103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB2366

Introduced 2/14/2023, by Rep. Lakesia Collins

SYNOPSIS AS INTRODUCED:

105 ILCS 5/2-3.152

Amends the School Code. Provides that the provisions concerning community schools apply beginning with the 2024-2025 (rather than 2009-2010) school year. Makes changes to the legislative findings, including replacing a description of a community school. Provides that grants for community schools are subject to the availability of State or federal funding (rather than the availability of funding). Removes certain grant proposal provisions. Changes the requirements to qualify for a grant. Effective June 1, 2024.

HB2366

1

AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The School Code is amended by changing Section
2-3.152 as follows:

6 (105 ILCS 5/2-3.152)

7 Sec. 2-3.152. Community schools.

8 (a) This Section applies beginning with the <u>2024-2025</u>
9 2009-2010 school year.

10 (b) The General Assembly finds all of the following:

11 (1) All children are capable of success.

12 (2) Schools are the centers of vibrant communities.

13 (3) Strong families build strong educational14 communities.

- 15 (4) Children succeed when adults work together to16 foster positive educational outcomes.
- 17 (5) Schools work best when families take active roles18 in the education of children.

19 (6) Schools today are limited in their ability to 20 dedicate time and resources to provide a wide range of 21 educational opportunities to students because of the focus 22 on standardized test outcomes.

23

(7) By providing learning opportunities outside of

1 normal school hours, including programs on life skills and health, students are more successful academically, more 2 3 engaged in their communities, safer, and better prepared to make a successful transition from school to adulthood.

5 (8) A community school is a public school that 6 establishes a set of strategic partnerships between the 7 school and other community resources that promote student achievement, positive learning conditions, and the 8 9 well-being of students by providing wraparound services. traditional school that actively partners with its 10 11 community to leverage existing resources and identify new 12 resources to support the transformation of the school to provide enrichment and additional life skill opportunities 13 14 for students, parents, and community members at-large. 15 Each community school is unique because its programming is 16 designed by and for the school staff, in partnership with 17 parents, community stakeholders, and students.

(9) Community schools currently exist in this State in 18 19 urban, rural, and suburban communities.

20 (10) Research shows that community schools have a 21 powerful positive impact on students, as demonstrated by 22 increased academic success, a positive change in attitudes 23 toward school and learning, and decreased behavioral 24 problems.

25 (11) After-school and evening programs offered by 26 community schools provide academic enrichment consistent with the Illinois Learning Standards and general school curriculum; an opportunity for physical fitness activities for students, fine arts programs, structured learning "play" time, and other recreational opportunities; a safe haven for students; and work supports for working families.

7 (12) Community schools are cost-effective because they
8 leverage existing resources provided by local, State,
9 federal, and private sources and bring programs to the
10 schools, where the students are already congregated.
11 Community schools have been shown to leverage between \$5
12 to \$8 in existing programming for every \$1 spent on a
13 community school.

14 (c) Subject to an appropriation or the availability of 15 State or federal funding for such purposes, the State Board of 16 Education shall make grants available to fund community 17 schools and to enhance programs at community schools. A request for proposal process must be used in awarding grants 18 19 under this subsection (c). Proposals may be submitted on behalf of a school, a school district, or a consortium of 2 or 20 21 more schools or school districts. Proposals must be evaluated 22 and scored on the basis of criteria consistent with this 23 Section and other factors developed and adopted by the State Board of Education. Technical assistance in grant writing must 24 25 be made available to schools, school districts, or consortia of school districts through the State Board of Education 26
