4 The Advisory Board shall formulate and present long range  
5 recommendations to ~~policies for guidance of~~ the Department in:  
6 the protection and conservation of renewable resources of the  
7 State ~~of Illinois~~; the development of areas and facilities for  
8 outdoor recreation; the proper restoration and management of  
9 forest and woodland resources for forest products and  
10 ecosystem services ~~prevention of timber destruction and other~~  
11 ~~forest growth by fire or otherwise~~; the reforestation of  
12 suitable lands of this State; the extension of cooperative  
13 support to other agencies of this State in preventing ~~and~~  
14 ~~guarding against~~ the pollution of streams and lakes within the  
15 State; the management of fish and ~~the~~ wildlife resources and  
16 the habitats upon which they depend, including species of  
17 greatest conservation need ~~migratory fowl, and fisheries~~  
18 ~~resources, including the construction of new water impoundment~~  
19 ~~areas~~; the development of an adequate research program for  
20 fish, wildlife game, and forestry, and conservation of the  
21 State's biodiversity through cooperation with and support of  
22 the Illinois Natural History Survey and the State University  
23 system; the development and dissemination of information and  
24 educational resources that promote a conservation-literate  
25 population; the development of innovative partnerships that  
26 assist the Department in accomplishing its broad mission; the

1 Department's grant programs; and the development of law and  
2 policy ~~expressing of policies for proper dissemination of and~~  
3 ~~enforcement of the various laws~~ pertinent to the conservation  
4 programs ~~program~~ of Illinois and the nation.

5 ~~The Board shall make a study of the personnel structure of~~  
6 ~~the Department and shall, from time to time, make~~  
7 ~~recommendations to the Governor and the Director of Natural~~  
8 ~~Resources for a merit system of employment and for the~~  
9 ~~revision of the position classification to the extent which~~  
10 ~~Civil Service classification should apply in departmental~~  
11 ~~positions.~~

12 The Board may advise on ~~shall make studies of~~ the land  
13 acquisition needs of the Department and make recommendations  
14 from time to time as to necessary acquisition of lands for fish  
15 fisheries, wildlife game, forestry, conservation of natural  
16 areas, and recreational development.

17 The Board may recommend to the Director of Natural  
18 Resources any reductions or increases of seasons and bag or  
19 possession limits or the closure of any season when research  
20 and inventory data indicate the need for those changes.

21 Board members shall be reimbursed for any necessary travel  
22 expenses incurred in the performance of their duties.

25 Section 10. The Wildlife Code is amended by changing

1 Section 1.3 as follows:

2 (520 ILCS 5/1.3)

3 Sec. 1.3. The Department shall have the authority to  
4 manage wildlife and regulate the taking of wildlife for the  
5 purposes of providing public recreation and controlling  
6 wildlife populations. The seasons during which wildlife may be  
7 taken, the methods for taking wildlife, the daily bag limits,  
8 and the possession limits shall be established by the  
9 Department through administrative rule, but the Department may  
10 not provide for a longer season, a larger daily bag limit, or a  
11 larger possession limit than is provided in this Code.

12 ~~The Natural Resources Advisory Board may also recommend to~~  
13 ~~the Director of Natural Resources any reductions or increases~~  
14 ~~of seasons and bag or possession limits or the closure of any~~  
15 ~~season when research and inventory data indicate the need for~~  
16 ~~such changes.~~

17 The Department is authorized to establish seasons for the  
18 taking of migratory birds within the dates established  
19 annually by Proclamation of the Secretary, United States  
20 Department of the Interior, known as the "Rules and  
21 Regulations for Migratory Bird Hunting" (50 CFR 20 et seq.).  
22 When the biological balance of any species is affected, the  
23 Director may ~~with the approval of the Conservation Advisory~~  
24 ~~Board~~, by administrative rule, lengthen, shorten or close the  
25 season during which waterfowl may be taken within the federal

1 limitations prescribed. If the Department does not adopt an  
2 administrative rule establishing a season, then the season  
3 shall be as set forth in the current "Rules and Regulations for  
4 Migratory Bird Hunting". The Department shall advise the  
5 public by reasonable means of the dates of the various  
6 seasons.

7 The Department may utilize the services of the staff of  
8 the Illinois Natural History Survey of the University of  
9 Illinois for making investigations as to the population status  
10 of the various species of wildlife.

11 Employees or agents of any state, federal, or municipal  
12 government or body when engaged in investigational work and  
13 law enforcement, may with prior approval of the Director, be  
14 exempted from the provisions of this Act.

16 Section 15. The Illinois Open Land Trust Act is amended by  
17 changing Sections 15 and 25 as follows:

18 (525 ILCS 33/15)

19 Sec. 15. Powers and duties. The Department of Natural  
20 Resources has the following powers and duties:

21 (a) To develop and administer the Illinois Open Land Trust  
22 program.

23 (b) To acquire real property, including, but not limited  
24 to, open space and natural areas for conservation and

1 recreation purposes. The lands shall be held in (i) fee simple  
2 title or (ii) conservation easements for natural areas,  
3 provided that these mechanisms are all voluntary on the part  
4 of the landowners and do not involve the use of eminent domain.

5 (c) To make grants to units of local government under  
6 Section 25 of this Act ~~in consultation with the Natural~~  
7 ~~Resources Advisory Board.~~

8 (d) To make loans to units of local government under  
9 Section 30 of this Act ~~in consultation with the Natural~~  
10 ~~Resources Advisory Board.~~

11 (e) To promulgate any rules, regulations, guidelines, and  
12 directives necessary to implement the purposes of this Act.

13 (f) To execute contracts, grant or loan agreements,  
14 memoranda of understanding, intergovernmental cooperation  
15 agreements, and any other agreements with other State agencies  
16 and units of local government that are necessary to implement  
17 this Act.

18 (g) To execute contracts, memoranda of understanding, and  
19 any other agreements with not-for-profit corporations that are  
20 consistent with the purpose of this Act.

21 (h) To accept grants, loans, or appropriations from the  
22 federal government or the State, or any agency or  
23 instrumentality thereof, for the purposes of the Department  
24 under this Act, including to make loans of any funds and to  
25 enter into any agreement with the federal government or the  
26 State, or any agency or instrumentality thereof, in

1 relationship to the grants, loans, or appropriations.

2 (i) To establish any interest rates, terms of repayment,  
3 and other terms and conditions regarding loans made pursuant  
4 to this Act that the Department deems necessary or appropriate  
5 to protect the public interest and carry out the purposes of  
6 this Act.

7 (j) To establish application, eligibility, selection,  
8 notification, contract, and other procedures, rules, or  
9 regulations deemed necessary and appropriate to carry out the  
10 provisions of this Act.

11 (k) To fix, determine, charge, and collect any premiums,  
12 fees, charges, costs, and expenses, including, without  
13 limitation, any application fees, commitment fees, program  
14 fees, or financing charges from any person in connection with  
15 its activities under this Act.

16 (l) To report annually to the Governor and the General  
17 Assembly on the progress made in implementing this Act and on  
18 the status of all real property acquired pursuant to the Act.

19 (Source: P.A. 91-220, eff. 7-21-99.)

20 (525 ILCS 33/25)

21 Sec. 25. Grant program. From appropriations for these  
22 purposes, the Department may make grants to units of local  
23 government as financial assistance for the acquisition of open  
24 space and natural lands if the Department determines that the  
25 property interests are sufficient to carry out the purposes of

1 this Act.

2 The Department shall adopt rules concerning the selection  
3 or grant recipients, amount of grant awards, and eligibility  
4 requirements. The rules must include the following additional  
5 requirements:

6 (1) No more than \$2,000,000 may be awarded to any  
7 grantee for a single project for any fiscal year.

8 (2) Any grant under this Act must be conditioned upon  
9 the grantee providing a required match as defined by rule.

10 (3) Funds may be used only to purchase interests in  
11 land from willing sellers and may not involve the use of  
12 eminent domain.

13 (4) (Blank). ~~The Department shall provide for a public~~  
14 ~~meeting to be conducted by the Natural Resources Advisory~~  
15 ~~Board prior to grant approval.~~

16 (5) All real property acquired with grant funds must  
17 be accessible to the public for conservation and  
18 recreation purposes, unless the Department determines that  
19 public accessibility would be detrimental to the real  
20 property or any associated natural resources.

21 (6) No real property acquired with grant funds may be  
22 sold, leased, exchanged, or otherwise encumbered, unless  
23 it is used to qualify for a federal program or, subject to  
24 Department approval, transferred to the federal  
25 government, the State, or a unit of local government for  
26 conservation and recreation purposes consistent with this

1 Act.

2 (7) All grantees must agree to convey to the State at  
3 no charge a conservation easement on the lands to be  
4 acquired using the grant funds.

5 (8) Grantees must agree to manage lands in accordance  
6 with the terms of the grant. Any changes in management  
7 must be approved by the Department before implementation.

8 (9) The Department is authorized to promulgate, by  
9 rule, any other reasonable requirements determined  
10 necessary to effectively implement this Act.
