1

HOUSE RESOLUTION

2 WHEREAS, Illinois Alliance for Clean Transportation
3 (IACT), the 10th "Clean Cities" coalition designated by the
4 U.S. Department of Energy in May 1994, is celebrating its 30th
5 anniversary; and

6 WHEREAS, The Clean Cities national network has built
7 bipartisan support, deep connections within the transportation
8 industry, and active partnerships with hundreds of public and
9 private stakeholders; and

10 WHEREAS, IACT and its members are celebrating 30 years of
11 boosting the State's energy security, economic vitality, and
12 quality of life by advancing affordable, efficient, and clean
13 transportation fuels and technologies; and

14 WHEREAS, IACT and its members act locally in urban,
15 suburban, and rural communities to help Illinois businesses
16 and residents meet their climate, financial, and energy goals,
17 to foster the State's economic, environmental, and energy
18 security, and to move transportation systems into the clean
19 energy future; and

20 WHEREAS, IACT and its members work to advance the State's
21 transportation system and to help businesses and consumers

1 adopt alternative fuel vehicles and advanced transportation
2 technologies, contributing to the coalition's activities over
3 the past 30 years through eliminating an estimated 2.2 million
4 tons of emissions; and

5 WHEREAS, IACT has become one of the most successful Clean
6 Cities coalitions in the country thanks to many federal,
7 State, and local government agencies, auto manufacturers,
8 local car dealers, fuel suppliers, conversion companies,
9 environmental organizations, corporations, small businesses,
10 and individuals providing their time and resources during the
11 past 30 years; and

12 WHEREAS, IACT's mission in deploying "American fuels" and
13 clean fuel vehicles, such as those running on natural gas,
14 ethanol, propane, biodiesel, and electricity, have helped
15 improve air quality, provided for greater energy independence,
16 and led to the creation of many small businesses and jobs in
17 our State; and

18 WHEREAS, IACT and its members have partnered with many
19 government and business fleets in Illinois that have become
20 national leaders in greening their fleets and demonstrating
21 the environmental and economic benefits of using Illinois' own
22 domestic and renewable energy sources; and

1 WHEREAS, IACT and its members have worked to implement
2 over 15,000 alternative fuel vehicles and more than 400 fuel
3 stations for E85, propane, natural gas, biodiesel, hydrogen,
4 and electric vehicle charging throughout Illinois; and

5 WHEREAS, IACT and its members have helped school districts
6 adopt school buses with low to no tailpipe emissions, creating
7 cleaner air at local schools, and have incorporated
8 community-driven choices to improve equitable access to
9 advanced transportation; and

10 WHEREAS, IACT and its members have tailored projects to
11 respond to unique needs through partnerships with hundreds of
12 stakeholders and shared mobility options, including shuttles,
13 buses, e-bikes, and scooters, have reduced travel costs,
14 energy consumption, and traffic congestion; therefore, be it

15 RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE ONE
16 HUNDRED THIRD GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that
17 we declare May 21, 2024 as Illinois Alliance For Clean
18 Transportation Day in the State of Illinois.
