2           for at least one year prior to application and is a citizen  
3           or a lawful permanent resident of the United States;

4           (2) that he or she is enrolled in or accepted for  
5           admission to a graduate degree in nursing program at an  
6           approved institution; and

7           (3) that he or she agrees to meet the nurse educator  
8           employment obligation.

9           (b) If in any year the number of qualified applicants  
10          exceeds the number of scholarships to be awarded under this  
11          Section, the Department shall, in consultation with the  
12          Illinois Nursing Workforce Center Advisory Board, consider the  
13          following factors in granting priority in awarding  
14          scholarships:

15           (1) Financial need, as shown on a standardized  
16           financial needs assessment form used by an approved  
17           institution, of students who will pursue their education  
18           on a full-time or close to full-time basis and who already

20           degree.

22           pursuing a graduate degree in nursing to pursue employment

6 Section shall be awarded to recipients at approved  
7 institutions for a period of up to 3 years.

8 (d) Within 12 months after graduation from a graduate  
9 degree in nursing program for nurse educators, any recipient  
10 who accepted a scholarship under this Section shall begin  
11 meeting the required nurse educator employment obligation. In  
12 order to defer his or her continuous employment obligation, a  
13 recipient must request the deferment in writing from the  
14 Department. A recipient shall receive a deferment if he or she  
15 notifies the Department, within 30 days after enlisting, that  
16 he or she is spending up to 4 years in military service. A  
17 recipient shall receive a deferment if he or she notifies the  
18 Department, within 30 days after enrolling, that he or she is  
19 enrolled in an academic program leading to a graduate degree  
20 in nursing. The recipient must begin meeting the required  
21 nurse educator employment obligation no later than 6 months  
22 after the end of the deferment or deferments.

23 Any person who fails to fulfill the nurse educator  
24 employment obligation shall pay to the Department an amount  
25 equal to the amount of scholarship funds received per year for  
26 each unfulfilled year of the nurse educator employment

1 obligation, together with interest at 7% per year on the  
2 unpaid balance. Payment must begin within 6 months following  
3 the date of the occurrence initiating the repayment. All  
4 repayments must be completed within 6 years from the date of  
5 the occurrence initiating the repayment. However, this  
6 repayment obligation may be deferred and re-evaluated every 6  
7 months when the failure to fulfill the nurse educator  
8 employment obligation results from involuntarily leaving the  
9 profession due to a decrease in the number of nurses employed  
10 in this State or when the failure to fulfill the nurse educator  
11 employment obligation results from total and permanent  
12 disability. The repayment obligation shall be excused if the  
13 failure to fulfill the nurse educator employment obligation  
14 results from the death or adjudication as incompetent of the  
15 person holding the scholarship. No claim for repayment may be  
16 filed against the estate of such a decedent or incompetent.

17 The Department may allow a nurse educator employment  
18 obligation fulfillment alternative if the nurse educator  
19 scholarship recipient is unsuccessful in finding work as a  
20 nurse educator. The Department shall maintain a database of  
21 all available nurse educator positions in this State.

22 (e) Each person applying for a scholarship under this  
23 Section must be provided with a copy of this Section at the  
24 time of application for the benefits of this scholarship.

26 conditioned on the rules being adopted in accordance with all

1 provisions of the Illinois Administrative Procedure Act and  
2 all rules and procedures of the Joint Committee on  
3 Administrative Rules; any purported rule not so adopted, for  
4 whatever reason, is unauthorized.
