1 AMENDMENT TO HOUSE BILL 3563

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 3563 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Innovation and Technology  
5 Act is amended by adding Section 1-80 as follows:

6 (20 ILCS 1370/1-80 new)

7 Sec. 1-80. Generative AI and Natural Language Processing  
8 Task Force.

9 (a) As used in this Section, "Task Force" means the  
10 Generative AI and Natural Language Processing Task Force  
11 established by this Section.

12 (b) The Department shall establish the Generative AI and  
13 Natural Language Processing Task Force. The Task Force shall  
14 investigate and provide a report on generative artificial  
15 intelligence software and natural language processing  
16 software.

1       (c) The Task Force shall be composed of all of the  
2 following members:

3           (1) One member appointed by the Speaker of the House  
4 of Representatives, who shall serve as a co-chairperson.

5           (2) One member appointed by the Minority Leader of the  
6 House of Representatives.

7           (3) One member appointed by the President of the  
8 Senate, who shall serve as a co-chairperson.

9           (4) One member appointed by the Minority Leader of the  
10 Senate.

11           (5) The Director of Innovation and Technology or his  
12 or her designee.

13           (6) The State Superintendent of Education or his or  
14 her designee.

15           (7) The Executive Director of the Community College  
16 Board or his or her designee.

17           (8) The Executive Director of the Board of Higher  
18 Education or his or her designee.

19           (9) Two teachers recommended by a statewide teachers  
20 association, appointed by the Governor.

21           (10) Two principals recommended by a statewide  
22 principals association, appointed by the Governor.

23           (11) Two experts on cybersecurity, appointed by the  
24 Governor.

25           (12) Two experts on artificial intelligence, appointed  
26 by the Governor.

1           (13) Two members of statewide business associations,  
2           appointed by the Governor.

3           (14) Two members of statewide labor associations,  
4           appointed by the Governor.

5           (d) The Task Force shall hold at least 5 public meetings in  
6           a hybrid format, with both virtual and in-person options to  
7           attend. Of those required 5 meetings one shall be held in each  
8           of the following locations:

9           (1) Chicago;

10          (2) Springfield;

11          (3) Metro East region;

12          (4) Quad Cities region; and

13          (5) Southern Illinois.

14          (e) The responsibilities of the Task Force shall include  
15          all of the following:

16          (1) recommending legislation or regulations to protect  
17          consumer information as it relates to this kind of AI;

18          (2) recommending model policies for schools to address  
19          AI use by students in the classroom;

20          (3) assessing the use of AI to improve delivery of  
21          public services;

22          (5) protecting civil rights and civil liberties of  
23          individuals and consumers as it relates to AI;

24          (6) assessing the use of AI in the workforce and how  
25          this could affect employment levels, types of employment,  
26          and the deployment of workers;

1           (7) assessing the challenges of AI for cybersecurity;

2           and

3           (8) other topics related to generative artificial

4           intelligence software and natural language processing

5           software that may arise from testimony or reports to the

6           Task Force submitted by its members or the public.

7           (f) The Department shall provide administrative and

8           technical support to the Task Force.

9           (g) The Task Force shall provide a report to the Governor

10          and the General Assembly covering the Task Force's

11          investigation into generative artificial intelligence software

12          and natural language processing software and the Task Force's

13          responsibilities under subsection (e)."
