1 AN ACT concerning regulation.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 5. The Illinois Public Aid Code is amended by adding Section 5-47 as follows:
- 6 (305 ILCS 5/5-47 new)
- Sec. 5-47. Coverage for mental health and substance use disorder telehealth services.
- 9 (a) As used in this Section:
- 10 "Behavioral health care professional" has the meaning
- given to "health care professional" in Section 5 of the
- 12 <u>Telehealth Act, but only with respect to professionals</u>
- licensed or certified by the Division of Mental Health or
- 14 <u>Division of Substance Use Prevention and Recovery of the</u>
- Department of Human Services engaged in the delivery of mental
- 16 <u>health or substance use disorder treatment or services.</u>
- "Behavioral health facility" means a community mental
- 18 health center, a behavioral health clinic, a substance use
- disorder treatment program, or a facility or provider licensed
- or certified by the Division of Mental Health or Division of
- 21 <u>Substance Use Prevention and Recovery of the Department of</u>
- Human Services.
- "Behavioral telehealth services" has the meaning given to

23

program shall not:

- the term "telehealth services" in Section 5 of the Telehealth 1 2 Act, but limited solely to mental health and substance use 3 disorder treatment or services to a patient, regardless of patient location. 4 5 "Distant site" has the meaning given to that term in 6 Section 5 of the Telehealth Act. "Originating site" has the meaning given to that term in 7 8 Section 5 of the Telehealth Act. 9 (b) The Department and any managed care plans under 10 contract with the Department for the medical assistance 11 program shall provide for coverage of mental health and 12 substance use disorder treatment or services delivered as behavioral telehealth services as specified in this Section. 13 14 The Department and any managed care plans under contract with the Department for the medical assistance program may also 15 16 provide reimbursement to a behavioral health facility that 17 serves as the originating site at the time a behavioral 18 telehealth service is rendered. 19 (c) To ensure behavioral telehealth services are equitably 20 provided, coverage required under this Section shall comply 21 with all of the following: 22 (1) The Department and any managed care plans under
 - (A) require that in-person contact occur between a behavioral health care professional and a patient

contract with the Department for the medical assistance

1	before the provision of a behavioral telehealth
2	service;
3	(B) require patients, behavioral health care
4	professionals, or behavioral health facilities to
5	prove or document a hardship or access barrier to an
6	in-person consultation for coverage and reimbursement
7	of behavioral telehealth services;
8	(C) require the use of behavioral telehealth
9	services when the behavioral health care professional
10	has determined that it is not appropriate;
11	(D) require the use of behavioral telehealth
12	services when a patient chooses an in-person
13	<pre>consultation;</pre>
14	(E) require a behavioral health care professional
15	to be physically present in the same room as the
16	patient at the originating site, unless deemed
17	medically necessary by the behavioral health care
18	professional providing the behavioral telehealth
19	service;
20	(F) create geographic or facility restrictions or
21	requirements for behavioral telehealth services;
22	(G) require behavioral health care professionals
23	or behavioral health facilities to offer or provide
24	behavioral telehealth services;
25	(H) require patients to use behavioral telehealth
26	services or require patients to use a separate panel

services; or

of behavioral health care professionals or behavioral health facilities to receive behavioral telehealth

- (I) impose upon behavioral telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same behavioral health care service when rendered in-person, except that procedure code modifiers may be required to document behavioral telehealth.
- (2) Any cost sharing applicable to services provided through behavioral telehealth shall not exceed the cost sharing required by the medical assistance program for the same services provided through in-person consultation.
- (3) The Department and any managed care plans under contract with the Department for the medical assistance program shall notify behavioral health care professionals and behavioral health facilities of any instructions necessary to facilitate billing for behavioral telehealth services.
- (d) For purposes of reimbursement, the Department and any managed care plans under contract with the Department for the medical assistance program shall reimburse a behavioral health care professional or behavioral health facility for behavioral

- telehealth services on the same basis, in the same manner, and 1
- 2 at the same reimbursement rate that would apply to the
- 3 services if the services had been delivered via an in-person
- encounter by a behavioral health care professional or 4
- behavioral health facility. This subsection applies only to 5
- those services provided by behavioral telehealth that may 6
- otherwise be billed as an in-person service. 7
- 8 (e) Behavioral health care professionals and behavioral
- 9 health facilities shall determine the appropriateness of
- 10 specific sites, technology platforms, and technology vendors
- 11 for a behavioral telehealth service, as long as delivered
- 12 services adhere to all federal and State privacy, security,
- and confidentiality laws, rules, or regulations, including, 13
- 14 but not limited to, the Health Insurance Portability and
- Accountability Act of 1996, 42 CFR Part 2, and the Mental 15
- 16 Health and Developmental Disabilities Confidentiality Act.
- 17 (f) Nothing in this Section shall be deemed as precluding
- 18 the Department and any managed care plans under contract with
- 19 the Department for the medical assistance program from
- providing benefits for other telehealth services. 20
- 21 (g) There shall be no restrictions on originating site
- 22 requirements for behavioral telehealth coverage or
- 23 reimbursement to the distant site under this Section other
- 24 than requiring the behavioral telehealth services to be
- 25 medically necessary and clinically appropriate.
- 26 (h) Nothing in this Section shall be deemed as precluding

1

- the Department for the medical assistance program from 2

the Department and any managed care plans under contract with

- 3 establishing limits on the use of telehealth for a particular
- 4 behavioral health service when the limits are consistent with
- 5 generally accepted standards of mental, emotional, nervous, or
- 6 substance use disorder or condition care.
- 7 (i) The Department may adopt rules to implement the
- 8 provisions of this Section.
