6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public  
9 record that contains information that is exempt from  
10 disclosure under this Section, but also contains information  
11 that is not exempt from disclosure, the public body may elect  
12 to redact the information that is exempt. The public body  
13 shall make the remaining information available for inspection  
14 and copying. Subject to this requirement, the following shall  
15 be exempt from inspection and copying:

16 (a) Information specifically prohibited from  
17 disclosure by federal or State law or rules and  
18 regulations implementing federal or State law.

20 by another provision of this Act, a State or federal law or  
21 a court order.

22 (b-5) Files, documents, and other data or databases

4 (c) Personal information contained within public  
5 records, the disclosure of which would constitute a  
6 clearly unwarranted invasion of personal privacy, unless  
7 the disclosure is consented to in writing by the  
8 individual subjects of the information. "Unwarranted  
9 invasion of personal privacy" means the disclosure of  
10 information that is highly personal or objectionable to a  
11 reasonable person and in which the subject's right to  
12 privacy outweighs any legitimate public interest in  
13 obtaining the information. The disclosure of information  
14 that bears on the public duties of public employees and  
15 officials shall not be considered an invasion of personal  
16 privacy.

17 (d) Records in the possession of any public body  
18 created in the course of administrative enforcement  
19 proceedings, and any law enforcement or correctional  
20 agency for law enforcement purposes, but only to the  
21 extent that disclosure would:

22 (i) interfere with pending or actually and  
23 reasonably contemplated law enforcement proceedings  
24 conducted by any law enforcement or correctional  
25 agency that is the recipient of the request;

26 (ii) interfere with active administrative

9 who file complaints with or provide information to  
10 administrative, investigative, law enforcement, or  
11 penal agencies; except that the identities of  
12 witnesses to traffic accidents, traffic accident  
13 reports, and rescue reports shall be provided by  
14 agencies of local government, except when disclosure  
15 would interfere with an active criminal investigation  
16 conducted by the agency that is the recipient of the  
17 request;

18 (v) disclose unique or specialized investigative  
19 techniques other than those generally used and known  
20 or disclose internal documents of correctional  
21 agencies related to detection, observation or  
22 investigation of incidents of crime or misconduct, and  
23 disclosure would result in demonstrable harm to the  
24 agency or public body that is the recipient of the  
25 request;

26 (vi) endanger the life or physical safety of law

1 enforcement personnel or any other person; or

2 (vii) obstruct an ongoing criminal investigation  
3 by the agency that is the recipient of the request.

5 enforcement purposes and contained in a shared electronic  
6 record management system if the law enforcement agency  
7 that is the recipient of the request did not create the  
8 record, did not participate in or have a role in any of the  
9 events which are the subject of the record, and only has  
10 access to the record through the shared electronic record  
11 management system.

14 Department of Corrections, Department of Human Services

19           (e-9) Records requested by a person in a county jail  
20 or committed to the Department of Corrections or

25          trade secrets or commercial or financial information would  
26          cause competitive harm to the person or business, and only

1           insofar as the claim directly applies to the records  
2           requested.

3           The information included under this exemption includes  
4           all trade secrets and commercial or financial information  
5           obtained by a public body, including a public pension
