1 AN ACT concerning education.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The School Code is amended by adding Section 5. 2-3.204 as follows:
- 6 (105 ILCS 5/2-3.204 new)

7 Sec. 2-3.204. Air quality resources. The State Board of Education shall, in consultation with the Department of Public 8 9 Health, compile resources for elementary and secondary schools relating to indoor air quality in schools, including best 10 practices for assessing and maintaining ventilation systems 11 12 and information on any potential State or federal funding sources that may assist a school in identifying ventilation 13 14 needs. The State Board of Education shall compile these resources in consultation with stakeholders, including, but 15 16 not limited to, the Department of Public Health, local public health professionals, ventilation professionals affiliated 17 with a Department of Labor apprenticeship program, licensed 18 19 design professionals, representatives from regional offices of education, school district administrators, teachers, or any 20 21 other relevant professionals, stakeholders, or representatives 22 of State agencies. No later than 30 days after resources are compiled under this Section, the State Board of Education 23

- 1 shall implement outreach strategies to make the compiled resources available to elementary and secondary schools, 2 3 including publication of the compiled resources on the State Board of Education's website. The State Board of Education 4 may, in consultation with the Department of Public Health or 5 6 any other relevant stakeholders, update the compiled resources 7 as necessary.
- Section 99. Effective date. This Act takes effect January 8 9 1, 2025.
