2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by
5 changing Sections 3-101, 3-111, and 3-111.1 as follows:

6 (625 ILCS 5/3-101) (from Ch. 95 1/2, par. 3-101)

7 Sec. 3-101. Certificate of title required.

8 (a) Except as provided in Section 3-102, every owner of a
9 vehicle which is in this State and for which no Illinois
10 certificate of title has been issued by the Secretary of State
11 shall make application to the Secretary of State for an
12 Illinois ~~a~~ certificate of title of the vehicle. Except as
13 provided in Section 3-102, every owner of a vehicle that is in
14 this State for which no Illinois certificate of title has been
15 issued by the Secretary of State and every owner of a vehicle
16 that is in the State applying for a duplicate certificate of
17 title or a corrected certificate of title, including a dealer
18 lien release certificate of title, must make application to
19 the Secretary of State for an Illinois duplicate certificate
20 of title or corrected certificate of title. Any owner of a
21 vehicle in this State with a certificate of title that was
22 issued by an entity other than the Secretary of State and
23 showing an Illinois address for the owner must be converted to

1 an Illinois title before the owner can transfer the vehicle.

3 an Illinois certificate of title pursuant to this Code be
4 allowed to obtain an out-of-state certificate of title for
5 purposes of a vehicle held for sale in this State by the
6 dealer. Under no circumstances shall a dealer be allowed to
7 obtain an out-of-state certificate of title in lieu of an
8 Illinois-issued dealer lien release certificate of title when
9 a dealer may have need of such title issuance. Nothing in this
10 Section shall be construed so as to allow a dealer to acquire
11 an out-of-state certificate of title in lieu of acquiring an
12 Illinois certificate of title for purposes of a vehicle held
13 for sale in this State by the dealer.

14 (b) Every owner of a motorcycle or motor driven cycle
15 purchased new on and after January 1, 1980 shall make

20 but shall be issued a distinctive certificate of title except
21 as provided in Sections 3-102 and 3-110 of this Act.

22 (c) The Secretary of State shall not register or renew the
23 registration of a vehicle unless a certificate of title has

20 a person under the original certificate." It shall be mailed
21 to the first lienholder named in it or, if none, to the owner
22 or the owner's designee. A certificate of title or a duplicate
23 certificate of title issued by another State showing an

2 certificate of title to any person within 15 days after the
3 issuance of an original certificate of title to such person.

5 for which a duplicate has been issued shall promptly surrender
6 the original certificate to the Secretary of State.

9 application and that the stated odometer reading is one of the
10 following: actual mileage, not the actual mileage or mileage
11 is in excess of its mechanical limits.

13 mutilated or destroyed or becomes illegible, the owner or
14 legal representative of the owner named in the original
15 Display certificate of title and in the certificate of title,
16 as shown by the records of the Secretary of State, shall
17 promptly make application for and may obtain a duplicate upon
18 furnishing information satisfactory to the Secretary of State.
19 The duplicate Display certificate of title shall contain the
20 legend "Duplicate Display Certificate of Title." It shall be
21 mailed to the owner or legal representative of the owner named
22 in the original Display certificate of title and in the
23 certificate of title. Such duplicate Display certificate of
24 title shall be attached and displayed in the same manner and in
25 the same place as the original Display certificate of title
26 would have been attached and displayed had it not been lost,

1 stolen, mutilated or destroyed or had it not become illegible.
