1 AMENDMENT TO HOUSE BILL 4622

2 AMENDMENT NO. _____. Amend House Bill 4622 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the Local
5 School District Mandate Note Act.

6 Section 5. Local school district mandate note. Every bill
7 that imposes or could impose a mandate on local school
8 districts, upon the request of any member, shall have prepared
9 for it, before second reading in the house of introduction, a
10 brief explanatory statement or note that shall include a
11 reliable estimate of the anticipated fiscal and operational
12 impact of those mandates on local school districts.

13 Section 10. Preparation. The sponsor of each bill for
14 which a request under Section 5 has been made shall present a
15 copy of the bill with the request for a local school district

1 mandate note to the State Board of Education. The State Board
2 of Education shall prepare and submit the note to the sponsor
3 of the bill within 5 calendar days. After a request under
4 Section 5 has been made and before the State Board of Education
5 submits the note to the sponsor of the bill, local school
6 districts may, through a website maintained by the State Board
7 of Education, submit explanatory statements that may include a
8 reliable estimate of the anticipated fiscal, operational, and
9 other impacts of the proposed mandate on the local school
10 district. The State Board of Education shall develop and
11 maintain a website to accept submissions from local school
12 districts under this Section. The note submitted to the
13 sponsor of the bill under this Section shall only include the
14 submissions from local school districts. Nothing in this
15 Section shall impose any responsibility on the State Board of
16 Education except to develop and maintain a website, accept
17 submissions from local school districts, and submit a note to
18 the sponsor of the bill containing the submissions from local
19 school districts.

20 Section 15. Requisites and contents. The note shall be
21 factual, brief, and concise and it shall include the immediate
22 effect and, if determinable or reasonably foreseeable, the
23 long term effect of the measure on local school districts. If,
24 after careful investigation, it is determined that an effect
25 is not ascertainable, the note shall contain a statement to

1 that effect, setting forth the reasons why no ascertainable
2 effect can be given.

3 Section 20. Comment or opinion; technical or mechanical
4 defects. No comment or opinion shall be included in the note
5 with regard to the merits of the measure for which the note is
6 prepared; however, technical or mechanical defects may be
7 noted.

8 Section 25. Appearance of State officials and employees in
9 support or opposition of measure. The fact that a local school
10 district mandate note is prepared for any bill shall not
11 preclude or restrict the appearance before any committee of
12 the General Assembly of any official or authorized employee of
13 the State Board of Education, or any other impacted State
14 agency, who desires to be heard in support of or in opposition
15 to the measure.".
