

103RD GENERAL ASSEMBLY

State of Illinois

2023 and 2024

HB5228

Introduced 2/9/2024, by Rep. Abdelnasser Rashid

SYNOPSIS AS INTRODUCED:

30 ILCS 500/50-41 new

Amends the Illinois Procurement Code. Requires a vendor who contracts for government services, grants, or leases or purchases of software or hardware to disclose if artificial intelligence technology is, has been, or will be used in the course of fulfilling the contract or in the goods, technology, or services being purchased. Provides that the disclosure must be provided to the chief procurement officer, the Department of Innovation and Technology, and the General Assembly. Provides that, if the role of artificial intelligence changes during the course of the contract, or if the vendor plans to use artificial intelligence when it had not originally planned on doing so, the vendor must provide a new or updated disclosure. Allows a State agency, at its discretion, to require that a vendor provide detailed information on the technology's capacity, data sets, and limitations on the use of artificial intelligence technology. Provides that the chief procurement officer may disqualify a vendor who fails to provide the required disclosure or provides false or misleading information from contracting with the State for a period of up to 2 years.

4 Section 5. The Illinois Procurement Code is amended by
5 adding Section 50-41 as follows:

6 (30 ILCS 500/50-41 new)

7 Sec. 50-41. Disclosure of the use of artificial
8 intelligence technology. A vendor who contracts for government
9 services, grants, or leases or purchases of software or
10 hardware must disclose if artificial intelligence technology
11 is, has been, or will be used in the course of fulfilling the
12 contract or in the goods, technology, or services being
13 purchased. The disclosure must be provided to the chief
14 procurement officer, the Department of Innovation and
15 Technology, and the General Assembly. If the role of
16 artificial intelligence changes during the course of the
17 contract, or if the vendor plans to use artificial
18 intelligence when it had not originally planned on doing so,
19 the vendor must provide a new or updated disclosure. A State
20 agency may, at its discretion, require that a vendor provide
21 detailed information on the technology's capacity, data sets,
22 and limitations on the use of artificial intelligence
23 technology. The chief procurement officer may disqualify a

1 vendor who fails to provide the required disclosure or
2 provides false or misleading information from contracting with
3 the State for a period of up to 2 years.
