1 AMENDMENT TO SENATE BILL 64

2 AMENDMENT NO. _____. Amend Senate Bill 64, AS AMENDED,
3 with reference to page and line numbers of Senate Amendment
4 No. 1, on page 3, by replacing lines 7 through 16 with the
5 following:

6 "The Department shall accord lawful status to a previously
7 permitted or registered sign that was a painted display on a
8 wall or wall surface (but not a separate wall structure) of a
9 building and that lost its lawful status because a court of
10 competent jurisdiction through a final and non-appealable
11 order determined that the attachment of a vinyl substrate to
12 the wall or wall surface constituted the erection of a new sign
13 and not normal maintenance under this Section. The Department
14 shall also allow for the continued usage of that sign by the
15 owner of the building or its authorized agent without
16 requiring a new permit or registration."
