1 AN ACT concerning criminal law.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Crime Reduction Act of 2009 is
5 amended by changing Section 20 as follows:

6 (730 ILCS 190/20)

7 Sec. 20. Adult Redeploy Illinois.

8 (a) Purpose. When offenders are accurately assessed for
9 risk, assets, and needs, it is possible to identify which
10 people should be sent to prison and which people can be
11 effectively supervised in the locality. By providing financial
12 incentives to counties or judicial circuits to create
13 effective local-level evidence-based services, it is possible
14 to reduce crime and recidivism at a lower cost to taxpayers.
15 Based on this model, this Act hereby creates the Adult
16 Redeploy Illinois program for probation-eligible offenders in
17 order to increase public safety and encourage the successful
18 local supervision of eligible offenders and their
19 reintegration into the locality.

20 (b) The Adult Redeploy Illinois program shall reallocate
21 State funds to local jurisdictions that successfully establish
22 a process to assess offenders and provide a continuum of
23 locally based sanctions and treatment alternatives for

1 offenders who would be incarcerated in a State facility if
2 those local services and sanctions did not exist. The
3 allotment of funds shall be based on a formula that rewards
4 local jurisdictions for the establishment or expansion of
5 local supervision programs and requires them to pay the amount
6 determined in subsection (e) if incarceration targets as
7 defined in subsection (e) are not met.

8 (c) Each county or circuit participating in the Adult
9 Redeploy Illinois program shall create a local plan describing
10 how it will protect public safety and reduce the county or
11 circuit's utilization of incarceration in State facilities or
12 local county jails by the creation or expansion of
13 individualized services or programs.

14 (d) Based on the local plan, a county or circuit shall
15 enter into an agreement with the Adult Redeploy Oversight
16 Board described in subsection (e) to reduce the number of
17 commitments of probation-eligible offenders to State
18 correctional facilities from that county or circuit. The
19 agreement shall include a pledge from the county or circuit to
20 reduce their commitments by 25% of the level of commitments
21 from the average number of commitments for the past 3 years of
22 eligible offenders. In return, the county or circuit shall
23 receive, based upon a formula described in subsection (e),
24 funds to redeploy for local programming for offenders who
25 would otherwise be incarcerated such as management and
26 supervision, electronic monitoring, and drug testing. The

1 county or circuit shall also be penalized, as described in
2 subsection (e), for failure to reach the goal of reduced
3 commitments stipulated in the agreement.

4 (d-5) Subject to appropriation to the Illinois Criminal
5 Justice Information Authority, the Adult Redeploy Illinois
6 Oversight Board described in subsection (e) may provide grant
7 funds to qualified organizations that can assist local
8 jurisdictions in training, development, and technical
9 assistance.
