1           WHEREAS, The Covid-19 pandemic has financially decimated  
2 Illinois' economy, and transportation user fees have dropped  
3 more than \$300 million dollars in 2020 due to the necessary  
4 restrictions on travel and stay-at-home orders; and

5           WHEREAS, The projected revenue sources for the vertical  
6 construction program of Rebuild Illinois have dropped over 40  
7 percent due to the COVID-19 pandemic and the resulting  
8 stay-at-home orders; and

9           WHEREAS, Every dollar invested in infrastructure spending  
10 returns \$1.57 to local economies, and failure to invest in  
11 infrastructure will further harm the local economies and  
12 prolong the State's recovery; and

13           WHEREAS, The United States Congress has passed the  
14 American Rescue Plan that will provide over \$13 billion  
15 dollars in economic relief to address the needs of families,  
16 businesses, local governments, and schools that have been  
17 impacted by COVID-19 and the resulting economic crisis;  
18 therefore, be it

19           RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL  
20 ASSEMBLY OF THE STATE OF ILLINOIS, that the members of the  
21 General Assembly and the Governor's Administration are urged  
22 to invest our transportation and infrastructure dollars as

1 promised under Rebuild Illinois to make good on our collective  
2 commitment to fix our roads, bridges, and schools while  
3 creating jobs and opportunities for all residents of Illinois.
