

102ND GENERAL ASSEMBLY

State of Illinois

2021 and 2022

SB3800

Introduced 1/21/2022, by Sen. Karina Villa

SYNOPSIS AS INTRODUCED:

20 ILCS 2310/2310-434 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to publish current workplace COVID-19 data on the COVID-19 portal of the Department's website. Provides that the published data shall serve as an accountability apparatus for companies that hire a majority of low-wage, immigrant workers and that do not follow COVID-19 protection protocols. Requires the Department to continue to publish the information until new COVID-19 cases decrease by 50% over a 3-week period and the percent of COVID-19 positivity in Illinois is less than 5% for 2 consecutive weeks. Provides that an employer of 50 persons or more shall report each week to the Department each case of COVID-19 contracted by the employer's employees if 3 employees or more contract COVID-19 in that week. Provides that an employer who does not report to the Department as required is subject to a civil administrative penalty of \$100 for every required weekly report that is not reported. Effective immediately.

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-434 as follows:

7 (20 ILCS 2310/2310-434 new)

8 Sec. 2310-434. Employer COVID-19 information.

9 (a) The Department shall publish current workplace
10 COVID-19 data, including, but not limited to, COVID-19
11 workplace data from Illinois manufacturers and the Illinois
12 agriculture, hospitality, and food and beverage industries, on
13 the COVID-19 portal of the Department's website. The published
14 data shall serve as an accountability apparatus for companies
15 that hire a majority of low-wage, immigrant workers and that
16 do not follow COVID-19 protection protocols.

17 (b) The Department shall continue to publish the
18 information required under subsection (a) until:

19 (1) new COVID-19 cases decrease by 50% over a 3-week
20 period; and

21 (2) the percent of COVID-19 positivity in Illinois is
22 less than 5% for 2 consecutive weeks.

23 (c) An employer of 50 persons or more shall report each

1 week to the Department each case of COVID-19 contracted by the
2 employer's employees if 3 employees or more contract COVID-19
3 in that week.

4 (d) An employer who does not report to the Department as
5 required under subsection (c) is subject to a civil
6 administrative penalty of \$100 for every required weekly
7 report that is not reported.

8 Section 99. Effective date. This Act takes effect upon
9 becoming law.
