

103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB2525

Introduced 2/15/2023, by Rep. Jenn Ladisch Douglass

SYNOPSIS AS INTRODUCED:

20 ILCS 2705/2705-617 new

Amends the Department of Transportation Law of the Civil Administrative Code of Illinois. Provides that by no later than January 1, 2028, the Department shall install direct current electric vehicle charging stations at each rest stop along each interstate highway in this State. Provides that, subject to approval by the United States Secretary of Transportation, the Department may charge an electric vehicle charging fee in an amount no greater than what is necessary to offset the cost to the State in constructing and maintaining the charging infrastructure and procuring electricity.

LRB103 26747 MXP 53110 b

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Department of Transportation Law of the
5 Civil Administrative Code of Illinois is amended by adding
6 Section 2705-617 as follows:

7 (20 ILCS 2705/2705-617 new)

8 Sec. 2705-617. Direct current charging at rest stops. By
9 no later than January 1, 2028, the Department shall install
10 direct current electric vehicle charging stations at each rest
11 stop along each interstate highway in this State. Subject to
12 approval by the United States Secretary of Transportation, the
13 Department may charge an electric vehicle charging fee in an
14 amount no greater than what is necessary to offset the cost to
15 the State in constructing and maintaining the charging
16 infrastructure and procuring electricity.
