23 (105 ILCS 5/27A-5)

24 (Text of Section before amendment by P.A. 102-466 and
25 103-472)

1 Sec. 27A-5. Charter school; legal entity; requirements.

2 (a) A charter school shall be a public, nonsectarian,
3 nonreligious, non-home based, and non-profit school. A charter
4 school shall be organized and operated as a nonprofit
5 corporation or other discrete, legal, nonprofit entity
6 authorized under the laws of the State of Illinois.

7 (b) A charter school may be established under this Article
8 by creating a new school or by converting an existing public
9 school or attendance center to charter school status. In all
10 new applications to establish a charter school in a city
11 having a population exceeding 500,000, operation of the
12 charter school shall be limited to one campus. This limitation
13 does not apply to charter schools existing or approved on or
14 before April 16, 2003.

15 (b-5) (Blank).

16 (c) A charter school shall be administered and governed by
17 its board of directors or other governing body in the manner
18 provided in its charter. The governing body of a charter
19 school shall be subject to the Freedom of Information Act and
20 the Open Meetings Act. A charter school's board of directors
21 or other governing body must include at least one parent or
22 guardian of a pupil currently enrolled in the charter school
23 who may be selected through the charter school or a charter
24 network election, appointment by the charter school's board of
25 directors or other governing body, or by the charter school's
26 Parent Teacher Organization or its equivalent.

1 (c-5) No later than January 1, 2021 or within the first
2 year of his or her first term, every voting member of a charter
3 school's board of directors or other governing body shall
4 complete a minimum of 4 hours of professional development
5 leadership training to ensure that each member has sufficient
6 familiarity with the board's or governing body's role and
7 responsibilities, including financial oversight and
8 accountability of the school, evaluating the principal's and
9 school's performance, adherence to the Freedom of Information
10 Act and the Open Meetings Act, and compliance with education
11 and labor law. In each subsequent year of his or her term, a
12 voting member of a charter school's board of directors or
13 other governing body shall complete a minimum of 2 hours of
14 professional development training in these same areas. The
15 training under this subsection may be provided or certified by
16 a statewide charter school membership association or may be
17 provided or certified by other qualified providers approved by
18 the State Board.

19 (d) For purposes of this subsection (d), "non-curricular
20 health and safety requirement" means any health and safety
21 requirement created by statute or rule to provide, maintain,
22 preserve, or safeguard safe or healthful conditions for
23 students and school personnel or to eliminate, reduce, or
24 prevent threats to the health and safety of students and
25 school personnel. "Non-curricular health and safety
26 requirement" does not include any course of study or

1 specialized instructional requirement for which the State
2 Board has established goals and learning standards or which is
3 designed primarily to impart knowledge and skills for students
4 to master and apply as an outcome of their education.

5 A charter school shall comply with all non-curricular
6 health and safety requirements applicable to public schools
7 under the laws of the State of Illinois. The State Board shall
8 promulgate and post on its Internet website a list of
9 non-curricular health and safety requirements that a charter
10 school must meet. The list shall be updated annually no later
11 than September 1. Any charter contract between a charter
12 school and its authorizer must contain a provision that
13 requires the charter school to follow the list of all
14 non-curricular health and safety requirements promulgated by
15 the State Board and any non-curricular health and safety
16 requirements added by the State Board to such list during the
17 term of the charter. Nothing in this subsection (d) precludes
18 an authorizer from including non-curricular health and safety
19 requirements in a charter school contract that are not
20 contained in the list promulgated by the State Board,
21 including non-curricular health and safety requirements of the
22 authorizing local school board.

23 (e) Except as otherwise provided in the School Code, a
24 charter school shall not charge tuition; provided that a
25 charter school may charge reasonable fees for textbooks,
26 instructional materials, and student activities.

1 (f) A charter school shall be responsible for the
2 management and operation of its fiscal affairs, including, but
3 not limited to, the preparation of its budget. An audit of each
4 charter school's finances shall be conducted annually by an
5 outside, independent contractor retained by the charter
6 school. The contractor shall not be an employee of the charter
7 school or affiliated with the charter school or its authorizer
8 in any way, other than to audit the charter school's finances.
9 To ensure financial accountability for the use of public
10 funds, on or before December 1 of every year of operation, each
11 charter school shall submit to its authorizer and the State
12 Board a copy of its audit and a copy of the Form 990 the
13 charter school filed that year with the federal Internal
14 Revenue Service. In addition, if deemed necessary for proper
15 financial oversight of the charter school, an authorizer may
16 require quarterly financial statements from each charter
17 school.

18 (g) A charter school shall comply with all provisions of
19 this Article, the Illinois Educational Labor Relations Act,
20 all federal and State laws and rules applicable to public
21 schools that pertain to special education and the instruction
22 of English learners, and its charter. A charter school is
23 exempt from all other State laws and regulations in this Code
24 governing public schools and local school board policies;
25 however, a charter school is not exempt from the following:

26 (1) Sections 10-21.9 and 34-18.5 of this Code

20 The change made by Public Act 96-104 to this subsection

21 (g) is declaratory of existing law.

22 (h) A charter school may negotiate and contract with a

23 school district, the governing body of a State college or

24 university or public community college, or any other public or

1 facilities that the charter school desires to use or convert
2 for use as a charter school site, (ii) the operation and
3 maintenance thereof, and (iii) the provision of any service,
4 activity, or undertaking that the charter school is required
5 to perform in order to carry out the terms of its charter.
6 Except as provided in subsection (i) of this Section, a school
7 district may charge a charter school reasonable rent for the
8 use of the district's buildings, grounds, and facilities. Any
9 services for which a charter school contracts with a school
10 district shall be provided by the district at cost. Any

12 school board or with the governing body of a State college or
13 university or public community college shall be provided by

11 Sec. 27A-5. Charter school; legal entity; requirements.

12 (a) A charter school shall be a public, nonsectarian,
13 nonreligious, non-home based, and non-profit school. A charter
14 school shall be organized and operated as a nonprofit
15 corporation or other discrete, legal, nonprofit entity
16 authorized under the laws of the State of Illinois.

17 (b) A charter school may be established under this Article
18 by creating a new school or by converting an existing public
19 school or attendance center to charter school status. In all
20 new applications to establish a charter school in a city
21 having a population exceeding 500,000, operation of the
22 charter school shall be limited to one campus. This limitation
23 does not apply to charter schools existing or approved on or
24 before April 16, 2003.

25 (b-5) (Blank).

1 (c) A charter school shall be administered and governed by
2 its board of directors or other governing body in the manner
3 provided in its charter. The governing body of a charter
4 school shall be subject to the Freedom of Information Act and
5 the Open Meetings Act. A charter school's board of directors
6 or other governing body must include at least one parent or
7 guardian of a pupil currently enrolled in the charter school
8 who may be selected through the charter school or a charter
9 network election, appointment by the charter school's board of
10 directors or other governing body, or by the charter school's
11 Parent Teacher Organization or its equivalent.

12 (c-5) No later than January 1, 2021 or within the first
13 year of his or her first term, every voting member of a charter
14 school's board of directors or other governing body shall
15 complete a minimum of 4 hours of professional development
16 leadership training to ensure that each member has sufficient
17 familiarity with the board's or governing body's role and
18 responsibilities, including financial oversight and
19 accountability of the school, evaluating the principal's and
20 school's performance, adherence to the Freedom of Information
21 Act and the Open Meetings Act, and compliance with education
22 and labor law. In each subsequent year of his or her term, a
23 voting member of a charter school's board of directors or
24 other governing body shall complete a minimum of 2 hours of
25 professional development training in these same areas. The
26 training under this subsection may be provided or certified by

1 a statewide charter school membership association or may be
2 provided or certified by other qualified providers approved by
3 the State Board.

4 (d) For purposes of this subsection (d), "non-curricular
5 health and safety requirement" means any health and safety
6 requirement created by statute or rule to provide, maintain,
7 preserve, or safeguard safe or healthful conditions for
8 students and school personnel or to eliminate, reduce, or
9 prevent threats to the health and safety of students and
10 school personnel. "Non-curricular health and safety
11 requirement" does not include any course of study or
12 specialized instructional requirement for which the State
13 Board has established goals and learning standards or which is
14 designed primarily to impart knowledge and skills for students
15 to master and apply as an outcome of their education.

16 A charter school shall comply with all non-curricular
17 health and safety requirements applicable to public schools
18 under the laws of the State of Illinois. The State Board shall
19 promulgate and post on its Internet website a list of
20 non-curricular health and safety requirements that a charter
21 school must meet. The list shall be updated annually no later
22 than September 1. Any charter contract between a charter
23 school and its authorizer must contain a provision that
24 requires the charter school to follow the list of all
25 non-curricular health and safety requirements promulgated by
26 the State Board and any non-curricular health and safety

1 requirements added by the State Board to such list during the
2 term of the charter. Nothing in this subsection (d) precludes
3 an authorizer from including non-curricular health and safety
4 requirements in a charter school contract that are not
5 contained in the list promulgated by the State Board,
6 including non-curricular health and safety requirements of the
7 authorizing local school board.

8 (e) Except as otherwise provided in the School Code, a
9 charter school shall not charge tuition; provided that a
10 charter school may charge reasonable fees for textbooks,
11 instructional materials, and student activities.

12 (f) A charter school shall be responsible for the
13 management and operation of its fiscal affairs, including, but
14 not limited to, the preparation of its budget. An audit of each
15 charter school's finances shall be conducted annually by an
16 outside, independent contractor retained by the charter
17 school. The contractor shall not be an employee of the charter
18 school or affiliated with the charter school or its authorizer
19 in any way, other than to audit the charter school's finances.
20 To ensure financial accountability for the use of public
21 funds, on or before December 1 of every year of operation, each
22 charter school shall submit to its authorizer and the State
23 Board a copy of its audit and a copy of the Form 990 the
24 charter school filed that year with the federal Internal
25 Revenue Service. In addition, if deemed necessary for proper
26 financial oversight of the charter school, an authorizer may

1 require quarterly financial statements from each charter
2 school.

3 (g) A charter school shall comply with all provisions of
4 this Article, the Illinois Educational Labor Relations Act,
5 all federal and State laws and rules applicable to public
6 schools that pertain to special education and the instruction
7 of English learners, and its charter. A charter school is
8 exempt from all other State laws and regulations in this Code
9 governing public schools and local school board policies;
10 however, a charter school is not exempt from the following:

11 (1) Sections 10-21.9 and 34-18.5 of this Code
12 regarding criminal history records checks and checks of
13 the Statewide Sex Offender Database and Statewide Murderer

26 (c-5) No later than January 1, 2021 or within the first

1 year of his or her first term, every voting member of a charter
2 school's board of directors or other governing body shall
3 complete a minimum of 4 hours of professional development
4 leadership training to ensure that each member has sufficient
5 familiarity with the board's or governing body's role and
6 responsibilities, including financial oversight and
7 accountability of the school, evaluating the principal's and
8 school's performance, adherence to the Freedom of Information
9 Act and the Open Meetings Act, and compliance with education
10 and labor law. In each subsequent year of his or her term, a
11 voting member of a charter school's board of directors or
12 other governing body shall complete a minimum of 2 hours of
13 professional development training in these same areas. The
14 training under this subsection may be provided or certified by
15 a statewide charter school membership association or may be
16 provided or certified by other qualified providers approved by
17 the State Board.

18 (d) For purposes of this subsection (d), "non-curricular
19 health and safety requirement" means any health and safety
20 requirement created by statute or rule to provide, maintain,
21 preserve, or safeguard safe or healthful conditions for
22 students and school personnel or to eliminate, reduce, or
23 prevent threats to the health and safety of students and
24 school personnel. "Non-curricular health and safety
25 requirement" does not include any course of study or
26 specialized instructional requirement for which the State

1 Board has established goals and learning standards or which is
2 designed primarily to impart knowledge and skills for students
3 to master and apply as an outcome of their education.

4 A charter school shall comply with all non-curricular
5 health and safety requirements applicable to public schools
6 under the laws of the State of Illinois. The State Board shall
7 promulgate and post on its Internet website a list of
8 non-curricular health and safety requirements that a charter
9 school must meet. The list shall be updated annually no later
10 than September 1. Any charter contract between a charter
11 school and its authorizer must contain a provision that
12 requires the charter school to follow the list of all
13 non-curricular health and safety requirements promulgated by
14 the State Board and any non-curricular health and safety
15 requirements added by the State Board to such list during the
16 term of the charter. Nothing in this subsection (d) precludes
17 an authorizer from including non-curricular health and safety
18 requirements in a charter school contract that are not
19 contained in the list promulgated by the State Board,
20 including non-curricular health and safety requirements of the
21 authorizing local school board.

22 (e) Except as otherwise provided in the School Code, a
23 charter school shall not charge tuition; provided that a
24 charter school may charge reasonable fees for textbooks,
25 instructional materials, and student activities.

26 (f) A charter school shall be responsible for the

1 management and operation of its fiscal affairs, including, but
2 not limited to, the preparation of its budget. An audit of each
3 charter school's finances shall be conducted annually by an
4 outside, independent contractor retained by the charter
5 school. The contractor shall not be an employee of the charter
6 school or affiliated with the charter school or its authorizer
7 in any way, other than to audit the charter school's finances.
8 To ensure financial accountability for the use of public
9 funds, on or before December 1 of every year of operation, each
10 charter school shall submit to its authorizer and the State
11 Board a copy of its audit and a copy of the Form 990 the
12 charter school filed that year with the federal Internal
13 Revenue Service. In addition, if deemed necessary for proper
14 financial oversight of the charter school, an authorizer may
15 require quarterly financial statements from each charter
16 school.

17 (g) A charter school shall comply with all provisions of
18 this Article, the Illinois Educational Labor Relations Act,
19 all federal and State laws and rules applicable to public
20 schools that pertain to special education and the instruction
21 of English learners, and its charter. A charter school is

23 governing public schools and local school board policies;
24 however, a charter school is not exempt from the following:

10 Except as provided in subsection (i) of this Section, a school
