computer, facsimile to  
20 facsimile, or facsimile to computer.

21 (aa) "Medication therapy management services" means a  
22 distinct service or group of services offered by licensed  
23 pharmacists, physicians licensed to practice medicine in all  
24 its branches, advanced practice registered nurses authorized  
25 in a written agreement with a physician licensed to practice  
26 medicine in all its branches, or physician assistants

1 authorized in guidelines by a supervising physician that  
2 optimize therapeutic outcomes for individual patients through  
3 improved medication use. In a retail or other non-hospital  
4 pharmacy, medication therapy management services shall consist  
5 of the evaluation of prescription drug orders and patient  
6 medication records to resolve conflicts with the following:

7 (1) known allergies;

8 (2) drug or potential therapy contraindications;

9 (3) reasonable dose, duration of use, and route of  
10 administration, taking into consideration factors such as  
11 age, gender, and contraindications;

12 (4) reasonable directions for use;

13 (5) potential or actual adverse drug reactions;

14 (6) drug-drug interactions;

15 (7) drug-food interactions;

16 (8) drug-disease contraindications;

17 (9) identification of therapeutic duplication;

18 (10) patient laboratory values when authorized and  
19 available;

20 (11) proper utilization (including over or under  
21 utilization) and optimum therapeutic outcomes; and

22 (12) drug abuse and misuse.

23 "Medication therapy management services" includes the  
24 following:

25 (1) documenting the services delivered and  
26 communicating the information provided to patients'

1 prescribers within an appropriate time frame, not to  
2 exceed 48 hours;

3 (2) providing patient counseling designed to enhance a  
4 patient's understanding and the appropriate use of his or  
5 her medications; and

6 (3) providing information, support services, and  
7 resources designed to enhance a patient's adherence with  
8 his or her prescribed therapeutic regimens.

9 "Medication therapy management services" may also include  
10 patient care functions authorized by a physician licensed to  
11 practice medicine in all its branches for his or her  
12 identified patient or groups of patients under specified  
13 conditions or limitations in a standing order from the  
14 physician.

15 "Medication therapy management services" in a licensed  
16 hospital may also include the following:

17 (1) reviewing assessments of the patient's health  
18 status; and

19 (2) following protocols of a hospital pharmacy and  
20 therapeutics committee with respect to the fulfillment of  
21 medication orders.

22 (bb) "Pharmacist care" means the provision by a pharmacist  
23 of medication therapy management services, with or without the  
24 dispensing of drugs or devices, intended to achieve outcomes  
25 that improve patient health, quality of life, and comfort and  
26 enhance patient safety.

1 (cc) "Protected health information" means individually  
2 identifiable health information that, except as otherwise  
3 provided, is:

4 (1) transmitted by electronic media;

5 (2) maintained in any medium set forth in the  
6 definition of "electronic media" in the federal Health  
7 Insurance Portability and Accountability Act; or

8 (3) transmitted or maintained in any other form or  
9 medium.

10 "Protected health information" does not include  
11 individually identifiable health information found in:

12 (1) education records covered by the federal Family  
13 Educational Right and Privacy Act; or

14 (2) employment records held by a licensee in its role  
15 as an employer.

16 (dd) "Standing order" means a specific order for a patient  
17 or group of patients issued by a physician licensed to  
18 practice medicine in all its branches in Illinois.

19 (ee) "Address of record" means the designated address  
20 recorded by the Department in the applicant's application file  
21 or licensee's license file maintained by the Department's  
22 licensure maintenance unit.

23 (ff) "Home pharmacy" means the location of a pharmacy's  
24 primary operations.

25 (gg) "Email address of record" means the designated email  
26 address recorded by the Department in the applicant's

1 application file or the licensee's license file, as maintained  
2 by the Department's licensure maintenance unit.

3 (Source: P.A. 101-349, eff. 1-1-20; 102-16, eff. 6-17-21;  
4 102-103, eff. 1-1-22; 102-558, eff. 8-20-21; revised  
5 10-26-21.)

6 (225 ILCS 85/43)

7 (Section scheduled to be repealed on January 1, 2023)

8 Sec. 43. Patient care services provided by a pharmacist  
9 ~~Dispensation of hormonal contraceptives.~~

10 (a) The dispensing of hormonal contraceptives to a patient  
11 shall be pursuant to a valid prescription or standing order by  
12 a physician licensed to practice medicine in all its branches  
13 or the medical director of a local health department, pursuant  
14 to the following:

15 (1) a pharmacist may dispense no more than a 12-month  
16 supply of hormonal contraceptives to a patient;

17 (2) a pharmacist must complete an educational training  
18 program accredited by the Accreditation Council for  
19 Pharmacy Education and approved by the Department that is  
20 related to the patient self-screening risk assessment,  
21 patient assessment contraceptive counseling and education,  
22 and dispensation of hormonal contraceptives;

23 (3) a pharmacist shall have the patient complete the  
24 self-screening risk assessment tool; the self-screening  
25 risk assessment tool is to be based on the most current

1 version of the United States Medical Eligibility Criteria  
2 for Contraceptive Use published by the federal Centers for  
3 Disease Control and Prevention;

4 (4) based upon the results of the self-screening risk  
5 assessment and the patient assessment, the pharmacist  
6 shall use his or her professional and clinical judgment as  
7 to when a patient should be referred to the patient's  
8 physician or another health care provider;

9 (5) a pharmacist shall provide, during the patient  
10 assessment and consultation, counseling and education  
11 about all methods of contraception, including methods not  
12 covered under the standing order, and their proper use and  
13 effectiveness;

14 (6) the patient consultation shall take place in a  
15 private manner; and

16 (7) a pharmacist and pharmacy must maintain  
17 appropriate records.

18 (a-5) A pharmacist shall provide patient care services for  
19 human immunodeficiency virus pre-exposure prophylaxis and  
20 human immunodeficiency virus post-exposure prophylaxis to a  
21 patient, pursuant to the following:

22 (1) a pharmacist shall initiate, dispense, and  
23 administer any medication or laboratory tests and perform  
24 a patient assessment, provide consultation, or any  
25 referral in accordance with the most current version of  
26 the Centers for Disease Control and Prevention, United

1 States Preventive Services Task Force, or generally  
2 recognized evidence-based clinical guidelines; and

3 (2) a pharmacist must provide notification to the  
4 patient's health care provider pursuant to the patient's  
5 authorization and contact information provided by the  
6 patient and ensure appropriate record retention.

7 (b) The Department may adopt rules to implement this  
8 Section.

9 (c) Nothing in this Section shall be interpreted to  
10 require a pharmacist to dispense hormonal contraception under  
11 a standing order issued by a physician licensed to practice  
12 medicine in all its branches or the medical director of a local  
13 health department.

14 (Source: P.A. 102-103, eff. 1-1-22.)

15 Section 10. The Illinois Public Aid Code is amended by  
16 changing Section 5-5.12d as follows:

17 (305 ILCS 5/5-5.12d)

18 Sec. 5-5.12d. Coverage for patient care services ~~for~~  
19 ~~hormonal contraceptives~~ provided by a pharmacist.

20 (a) Subject to approval by the federal Centers for  
21 Medicare and Medicaid Services, the medical assistance  
22 program, including both the fee-for-service and managed care  
23 medical assistance programs established under this Article,  
24 shall cover patient care services provided by a pharmacist ~~for~~

1 ~~hormonal contraceptives assessment and consultation.~~

2 (b) The Department shall establish a fee schedule for  
3 patient care services provided by a pharmacist ~~for hormonal~~  
4 ~~contraceptives assessment and consultation.~~

5 (c) The rate of reimbursement for patient care services  
6 provided by a pharmacist ~~for hormonal contraceptives~~  
7 ~~assessment and consultation~~ shall be at 85% of the fee  
8 schedule for physician services by the medical assistance  
9 program.

10 (d) A pharmacist must be enrolled in the medical  
11 assistance program as an ordering and referring provider prior  
12 to providing patient care service ~~hormonal contraceptives~~  
13 ~~assessment and consultation~~ that is submitted by a pharmacy or  
14 pharmacist provider for reimbursement pursuant to this  
15 Section.

16 (e) The Department shall apply for any necessary federal  
17 waivers or approvals to implement this Section by January 1,  
18 2022.

19 (f) This Section does not restrict or prohibit any  
20 services currently provided by pharmacists as authorized by  
21 law, including, but not limited to, pharmacist services  
22 provided under this Code or authorized under the Illinois  
23 Title XIX State Plan.

24 (g) The Department shall submit to the Joint Committee on  
25 Administrative Rules administrative rules for this Section as  
26 soon as practicable but no later than 6 months after federal

1 approval is received.
