1 AMENDMENT TO SENATE BILL 3633

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3633 on page 13,  
3 line 4, after the period, by inserting the following: "The  
4 documentation required by this paragraph does not apply to a  
5 permitted pollution control facility that transfers or accepts  
6 construction or demolition debris, clean or general, or  
7 uncontaminated soil for final disposal, recycling, or  
8 treatment."; and

9 on page 27, line 16, after the period, by inserting the  
10 following: "The documentation required by this paragraph does  
11 not apply to a permitted pollution control facility that  
12 transfers or accepts construction or demolition debris, clean  
13 or general, or uncontaminated soil for final disposal,  
14 recycling, or treatment."; and

15 on page 47, line 5, after the period, by inserting the  
16 following: "The documentation required by this paragraph does

1 not apply to a permitted pollution control facility that  
2 transfers or accepts construction or demolition debris, clean  
3 or general, or uncontaminated soil for final disposal,  
4 recycling, or treatment."; and

5 on page 70, line 22, after the period, by inserting the  
6 following: "The documentation required by this paragraph does  
7 not apply to a permitted pollution control facility that  
8 transfers or accepts construction or demolition debris, clean  
9 or general, or uncontaminated soil for final disposal,  
10 recycling, or treatment."
