12 states.

13 (b) The plan shall take into account relevant economic
14 data, including input from local economic development
15 officials, and identify and develop specific strategies for
16 utilizing the assets of those regions of the State located
17 geographically close to bordering states, so that those
18 regions may better compete economically with bordering states.

19 (c) The plan shall include the following:

20 (1) an assessment of the economic development
21 practices of bordering states;

22 (2) a comparative assessment of the economic
23 development practices of this State;

1 (3) recommendations for best practices with respect to
2 economic development, business incentives, business
3 attraction, and business retention for regions in Illinois
4 that border at least one other state;

5 (4) identification of existing State services and
6 resources that would assist businesses and municipalities
7 in being more economically competitive with bordering
8 states; ~~and~~

9 (5) any other resource that may assist businesses and
10 municipalities located geographically close to bordering
11 states that the Department deems necessary and relevant
12 under this Act;~~:-~~

13 (6) notification to all small businesses and
14 municipalities of funding opportunities that the State of
15 Illinois and the federal government are offering to small
16 businesses and municipalities; and

17 (7) notification to all small businesses and
18 municipalities of new restrictions placed upon communities
19 as it relates to the COVID-19 public health emergency.

20 (d) The information and resources collected and
21 established by the Department under this Act shall be
22 available to the public and posted on the Department's
23 Internet website.
