14 Sec. 30. Menstrual hygiene products in public restrooms.

15 (a) The General Assembly finds that:

1 (1) menstrual hygiene products are a health care
2 necessity and not an item that can be forgone or
3 substituted easily; and

4 (2) access to menstrual hygiene products is a serious
5 and ongoing need in this State.

6 (b) As used in this Section:

7 "Menstrual hygiene products" means tampons and sanitary
8 napkins for use in connection with the menstrual cycle.

9 "Public restroom" means any public toilet facility that is
10 available without preference to any specific gender or any
11 public toilet facility that is available only to women.

12 "Public restroom" does not include any public toilet facility
13 in a mosque, temple, church, and other places of worship if the
14 provision of menstrual hygiene products would conflict with
15 the entity's sincerely held religious beliefs, practices, or
16 observances.

17 (c) This Section applies to any existing or future public
18 buildings, as that term is defined in Section 18.

19 (d) Notwithstanding any other provision of law, the owner
20 of a public restroom shall make available and accessible in
21 that public restroom menstrual hygiene products at no cost and
22 shall be responsible for ordering, stocking, and replenishing
23 the supply of those products in that restroom. This subsection
24 does not apply to the Department of Natural Resources, which,
25 subject to appropriation, may establish a pilot program to
26 make menstrual hygiene products available, at no cost to the

1 public, in each public restroom that is equipped with flush
2 toilets and serviced daily at 5 State parks under the
3 jurisdiction and control of the Department of Natural
4 Resources.

5 (e) During any inspection of a public building by a health
6 officer or health inspector, the health officer or health
7 inspector may inspect the public building to determine whether
8 it complies with this Section.

9 (f) The Department of Public Health shall adopt rules to
10 implement this Section.
