#### SYNOPSIS AS INTRODUCED:

305 ILCS 5/5-30.1  
305 ILCS 5/5A-12.7

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires managed care organizations (MCOs) to pay a clean claim (rather than claim) within 30 days of receiving a claim. Contains provisions concerning MCO reports to providers on the receipt and payment of claims; MCO data collection requirements; providers' right to file suit to recover outstanding payments; quarterly audits of each MCO's requests for provider information to adjudicate claims; MCO claims processing and performance analysis; quarterly audits of MCOs payments to hospitals; the segregation of State-issued Medicaid funds received by MCOs for payments to providers; and other matters. Amends the Hospital Provider Funding Article of the Code. Requires the Department of Healthcare and Family Services to calculate, at least quarterly, all Hospital Assessment Program-related funds paid to each hospital, whether paid by the Department or an MCO, including the amounts integrated into rate increases and distributed as provided under the Code.

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by  
5 changing Sections 5-30.1 and 5A-12.7 as follows:

6 (305 ILCS 5/5-30.1)

7 Sec. 5-30.1. Managed care protections.

8 (a) As used in this Section:

9 "Clean claim" means: (i) a claim that contains all the  
10 essential information needed to adjudicate the claim or (ii) a  
11 claim for which a managed care organization does not request  
12 within 30 days of receipt any additional information to  
13 adjudicate the claim. A resubmitted claim shall be considered  
14 a clean claim on the resubmission date if it meets the  
15 foregoing criteria.

16 "Managed care organization" or "MCO" means any entity  
17 which contracts with the Department to provide services where  
18 payment for medical services is made on a capitated basis.

19 "Emergency services" include:

20 (1) emergency services, as defined by Section 10 of  
21 the Managed Care Reform and Patient Rights Act;

22 (2) emergency medical screening examinations, as  
23 defined by Section 10 of the Managed Care Reform and

1 Patient Rights Act;

2 (3) post-stabilization medical services, as defined by  
3 Section 10 of the Managed Care Reform and Patient Rights  
4 Act; and

5 (4) emergency medical conditions, as defined by  
6 Section 10 of the Managed Care Reform and Patient Rights  
7 Act.

8 (b) As provided by Section 5-16.12, managed care  
9 organizations are subject to the provisions of the Managed  
10 Care Reform and Patient Rights Act.

11 (c) An MCO shall pay any provider of emergency services  
12 that does not have in effect a contract with the contracted  
13 Medicaid MCO. The default rate of reimbursement shall be the  
14 rate paid under Illinois Medicaid fee-for-service program  
15 methodology, including all policy adjusters, including but not  
16 limited to Medicaid High Volume Adjustments, Medicaid  
17 Percentage Adjustments, Outpatient High Volume Adjustments,  
18 and all outlier add-on adjustments to the extent such  
19 adjustments are incorporated in the development of the  
20 applicable MCO capitated rates.

21 (d) An MCO shall pay for all post-stabilization services  
22 as a covered service in any of the following situations:

23 (1) the MCO authorized such services;

24 (2) such services were administered to maintain the  
25 enrollee's stabilized condition within one hour after a  
26 request to the MCO for authorization of further

1 post-stabilization services;

2 (3) the MCO did not respond to a request to authorize  
3 such services within one hour;

4 (4) the MCO could not be contacted; or

5 (5) the MCO and the treating provider, if the treating  
6 provider is a non-affiliated provider, could not reach an  
7 agreement concerning the enrollee's care and an affiliated  
8 provider was unavailable for a consultation, in which case  
9 the MCO must pay for such services rendered by the  
10 treating non-affiliated provider until an affiliated  
11 provider was reached and either concurred with the  
12 treating non-affiliated provider's plan of care or assumed  
13 responsibility for the enrollee's care. Such payment shall  
14 be made at the default rate of reimbursement paid under  
15 Illinois Medicaid fee-for-service program methodology,  
16 including all policy adjusters, including but not limited  
17 to Medicaid High Volume Adjustments, Medicaid Percentage  
18 Adjustments, Outpatient High Volume Adjustments and all  
19 outlier add-on adjustments to the extent that such  
20 adjustments are incorporated in the development of the  
21 applicable MCO capitated rates.

22 (e) The following requirements apply to MCOs in  
23 determining payment for all emergency services:

24 (1) MCOs shall not impose any requirements for prior  
25 approval of emergency services.

26 (2) The MCO shall cover emergency services provided to

1           enrollees who are temporarily away from their residence  
2           and outside the contracting area to the extent that the  
3           enrollees would be entitled to the emergency services if  
4           they still were within the contracting area.

5           (3) The MCO shall have no obligation to cover medical  
6           services provided on an emergency basis that are not  
7           covered services under the contract.

8           (4) The MCO shall not condition coverage for emergency  
9           services on the treating provider notifying the MCO of the  
10          enrollee's screening and treatment within 10 days after  
11          presentation for emergency services.

12          (5) The determination of the attending emergency  
13          physician, or the provider actually treating the enrollee,  
14          of whether an enrollee is sufficiently stabilized for  
15          discharge or transfer to another facility, shall be  
16          binding on the MCO. The MCO shall cover emergency services  
17          for all enrollees whether the emergency services are  
18          provided by an affiliated or non-affiliated provider.

19          (6) The MCO's financial responsibility for  
20          post-stabilization care services it has not pre-approved  
21          ends when:

22                 (A) a plan physician with privileges at the  
23                 treating hospital assumes responsibility for the  
24                 enrollee's care;

25                 (B) a plan physician assumes responsibility for  
26                 the enrollee's care through transfer;

1 (C) a contracting entity representative and the  
2 treating physician reach an agreement concerning the  
3 enrollee's care; or

4 (D) the enrollee is discharged.

5 (f) Network adequacy and transparency.

6 (1) The Department shall:

7 (A) ensure that an adequate provider network is in  
8 place, taking into consideration health professional  
9 shortage areas and medically underserved areas;

10 (B) publicly release an explanation of its process  
11 for analyzing network adequacy;

12 (C) periodically ensure that an MCO continues to  
13 have an adequate network in place;

14 (D) require MCOs, including Medicaid Managed Care  
15 Entities as defined in Section 5-30.2, to meet  
16 provider directory requirements under Section 5-30.3;

17 (E) require MCOs to ensure that any  
18 Medicaid-certified provider under contract with an MCO  
19 and previously submitted on a roster on the date of  
20 service is paid for any medically necessary,  
21 Medicaid-covered, and authorized service rendered to  
22 any of the MCO's enrollees, regardless of inclusion on  
23 the MCO's published and publicly available directory  
24 of available providers; and

25 (F) require MCOs, including Medicaid Managed Care  
26 Entities as defined in Section 5-30.2, to meet each of

1 the requirements under subsection (d-5) of Section 10  
2 of the Network Adequacy and Transparency Act; with  
3 necessary exceptions to the MCO's network to ensure  
4 that admission and treatment with a provider or at a  
5 treatment facility in accordance with the network  
6 adequacy standards in paragraph (3) of subsection  
7 (d-5) of Section 10 of the Network Adequacy and  
8 Transparency Act is limited to providers or facilities  
9 that are Medicaid certified.

10 (2) Each MCO shall confirm its receipt of information  
11 submitted specific to physician or dentist additions or  
12 physician or dentist deletions from the MCO's provider  
13 network within 3 days after receiving all required  
14 information from contracted physicians or dentists, and  
15 electronic physician and dental directories must be  
16 updated consistent with current rules as published by the  
17 Centers for Medicare and Medicaid Services or its  
18 successor agency.

19 (g) Timely payment of claims.

20 (1) The MCO shall pay a clean claim within 30 days of  
21 receiving a claim ~~that contains all the essential~~  
22 ~~information needed to adjudicate the claim.~~

23 (2) The MCO shall notify the billing party of its  
24 inability to adjudicate a claim within 30 days of  
25 receiving that claim.

26 (2.5) At the time of payment for a claim, MCOs shall

1 report to the provider (i) the date of receipt of the claim  
2 by the MCO; (ii) the date of payment of the claim; and  
3 (iii) whether the MCO considers the claim to have been a  
4 clean claim.

5 (2.6) MCOs shall provide to safety-net hospitals on a  
6 monthly basis a report of all claims paid the preceding  
7 month stating (i) the dates of receipt and payment of each  
8 of the claims and (ii) whether the MCO considers the claim  
9 to have been a clean claim. The reports shall be provided  
10 in both portable document format (PDF) and Excel  
11 spreadsheet formats.

12 (2.7) MCOs shall collect and maintain the following  
13 data for each claim submitted by a provider:

14 (A) the date the claim was received by the MCO;

15 (B) if applicable, the date any additional  
16 information was requested by the MCO;

17 (C) if applicable, the date additional information  
18 was received by the MCO;

19 (D) the date the claim was adjudicated; and

20 (E) the date the claim was denied or paid. MCOs  
21 shall provide this data to any individual provider  
22 that requests it, within 30 days after receiving the  
23 provider's written request.

24 (3) The MCO shall pay a penalty that is at least equal  
25 to the timely payment interest penalty imposed under  
26 Section 368a of the Illinois Insurance Code for any claims

1 not timely paid.

2 (A) When an MCO is required to pay a timely payment  
3 interest penalty to a provider, the MCO must calculate  
4 and pay the timely payment interest penalty that is  
5 due to the provider within 30 days after the payment of  
6 the claim. In no event shall a provider be required to  
7 request or apply for payment of any owed timely  
8 payment interest penalties.

9 (B) Such payments shall be reported separately  
10 from the claim payment for services rendered to the  
11 MCO's enrollee and clearly identified as interest  
12 payments.

13 (C) Each MCO, including any owned, operated, or  
14 controlled by any governmental agency, shall pay  
15 interest for untimely payment of claims in accordance  
16 with this subsection.

17 (3.1) On a quarterly basis, and within 30 days after  
18 the end of each calendar quarter, each MCO shall report to  
19 the Department the following information on a  
20 provider-by-provider basis for each provider that  
21 submitted 20 or more Medicaid claims to the MCO in the  
22 quarter:

23 (A) the total number of claims received from the  
24 provider during the prior quarter;

25 (B) the percentage of all such claims that were  
26 clean claims;

1           (C) the percentage of all claims the MCO paid  
2           within 30 days of receiving the claim;

3           (D) the percentage of all claims the MCO paid  
4           within 90 days of receiving the claim;

5           (E) the percentage of all clean claims the MCO  
6           paid within 30 days of receiving the claim; and

7           (F) the percentage of all clean claims the MCO  
8           paid within 90 days of receiving the claim.

9           Such information shall be provided by the Department  
10          to the provider to whom the data applies within 14 days of  
11          request by the provider.

12          (3.2) The provisions of this subsection, and others  
13          dealing with timely payment of claims, are intended for  
14          the benefit of the Department and of the providers. The  
15          Department and each provider shall have the right to bring  
16          suit in any court of competent jurisdiction to enforce  
17          these provisions, including recovery of payments due to  
18          providers, and to obtain any information related to  
19          individual providers required to be provided under this  
20          subsection. The court may enter any appropriate  
21          compensatory, declaratory, or injunctive relief. In any  
22          action or proceeding to enforce this subsection, the court  
23          shall have the authority to award the prevailing party all  
24          fees and costs incurred, including attorneys' fees.

25          (3.3) On a quarterly basis, the Department shall audit  
26          a representative sample of each MCO's requests for

1 information from providers to determine whether the  
2 requested information is necessary to adjudicate the  
3 claim. If the Department determines that the MCO requested  
4 information that was not necessary to adjudicate the  
5 claim, the MCO shall be required to pay a penalty to the  
6 Department and interest to the provider computed from the  
7 date of the submission of the claim to the MCO.

8 (4) (A) The Department shall require MCOs to expedite  
9 payments to providers identified on the Department's  
10 expedited provider list, determined in accordance with 89  
11 Ill. Adm. Code 140.71(b), on a schedule at least as  
12 frequently as the providers are paid under the  
13 Department's fee-for-service expedited provider schedule.

14 (B) Compliance with the expedited provider requirement  
15 may be satisfied by an MCO through the use of a Periodic  
16 Interim Payment (PIP) program that has been mutually  
17 agreed to and documented between the MCO and the provider,  
18 if the PIP program ensures that any expedited provider  
19 receives regular and periodic payments based on prior  
20 period payment experience from that MCO. Total payments  
21 under the PIP program may be reconciled against future PIP  
22 payments on a schedule mutually agreed to between the MCO  
23 and the provider.

24 (C) The Department shall share at least monthly its  
25 expedited provider list and the frequency with which it  
26 pays providers on the expedited list.

1 (g-5) Recognizing that the rapid transformation of the  
2 Illinois Medicaid program may have unintended operational  
3 challenges for both payers and providers:

4 (1) in no instance shall a medically necessary covered  
5 service rendered in good faith, based upon eligibility  
6 information documented by the provider, be denied coverage  
7 or diminished in payment amount if the eligibility or  
8 coverage information available at the time the service was  
9 rendered is later found to be inaccurate in the assignment  
10 of coverage responsibility between MCOs or the  
11 fee-for-service system, except for instances when an  
12 individual is deemed to have not been eligible for  
13 coverage under the Illinois Medicaid program; and

14 (2) the Department shall, by December 31, 2016, adopt  
15 rules establishing policies that shall be included in the  
16 Medicaid managed care policy and procedures manual  
17 addressing payment resolutions in situations in which a  
18 provider renders services based upon information obtained  
19 after verifying a patient's eligibility and coverage plan  
20 through either the Department's current enrollment system  
21 or a system operated by the coverage plan identified by  
22 the patient presenting for services:

23 (A) such medically necessary covered services  
24 shall be considered rendered in good faith;

25 (B) such policies and procedures shall be  
26 developed in consultation with industry

1 representatives of the Medicaid managed care health  
2 plans and representatives of provider associations  
3 representing the majority of providers within the  
4 identified provider industry; and

5 (C) such rules shall be published for a review and  
6 comment period of no less than 30 days on the  
7 Department's website with final rules remaining  
8 available on the Department's website.

9 The rules on payment resolutions shall include, but  
10 not be limited to:

11 (A) the extension of the timely filing period;

12 (B) retroactive prior authorizations; and

13 (C) guaranteed minimum payment rate of no less  
14 than the current, as of the date of service,  
15 fee-for-service rate, plus all applicable add-ons,  
16 when the resulting service relationship is out of  
17 network.

18 The rules shall be applicable for both MCO coverage  
19 and fee-for-service coverage.

20 If the fee-for-service system is ultimately determined to  
21 have been responsible for coverage on the date of service, the  
22 Department shall provide for an extended period for claims  
23 submission outside the standard timely filing requirements.

24 (g-6) MCO Performance Metrics Report.

25 (1) The Department shall publish, on at least a  
26 quarterly basis, each MCO's operational performance,

1 including, but not limited to, the following categories of  
2 metrics:

3 (A) claims payment, including timeliness and  
4 accuracy;

5 (B) prior authorizations;

6 (C) grievance and appeals;

7 (D) utilization statistics;

8 (E) provider disputes;

9 (F) provider credentialing; and

10 (G) member and provider customer service.

11 (2) The Department shall ensure that the metrics  
12 report is accessible to providers online by January 1,  
13 2017.

14 (3) The metrics shall be developed in consultation  
15 with industry representatives of the Medicaid managed care  
16 health plans and representatives of associations  
17 representing the majority of providers within the  
18 identified industry.

19 (4) Metrics shall be defined and incorporated into the  
20 applicable Managed Care Policy Manual issued by the  
21 Department.

22 (g-7) MCO claims processing and performance analysis. In  
23 order to monitor MCO payments to hospital providers, ~~pursuant~~  
24 ~~to Public Act 100-580,~~ the Department shall post an analysis  
25 of MCO claims processing and payment performance on its  
26 website every 3 ~~6~~ months. Such analysis shall include a review

1 and evaluation of all Medicaid claims that were paid, denied,  
2 rejected, or otherwise adjudicated by each MCO in the  
3 preceding 3 months and were submitted to an MCO by a provider  
4 that submitted at least 20 Medicaid claims to that MCO during  
5 the period. The review and evaluation shall state a  
6 ~~representative sample of hospital claims that are rejected and~~  
7 ~~denied for clean and unclean claims and the top 5 reasons for~~  
8 the rejection or denial of clean and unclean claims and the  
9 time required for claim adjudication and payment, including  
10 identifying: such actions and timeliness of claims  
11 adjudication

12 (1) the total number of claims, by MCO, in the review  
13 and evaluation;

14 (2) the percentage of all such claims, by MCO, that  
15 were clean claims;

16 (3) the percentage of all claims, by MCO, that the MCO  
17 paid within 30 days of receiving the claim, and the  
18 percentage of all claims the MCO paid within 90 days of  
19 receiving the claim;

20 (4) the percentage of clean claims the MCO paid within  
21 30 days of receiving the claim, and the percentage of  
22 clean claims the MCO paid within 90 days of receiving the  
23 claim;

24 (5) the aggregate dollar amounts of those claims  
25 identified in paragraphs (3) and (4).

26 Individual providers that submitted claims that are

1 included in any Department review and evaluation required by  
2 this subsection may request, and the Department shall provide  
3 to such provider within 14 days thereafter, the data used by  
4 the Department in its review and analysis that pertains to  
5 claims submitted by that provider. The Department shall post  
6 the contracted claims report required by HealthChoice Illinois  
7 on its website every 3 months.

8 ~~, which identifies the percentage of claims adjudicated within~~  
9 ~~30, 60, 90, and over 90 days, and the dollar amounts associated~~  
10 ~~with those claims.~~

11 (g-8) Dispute resolution process. The Department shall  
12 maintain a provider complaint portal through which a provider  
13 can submit to the Department unresolved disputes with an MCO.  
14 An unresolved dispute means an MCO's decision that denies in  
15 whole or in part a claim for reimbursement to a provider for  
16 health care services rendered by the provider to an enrollee  
17 of the MCO with which the provider disagrees. Disputes shall  
18 not be submitted to the portal until the provider has availed  
19 itself of the MCO's internal dispute resolution process.  
20 Disputes that are submitted to the MCO internal dispute  
21 resolution process may be submitted to the Department of  
22 Healthcare and Family Services' complaint portal no sooner  
23 than 30 days after submitting to the MCO's internal process  
24 and not later than 30 days after the unsatisfactory resolution  
25 of the internal MCO process or 60 days after submitting the  
26 dispute to the MCO internal process. Multiple claim disputes

1 involving the same MCO may be submitted in one complaint,  
2 regardless of whether the claims are for different enrollees,  
3 when the specific reason for non-payment of the claims  
4 involves a common question of fact or policy. Within 10  
5 business days of receipt of a complaint, the Department shall  
6 present such disputes to the appropriate MCO, which shall then  
7 have 30 days to issue its written proposal to resolve the  
8 dispute. The Department may grant one 30-day extension of this  
9 time frame to one of the parties to resolve the dispute. If the  
10 dispute remains unresolved at the end of this time frame or the  
11 provider is not satisfied with the MCO's written proposal to  
12 resolve the dispute, the provider may, within 30 days, request  
13 the Department to review the dispute and make a final  
14 determination. Within 30 days of the request for Department  
15 review of the dispute, both the provider and the MCO shall  
16 present all relevant information to the Department for  
17 resolution and make individuals with knowledge of the issues  
18 available to the Department for further inquiry if needed.  
19 Within 30 days of receiving the relevant information on the  
20 dispute, or the lapse of the period for submitting such  
21 information, the Department shall issue a written decision on  
22 the dispute based on contractual terms between the provider  
23 and the MCO, contractual terms between the MCO and the  
24 Department of Healthcare and Family Services and applicable  
25 Medicaid policy. The decision of the Department shall be  
26 final. By January 1, 2020, the Department shall establish by

1 rule further details of this dispute resolution process.  
2 Disputes between MCOs and providers presented to the  
3 Department for resolution are not contested cases, as defined  
4 in Section 1-30 of the Illinois Administrative Procedure Act,  
5 conferring any right to an administrative hearing.

6 (g-9)(1) The Department shall publish annually on its  
7 website a report on the calculation of each managed care  
8 organization's medical loss ratio showing the following:

9 (A) Premium revenue, with appropriate adjustments.

10 (B) Benefit expense, setting forth the aggregate  
11 amount spent for the following:

12 (i) Direct paid claims.

13 (ii) Subcapitation payments.

14 (iii) Other claim payments.

15 (iv) Direct reserves.

16 (v) Gross recoveries.

17 (vi) Expenses for activities that improve health  
18 care quality as allowed by the Department.

19 (3) The report shall also include the total amounts of all  
20 Hospital Assessment Program-related payments made to the MCO,  
21 and whether such amounts exceed the actual increased amounts  
22 paid by the MCO to providers as a result of HAP-associated rate  
23 increases.

24 (2) The medical loss ratio shall be calculated consistent  
25 with federal law and regulation following a claims runout  
26 period determined by the Department.

1 (g-10) (1) "Liability effective date" means the date on  
2 which an MCO becomes responsible for payment for medically  
3 necessary and covered services rendered by a provider to one  
4 of its enrollees in accordance with the contract terms between  
5 the MCO and the provider. The liability effective date shall  
6 be the later of:

7 (A) The execution date of a network participation  
8 contract agreement.

9 (B) The date the provider or its representative  
10 submits to the MCO the complete and accurate standardized  
11 roster form for the provider in the format approved by the  
12 Department.

13 (C) The provider effective date contained within the  
14 Department's provider enrollment subsystem within the  
15 Illinois Medicaid Program Advanced Cloud Technology  
16 (IMPACT) System.

17 (2) The standardized roster form may be submitted to the  
18 MCO at the same time that the provider submits an enrollment  
19 application to the Department through IMPACT.

20 (3) By October 1, 2019, the Department shall require all  
21 MCOs to update their provider directory with information for  
22 new practitioners of existing contracted providers within 30  
23 days of receipt of a complete and accurate standardized roster  
24 template in the format approved by the Department provided  
25 that the provider is effective in the Department's provider  
26 enrollment subsystem within the IMPACT system. Such provider

1 directory shall be readily accessible for purposes of  
2 selecting an approved health care provider and comply with all  
3 other federal and State requirements.

4 (g-11) The Department shall work with relevant  
5 stakeholders on the development of operational guidelines to  
6 enhance and improve operational performance of Illinois'  
7 Medicaid managed care program, including, but not limited to,  
8 improving provider billing practices, reducing claim  
9 rejections and inappropriate payment denials, and  
10 standardizing processes, procedures, definitions, and response  
11 timelines, with the goal of reducing provider and MCO  
12 administrative burdens and conflict. The Department shall  
13 include a report on the progress of these program improvements  
14 and other topics in its Fiscal Year 2020 annual report to the  
15 General Assembly.

16 (g-12) Notwithstanding any other provision of law, if the  
17 Department or an MCO requires submission of a claim for  
18 payment in a non-electronic format, a provider shall always be  
19 afforded a period of no less than 90 business days, as a  
20 correction period, following any notification of rejection by  
21 either the Department or the MCO to correct errors or  
22 omissions in the original submission.

23 Under no circumstances, either by an MCO or under the  
24 State's fee-for-service system, shall a provider be denied  
25 payment for failure to comply with any timely submission  
26 requirements under this Code or under any existing contract,

1 unless the non-electronic format claim submission occurs after  
2 the initial 180 days following the latest date of service on  
3 the claim, or after the 90 business days correction period  
4 following notification to the provider of rejection or denial  
5 of payment.

6 At the time of payment for a claim, an MCO shall report to  
7 the provider the payment components applicable to the payment,  
8 including the base rate, the Diagnosis-Related Group (DRG) or  
9 Enhanced Ambulatory Procedure Grouping (EAPG) group and  
10 weight, any add-ons or adjustors, and any interest.

11 (g-13) The Department shall audit on a quarterly basis a  
12 representative sample of claims that each MCO pays to a  
13 representative sample of hospitals to determine if the MCOs  
14 are accurately paying claims, including the base rate, the DRG  
15 or EAPG group and weight, any add-ons or adjustors, and any  
16 interest.

17 (1) If the Department finds that an MCO has improperly  
18 denied or underpaid on a claim, the Department shall  
19 promptly communicate the underpayment to the MCO and  
20 provider, and take such steps as necessary to see that the  
21 amount due is paid.

22 (2) The Department shall also investigate whether the  
23 error affected other providers, and if so, notify affected  
24 providers.

25 (3) The findings of the audits shall be included in  
26 the quarterly MCO Performance Metrics Report under

1           subsection (g-6).

2           (h) The Department shall not expand mandatory MCO  
3 enrollment into new counties beyond those counties already  
4 designated by the Department as of June 1, 2014 for the  
5 individuals whose eligibility for medical assistance is not  
6 the seniors or people with disabilities population until the  
7 Department provides an opportunity for accountable care  
8 entities and MCOs to participate in such newly designated  
9 counties.

10          (i) The requirements of this Section apply to contracts  
11 with accountable care entities and MCOs entered into, amended,  
12 or renewed after June 16, 2014 (the effective date of Public  
13 Act 98-651).

14          (j) Health care information released to managed care  
15 organizations. A health care provider shall release to a  
16 Medicaid managed care organization, upon request, and subject  
17 to the Health Insurance Portability and Accountability Act of  
18 1996 and any other law applicable to the release of health  
19 information, the health care information of the MCO's  
20 enrollee, if the enrollee has completed and signed a general  
21 release form that grants to the health care provider  
22 permission to release the recipient's health care information  
23 to the recipient's insurance carrier.

24          (k) The Department of Healthcare and Family Services,  
25 managed care organizations, a statewide organization  
26 representing hospitals, and a statewide organization

1 representing safety-net hospitals shall explore ways to  
2 support billing departments in safety-net hospitals.

3 (1) The requirements of this Section added by Public Act  
4 102-4 shall apply to services provided on or after the first  
5 day of the month that begins 60 days after April 27, 2021 (the  
6 effective date of Public Act 102-4).

7 (m) MCOs operated as part of or by any unit of State or  
8 local government shall segregate any Medicaid funds received  
9 from the State or any State agency for payments to providers  
10 separately from the governmental entity's general operating  
11 and other funds and shall use such Medicaid funds only for the  
12 Medicaid purposes for which the funds were paid to it by the  
13 State or State agency.

18 (Section scheduled to be repealed on December 31, 2026)

19 Sec. 5A-12.7. Continuation of hospital access payments on  
20 and after July 1, 2020.

21 (a) To preserve and improve access to hospital services,  
22 for hospital services rendered on and after July 1, 2020, the  
23 Department shall, except for hospitals described in subsection  
24 (b) of Section 5A-3, make payments to hospitals or require  
25 capitated managed care organizations to make payments as set

1     forth in this Section. Payments under this Section are not due  
2     and payable, however, until: (i) the methodologies described  
3     in this Section are approved by the federal government in an  
4     appropriate State Plan amendment or directed payment preprint;  
5     and (ii) the assessment imposed under this Article is  
6     determined to be a permissible tax under Title XIX of the  
7     Social Security Act. In determining the hospital access  
8     payments authorized under subsection (g) of this Section, if a  
9     hospital ceases to qualify for payments from the pool, the  
10    payments for all hospitals continuing to qualify for payments  
11    from such pool shall be uniformly adjusted to fully expend the  
12    aggregate net amount of the pool, with such adjustment being  
13    effective on the first day of the second month following the  
14    date the hospital ceases to receive payments from such pool.

15         (b) Amounts moved into claims-based rates and distributed  
16    in accordance with Section 14-12 shall remain in those  
17    claims-based rates.

18         (c) Graduate medical education.

19             (1) The calculation of graduate medical education  
20    payments shall be based on the hospital's Medicare cost  
21    report ending in Calendar Year 2018, as reported in the  
22    Healthcare Cost Report Information System file, release  
23    date September 30, 2019. An Illinois hospital reporting  
24    intern and resident cost on its Medicare cost report shall  
25    be eligible for graduate medical education payments.

26             (2) Each hospital's annualized Medicaid Intern

1 Resident Cost is calculated using annualized intern and  
2 resident total costs obtained from Worksheet B Part I,  
3 Columns 21 and 22 the sum of Lines 30-43, 50-76, 90-93,  
4 96-98, and 105-112 multiplied by the percentage that the  
5 hospital's Medicaid days (Worksheet S3 Part I, Column 7,  
6 Lines 2, 3, 4, 14, 16-18, and 32) comprise of the  
7 hospital's total days (Worksheet S3 Part I, Column 8,  
8 Lines 14, 16-18, and 32).

9 (3) An annualized Medicaid indirect medical education  
10 (IME) payment is calculated for each hospital using its  
11 IME payments (Worksheet E Part A, Line 29, Column 1)  
12 multiplied by the percentage that its Medicaid days  
13 (Worksheet S3 Part I, Column 7, Lines 2, 3, 4, 14, 16-18,  
14 and 32) comprise of its Medicare days (Worksheet S3 Part  
15 I, Column 6, Lines 2, 3, 4, 14, and 16-18).

16 (4) For each hospital, its annualized Medicaid Intern  
17 Resident Cost and its annualized Medicaid IME payment are  
18 summed, and, except as capped at 120% of the average cost  
19 per intern and resident for all qualifying hospitals as  
20 calculated under this paragraph, is multiplied by the  
21 applicable reimbursement factor as described in this  
22 paragraph, to determine the hospital's final graduate  
23 medical education payment. Each hospital's average cost  
24 per intern and resident shall be calculated by summing its  
25 total annualized Medicaid Intern Resident Cost plus its  
26 annualized Medicaid IME payment and dividing that amount

1 by the hospital's total Full Time Equivalent Residents and  
2 Interns. If the hospital's average per intern and resident  
3 cost is greater than 120% of the same calculation for all  
4 qualifying hospitals, the hospital's per intern and  
5 resident cost shall be capped at 120% of the average cost  
6 for all qualifying hospitals.

7 (A) For the period of July 1, 2020 through  
8 December 31, 2022, the applicable reimbursement factor  
9 shall be 22.6%.

10 (B) For the period of January 1, 2023 through  
11 December 31, 2026, the applicable reimbursement factor  
12 shall be 35% for all qualified safety-net hospitals,  
13 as defined in Section 5-5e.1 of this Code, and all  
14 hospitals with 100 or more Full Time Equivalent  
15 Residents and Interns, as reported on the hospital's  
16 Medicare cost report ending in Calendar Year 2018, and  
17 for all other qualified hospitals the applicable  
18 reimbursement factor shall be 30%.

19 (d) Fee-for-service supplemental payments. For the period  
20 of July 1, 2020 through December 31, 2022, each Illinois  
21 hospital shall receive an annual payment equal to the amounts  
22 below, to be paid in 12 equal installments on or before the  
23 seventh State business day of each month, except that no  
24 payment shall be due within 30 days after the later of the date  
25 of notification of federal approval of the payment  
26 methodologies required under this Section or any waiver

1 required under 42 CFR 433.68, at which time the sum of amounts  
2 required under this Section prior to the date of notification  
3 is due and payable.

4 (1) For critical access hospitals, \$385 per covered  
5 inpatient day contained in paid fee-for-service claims and

7 of service in Calendar Year 2019 in the Department's  
8 Enterprise Data Warehouse as of May 11, 2020.

9 (2) For safety-net hospitals, \$960 per covered  
10 inpatient day contained in paid fee-for-service claims and  
11 \$625 per paid fee-for-service outpatient claim for dates  
12 of service in Calendar Year 2019 in the Department's  
13 Enterprise Data Warehouse as of May 11, 2020.

14 (3) For long term acute care hospitals, \$295 per  
15 covered inpatient day contained in paid fee-for-service  
16 claims for dates of service in Calendar Year 2019 in the  
17 Department's Enterprise Data Warehouse as of May 11, 2020.

18 (4) For freestanding psychiatric hospitals, \$125 per  
19 covered inpatient day contained in paid fee-for-service  
20 claims and \$130 per paid fee-for-service outpatient claim  
21 for dates of service in Calendar Year 2019 in the  
22 Department's Enterprise Data Warehouse as of May 11, 2020.

23 (5) For freestanding rehabilitation hospitals, \$355  
24 per covered inpatient day contained in paid  
25 fee-for-service claims for dates of service in Calendar  
26 Year 2019 in the Department's Enterprise Data Warehouse as

1 of May 11, 2020.

2 (6) For all general acute care hospitals and high  
3 Medicaid hospitals as defined in subsection (f), \$350 per  
4 covered inpatient day for dates of service in Calendar  
5 Year 2019 contained in paid fee-for-service claims and

11 as the primary hospital affiliate of one of the Regional  
12 Alzheimer's Disease Assistance Centers, as designated by  
13 the Alzheimer's Disease Assistance Act and identified in  
14 the Department of Public Health's Alzheimer's Disease

16 Alzheimer's treatment access payment equal to the product  
17 of the qualifying hospital's State Fiscal Year 2018 total  
18 inpatient fee-for-service days multiplied by the  
19 applicable Alzheimer's treatment rate of \$226.30 for  
20 hospitals located in Cook County and \$116.21 for hospitals  
21 located outside Cook County.

22 (d-2) Fee-for-service supplemental payments. Beginning

3 Section or any waiver required under 42 CFR 433.68, at which  
4 time the sum of amounts required under this Section prior to  
5 the date of notification is due and payable. The Department  
6 may adjust the rates in paragraphs (1) through (7) to comply  
7 with the federal upper payment limits, with such adjustments  
8 being determined so that the total estimated spending by  
9 hospital class, under such adjusted rates, remains  
10 substantially similar to the total estimated spending under  
11 the original rates set forth in this subsection.

12 (1) For critical access hospitals, as defined in

3 Illinois academic medical center or teaching hospital, as  
4 defined in Section 5-5e.2 of this Code, that is identified

7 the Alzheimer's Disease Assistance Act and identified in  
8 the Department of Public Health's Alzheimer's Disease

17 (e) The Department shall require managed care  
18 organizations (MCOs) to make directed payments and  
19 pass-through payments according to this Section. Each calendar  
20 year, the Department shall require MCOs to pay the maximum  
21 amount out of these funds as allowed as pass-through payments  
22 under federal regulations. The Department shall require MCOs  
23 to make such pass-through payments as specified in this  
24 Section. The Department shall require the MCOs to pay the  
25 remaining amounts as directed Payments as specified in this  
26 Section. The Department shall issue payments to the

1 Comptroller by the seventh business day of each month for all  
2 MCOs that are sufficient for MCOs to make the directed  
3 payments and pass-through payments according to this Section.  
4 The Department shall require the MCOs to make pass-through  
5 payments and directed payments using electronic funds  
6 transfers (EFT), if the hospital provides the information  
7 necessary to process such EFTs, in accordance with directions  
8 provided monthly by the Department, within 7 business days of  
9 the date the funds are paid to the MCOs, as indicated by the  
10 "Paid Date" on the website of the Office of the Comptroller if  
11 the funds are paid by EFT and the MCOs have received directed  
12 payment instructions. If funds are not paid through the  
13 Comptroller by EFT, payment must be made within 7 business  
14 days of the date actually received by the MCO. The MCO will be  
15 considered to have paid the pass-through payments when the  
16 payment remittance number is generated or the date the MCO  
17 sends the check to the hospital, if EFT information is not  
18 supplied. If an MCO is late in paying a pass-through payment or  
19 directed payment as required under this Section (including any  
20 extensions granted by the Department), it shall pay a penalty,  
21 unless waived by the Department for reasonable cause, to the  
22 Department equal to 5% of the amount of the pass-through  
23 payment or directed payment not paid on or before the due date  
24 plus 5% of the portion thereof remaining unpaid on the last day  
25 of each 30-day period thereafter. Payments to MCOs that would  
26 be paid consistent with actuarial certification and enrollment

1 in the absence of the increased capitation payments under this  
2 Section shall not be reduced as a consequence of payments made  
3 under this subsection. The Department shall publish and  
4 maintain on its website for a period of no less than 8 calendar  
5 quarters, the quarterly calculation of directed payments and  
6 pass-through payments owed to each hospital from each MCO. All  
7 calculations and reports shall be posted no later than the  
8 first day of the quarter for which the payments are to be  
9 issued.

10 (f)(1) For purposes of allocating the funds included in  
11 capitation payments to MCOs, Illinois hospitals shall be  
12 divided into the following classes as defined in  
13 administrative rules:

14 (A) Beginning July 1, 2020 through December 31, 2022,  
15 critical access hospitals. Beginning January 1, 2023,  
16 "critical access hospital" means a hospital designated by  
17 the Department of Public Health as a critical access  
18 hospital, excluding any hospital meeting the definition of  
19 a public hospital in subparagraph (F).

20 (B) Safety-net hospitals, except that stand-alone  
21 children's hospitals that are not specialty children's  
22 hospitals will not be included. For the calendar year  
23 beginning January 1, 2023, and each calendar year  
24 thereafter, assignment to the safety-net class shall be  
25 based on the annual safety-net rate year beginning 15  
26 months before the beginning of the first Payout Quarter of

1 the calendar year.

2 (C) Long term acute care hospitals.

3 (D) Freestanding psychiatric hospitals.

4 (E) Freestanding rehabilitation hospitals.

5 (F) Beginning January 1, 2023, "public hospital" means  
6 a hospital that is owned or operated by an Illinois  
7 Government body or municipality, excluding a hospital  
8 provider that is a State agency, a State university, or a  
9 county with a population of 3,000,000 or more.

10 (G) High Medicaid hospitals.

11 (i) As used in this Section, "high Medicaid  
12 hospital" means a general acute care hospital that:

13 (I) For the payout periods July 1, 2020  
14 through December 31, 2022, is not a safety-net  
15 hospital or critical access hospital and that has  
16 a Medicaid Inpatient Utilization Rate above 30% or  
17 a hospital that had over 35,000 inpatient Medicaid  
18 days during the applicable period. For the period  
19 July 1, 2020 through December 31, 2020, the  
20 applicable period for the Medicaid Inpatient  
21 Utilization Rate (MIUR) is the rate year 2020 MIUR  
22 and for the number of inpatient days it is State  
23 fiscal year 2018. Beginning in calendar year 2021,  
24 the Department shall use the most recently  
25 determined MIUR, as defined in subsection (h) of  
26 Section 5-5.02, and for the inpatient day

1 threshold, the State fiscal year ending 18 months  
2 prior to the beginning of the calendar year. For  
3 purposes of calculating MIUR under this Section,  
4 children's hospitals and affiliated general acute  
5 care hospitals shall be considered a single  
6 hospital.

7 (II) For the calendar year beginning January  
8 1, 2023, and each calendar year thereafter, is not  
9 a public hospital, safety-net hospital, or  
10 critical access hospital and that qualifies as a  
11 regional high volume hospital or is a hospital  
12 that has a Medicaid Inpatient Utilization Rate  
13 (MIUR) above 30%. As used in this item, "regional  
14 high volume hospital" means a hospital which ranks  
15 in the top 2 quartiles based on total hospital  
16 services volume, of all eligible general acute  
17 care hospitals, when ranked in descending order  
18 based on total hospital services volume, within  
19 the same Medicaid managed care region, as  
20 designated by the Department, as of January 1,  
21 2022. As used in this item, "total hospital  
22 services volume" means the total of all Medical  
23 Assistance hospital inpatient admissions plus all  
24 Medical Assistance hospital outpatient visits. For  
25 purposes of determining regional high volume  
26 hospital inpatient admissions and outpatient

1 visits, the Department shall use dates of service  
2 provided during State Fiscal Year 2020 for the  
3 Payout Quarter beginning January 1, 2023. The  
4 Department shall use dates of service from the  
5 State fiscal year ending 18 month before the  
6 beginning of the first Payout Quarter of the  
7 subsequent annual determination period.

8 (ii) For the calendar year beginning January 1,  
9 2023, the Department shall use the Rate Year 2022  
10 Medicaid inpatient utilization rate (MIUR), as defined  
11 in subsection (h) of Section 5-5.02. For each  
12 subsequent annual determination, the Department shall  
13 use the MIUR applicable to the rate year ending  
14 September 30 of the year preceding the beginning of  
15 the calendar year.

16 (H) General acute care hospitals. As used under this  
17 Section, "general acute care hospitals" means all other  
18 Illinois hospitals not identified in subparagraphs (A)  
19 through (G).

20 (2) Hospitals' qualification for each class shall be  
21 assessed prior to the beginning of each calendar year and the  
22 new class designation shall be effective January 1 of the next  
23 year. The Department shall publish by rule the process for  
24 establishing class determination.

25 (g) Fixed pool directed payments. Beginning July 1, 2020,  
26 the Department shall issue payments to MCOs which shall be

1 used to issue directed payments to qualified Illinois  
2 safety-net hospitals and critical access hospitals on a  
3 monthly basis in accordance with this subsection. Prior to the  
4 beginning of each Payout Quarter beginning July 1, 2020, the  
5 Department shall use encounter claims data from the  
6 Determination Quarter, accepted by the Department's Medicaid  
7 Management Information System for inpatient and outpatient  
8 services rendered by safety-net hospitals and critical access  
9 hospitals to determine a quarterly uniform per unit add-on for  
10 each hospital class.

11 (1) Inpatient per unit add-on. A quarterly uniform per  
12 diem add-on shall be derived by dividing the quarterly  
13 Inpatient Directed Payments Pool amount allocated to the  
14 applicable hospital class by the total inpatient days  
15 contained on all encounter claims received during the  
16 Determination Quarter, for all hospitals in the class.

17 (A) Each hospital in the class shall have a  
18 quarterly inpatient directed payment calculated that  
19 is equal to the product of the number of inpatient days  
20 attributable to the hospital used in the calculation  
21 of the quarterly uniform class per diem add-on,  
22 multiplied by the calculated applicable quarterly  
23 uniform class per diem add-on of the hospital class.

24 (B) Each hospital shall be paid 1/3 of its  
25 quarterly inpatient directed payment in each of the 3  
26 months of the Payout Quarter, in accordance with

1 directions provided to each MCO by the Department.

2 (2) Outpatient per unit add-on. A quarterly uniform  
3 per claim add-on shall be derived by dividing the  
4 quarterly Outpatient Directed Payments Pool amount  
5 allocated to the applicable hospital class by the total  
6 outpatient encounter claims received during the  
7 Determination Quarter, for all hospitals in the class.

8 (A) Each hospital in the class shall have a  
9 quarterly outpatient directed payment calculated that  
10 is equal to the product of the number of outpatient  
11 encounter claims attributable to the hospital used in  
12 the calculation of the quarterly uniform class per  
13 claim add-on, multiplied by the calculated applicable  
14 quarterly uniform class per claim add-on of the  
15 hospital class.

16 (B) Each hospital shall be paid 1/3 of its  
17 quarterly outpatient directed payment in each of the 3  
18 months of the Payout Quarter, in accordance with  
19 directions provided to each MCO by the Department.

20 (3) Each MCO shall pay each hospital the Monthly  
21 Directed Payment as identified by the Department on its  
22 quarterly determination report.

23 (4) Definitions. As used in this subsection:

24 (A) "Payout Quarter" means each 3 month calendar  
25 quarter, beginning July 1, 2020.

26 (B) "Determination Quarter" means each 3 month

1 calendar quarter, which ends 3 months prior to the  
2 first day of each Payout Quarter.

3 (5) For the period July 1, 2020 through December 2020,  
4 the following amounts shall be allocated to the following  
5 hospital class directed payment pools for the quarterly  
6 development of a uniform per unit add-on:

7 (A) \$2,894,500 for hospital inpatient services for  
8 critical access hospitals.

9 (B) \$4,294,374 for hospital outpatient services  
10 for critical access hospitals.

11 (C) \$29,109,330 for hospital inpatient services  
12 for safety-net hospitals.

13 (D) \$35,041,218 for hospital outpatient services  
14 for safety-net hospitals.

15 (6) For the period January 1, 2023 through December  
16 31, 2023, the Department shall establish the amounts that  
17 shall be allocated to the hospital class directed payment  
18 fixed pools identified in this paragraph for the quarterly  
19 development of a uniform per unit add-on. The Department  
20 shall establish such amounts so that the total amount of  
21 payments to each hospital under this Section in calendar  
22 year 2023 is projected to be substantially similar to the  
23 total amount of such payments received by the hospital  
24 under this Section in calendar year 2021, adjusted for  
25 increased funding provided for fixed pool directed  
26 payments under subsection (g) in calendar year 2022,

1           assuming that the volume and acuity of claims are held  
2           constant. The Department shall publish the directed  
3           payment fixed pool amounts to be established under this  
4           paragraph on its website by November 15, 2022.

5                   (A) Hospital inpatient services for critical  
6                   access hospitals.

7                   (B) Hospital outpatient services for critical  
8                   access hospitals.

9                   (C) Hospital inpatient services for public  
10                  hospitals.

11                  (D) Hospital outpatient services for public  
12                  hospitals.

13                  (E) Hospital inpatient services for safety-net  
14                  hospitals.

15                  (F) Hospital outpatient services for safety-net  
16                  hospitals.

17           (7) Semi-annual rate maintenance review. The  
18           Department shall ensure that hospitals assigned to the  
19           fixed pools in paragraph (6) are paid no less than 95% of  
20           the annual initial rate for each 6-month period of each  
21           annual payout period. For each calendar year, the  
22           Department shall calculate the annual initial rate per day  
23           and per visit for each fixed pool hospital class listed in  
24           paragraph (6), by dividing the total of all applicable  
25           inpatient or outpatient directed payments issued in the  
26           preceding calendar year to the hospitals in each fixed

1 pool class for the calendar year, plus any increase  
2 resulting from the annual adjustments described in  
3 subsection (i), by the actual applicable total service  
4 units for the preceding calendar year which were the basis  
5 of the total applicable inpatient or outpatient directed  
6 payments issued to the hospitals in each fixed pool class  
7 in the calendar year, except that for calendar year 2023,  
8 the service units from calendar year 2021 shall be used.

9 (A) The Department shall calculate the effective  
10 rate, per day and per visit, for the payout periods of  
11 January to June and July to December of each year, for  
12 each fixed pool listed in paragraph (6), by dividing  
13 50% of the annual pool by the total applicable  
14 reported service units for the 2 applicable  
15 determination quarters.

16 (B) If the effective rate calculated in  
17 subparagraph (A) is less than 95% of the annual  
18 initial rate assigned to the class for each pool under  
19 paragraph (6), the Department shall adjust the payment  
20 for each hospital to a level equal to no less than 95%  
21 of the annual initial rate, by issuing a retroactive  
22 adjustment payment for the 6-month period under review  
23 as identified in subparagraph (A).

24 (h) Fixed rate directed payments. Effective July 1, 2020,  
25 the Department shall issue payments to MCOs which shall be  
26 used to issue directed payments to Illinois hospitals not

1 identified in paragraph (g) on a monthly basis. Prior to the  
2 beginning of each Payout Quarter beginning July 1, 2020, the  
3 Department shall use encounter claims data from the  
4 Determination Quarter, accepted by the Department's Medicaid  
5 Management Information System for inpatient and outpatient  
6 services rendered by hospitals in each hospital class  
7 identified in paragraph (f) and not identified in paragraph  
8 (g). For the period July 1, 2020 through December 2020, the  
9 Department shall direct MCOs to make payments as follows:

10 (1) For general acute care hospitals an amount equal  
11 to \$1,750 multiplied by the hospital's category of service  
12 20 case mix index for the determination quarter multiplied

14 category of service 20 for the determination quarter.

15 (2) For general acute care hospitals an amount equal  
16 to \$160 multiplied by the hospital's category of service

3 category of service 22 for the determination quarter.

4 (10) For high Medicaid hospitals an amount equal to  
5 \$400 multiplied by the hospital's category of service 24

14 quarter.

15 (12) For high Medicaid hospitals an amount equal to  
16 \$290 multiplied by the hospital's category of service 29

24 multiplied by the hospital's total number of inpatient  
25 days for category of service 21 for the determination  
26 quarter.

1           (15) For psychiatric hospitals the amount of \$250

12 quarter.

13           (18) Effective for the Payout Quarter beginning  
14 January 1, 2023, for the directed payments to hospitals  
15 required under this subsection, the Department shall  
16 establish the amounts that shall be used to calculate such  
17 directed payments using the methodologies specified in  
18 this paragraph. The Department shall use a single, uniform  
19 rate, adjusted for acuity as specified in paragraphs (1)  
20 through (12), for all categories of inpatient services  
21 provided by each class of hospitals and a single uniform  
22 rate, adjusted for acuity as specified in paragraphs (1)  
23 through (12), for all categories of outpatient services  
24 provided by each class of hospitals. The Department shall  
25 establish such amounts so that the total amount of  
26 payments to each hospital under this Section in calendar

1 year 2023 is projected to be substantially similar to the  
2 total amount of such payments received by the hospital  
3 under this Section in calendar year 2021, adjusted for  
4 increased funding provided for fixed pool directed  
5 payments under subsection (g) in calendar year 2022,  
6 assuming that the volume and acuity of claims are held  
7 constant. The Department shall publish the directed  
8 payment amounts to be established under this subsection on  
9 its website by November 15, 2022.

10 (19) Each hospital shall be paid 1/3 of their  
11 quarterly inpatient and outpatient directed payment in  
12 each of the 3 months of the Payout Quarter, in accordance  
13 with directions provided to each MCO by the Department.

14 20 Each MCO shall pay each hospital the Monthly  
15 Directed Payment amount as identified by the Department on  
16 its quarterly determination report.

17 Notwithstanding any other provision of this subsection, if  
18 the Department determines that the actual total hospital  
19 utilization data that is used to calculate the fixed rate  
20 directed payments is substantially different than anticipated  
21 when the rates in this subsection were initially determined  
22 for unforeseeable circumstances (such as the COVID-19 pandemic  
23 or some other public health emergency), the Department may  
24 adjust the rates specified in this subsection so that the  
25 total directed payments approximate the total spending amount  
26 anticipated when the rates were initially established.

1 Definitions. As used in this subsection:

2 (A) "Payout Quarter" means each calendar quarter,  
3 beginning July 1, 2020.

4 (B) "Determination Quarter" means each calendar  
5 quarter which ends 3 months prior to the first day of  
6 each Payout Quarter.

7 (C) "Case mix index" means a hospital specific  
8 calculation. For inpatient claims the case mix index  
9 is calculated each quarter by summing the relative  
10 weight of all inpatient Diagnosis-Related Group (DRG)  
11 claims for a category of service in the applicable  
12 Determination Quarter and dividing the sum by the  
13 number of sum total of all inpatient DRG admissions  
14 for the category of service for the associated claims.  
15 The case mix index for outpatient claims is calculated  
16 each quarter by summing the relative weight of all  
17 paid EAPGs in the applicable Determination Quarter and  
18 dividing the sum by the sum total of paid EAPGs for the  
19 associated claims.

20 (i) Beginning January 1, 2021, the rates for directed  
21 payments shall be recalculated in order to spend the  
22 additional funds for directed payments that result from  
23 reduction in the amount of pass-through payments allowed under  
24 federal regulations. The additional funds for directed  
25 payments shall be allocated proportionally to each class of  
26 hospitals based on that class' proportion of services.

1           (1) Beginning January 1, 2024, the fixed pool directed  
2           payment amounts and the associated annual initial rates  
3           referenced in paragraph (6) of subsection (f) for each  
4           hospital class shall be uniformly increased by a ratio of  
5           not less than, the ratio of the total pass-through  
6           reduction amount pursuant to paragraph (4) of subsection  
7           (j), for the hospitals comprising the hospital fixed pool  
8           directed payment class for the next calendar year, to the  
9           total inpatient and outpatient directed payments for the  
10          hospitals comprising the hospital fixed pool directed  
11          payment class paid during the preceding calendar year.

12          (2) Beginning January 1, 2024, the fixed rates for the  
13          directed payments referenced in paragraph (18) of  
14          subsection (h) for each hospital class shall be uniformly  
15          increased by a ratio of not less than, the ratio of the  
16          total pass-through reduction amount pursuant to paragraph  
17          (4) of subsection (j), for the hospitals comprising the  
18          hospital directed payment class for the next calendar  
19          year, to the total inpatient and outpatient directed  
20          payments for the hospitals comprising the hospital fixed  
21          rate directed payment class paid during the preceding  
22          calendar year.

23          (j) Pass-through payments.

24          (1) For the period July 1, 2020 through December 31,  
25          2020, the Department shall assign quarterly pass-through  
26          payments to each class of hospitals equal to one-fourth of

1 the following annual allocations:

2 (A) \$390,487,095 to safety-net hospitals.

3 (B) \$62,553,886 to critical access hospitals.

4 (C) \$345,021,438 to high Medicaid hospitals.

5 (D) \$551,429,071 to general acute care hospitals.

6 (E) \$27,283,870 to long term acute care hospitals.

7 (F) \$40,825,444 to freestanding psychiatric  
8 hospitals.

9 (G) \$9,652,108 to freestanding rehabilitation  
10 hospitals.

11 (2) For the period of July 1, 2020 through December  
12 31, 2020, the pass-through payments shall at a minimum  
13 ensure hospitals receive a total amount of monthly  
14 payments under this Section as received in calendar year  
15 2019 in accordance with this Article and paragraph (1) of  
16 subsection (d-5) of Section 14-12, exclusive of amounts  
17 received through payments referenced in subsection (b).

18 (3) For the calendar year beginning January 1, 2023,  
19 the Department shall establish the annual pass-through  
20 allocation to each class of hospitals and the pass-through  
21 payments to each hospital so that the total amount of  
22 payments to each hospital under this Section in calendar  
23 year 2023 is projected to be substantially similar to the  
24 total amount of such payments received by the hospital  
25 under this Section in calendar year 2021, adjusted for  
26 increased funding provided for fixed pool directed

1 payments under subsection (g) in calendar year 2022,  
2 assuming that the volume and acuity of claims are held  
3 constant. The Department shall publish the pass-through  
4 allocation to each class and the pass-through payments to  
5 each hospital to be established under this subsection on  
6 its website by November 15, 2022.

7 (4) For the calendar years beginning January 1, 2021,  
8 January 1, 2022, and January 1, 2024, and each calendar  
9 year thereafter, each hospital's pass-through payment  
10 amount shall be reduced proportionally to the reduction of  
11 all pass-through payments required by federal regulations.

12 (k) At least 30 days prior to each calendar year, the  
13 Department shall notify each hospital of changes to the  
14 payment methodologies in this Section, including, but not  
15 limited to, changes in the fixed rate directed payment rates,  
16 the aggregate pass-through payment amount for all hospitals,  
17 and the hospital's pass-through payment amount for the  
18 upcoming calendar year.

19 (l) Notwithstanding any other provisions of this Section,  
20 the Department may adopt rules to change the methodology for  
21 directed and pass-through payments as set forth in this  
22 Section, but only to the extent necessary to obtain federal  
23 approval of a necessary State Plan amendment or Directed  
24 Payment Preprint or to otherwise conform to federal law or  
25 federal regulation.

26 (m) As used in this subsection, "managed care

1 organization" or "MCO" means an entity which contracts with  
2 the Department to provide services where payment for medical  
3 services is made on a capitated basis, excluding contracted  
4 entities for dual eligible or Department of Children and  
5 Family Services youth populations.

6 (n) In order to address the escalating infant mortality  
7 rates among minority communities in Illinois, the State shall,  
8 subject to appropriation, create a pool of funding of at least  
9 \$50,000,000 annually to be disbursed among safety-net  
10 hospitals that maintain perinatal designation from the  
11 Department of Public Health. The funding shall be used to  
12 preserve or enhance OB/GYN services or other specialty  
13 services at the receiving hospital, with the distribution of  
14 funding to be established by rule and with consideration to  
15 perinatal hospitals with safe birthing levels and quality  
16 metrics for healthy mothers and babies.

17 The Department shall calculate, at least quarterly, all  
18 Hospital Assessment Program-related funds paid to each  
19 hospital, whether paid by the Department or an MCO, including  
20 the amounts integrated into rate increases and distributed in  
21 accordance with Section 14-12 as provided under subsection (b)  
22 of Section 5A-12.7, and shall provide a report to each  
23 hospital stating the total payments made in the preceding  
24 quarter and including the data and mathematical formulas  
25 supporting its calculation.

26 (o) In order to address the growing challenges of

1 providing stable access to healthcare in rural Illinois,  
2 including perinatal services, behavioral healthcare including  
3 substance use disorder services (SUDs) and other specialty  
4 services, and to expand access to telehealth services among  
5 rural communities in Illinois, the Department of Healthcare  
6 and Family Services, subject to appropriation, shall  
7 administer a program to provide at least \$10,000,000 in  
8 financial support annually to critical access hospitals for  
9 delivery of perinatal and OB/GYN services, behavioral  
10 healthcare including SUDs, other specialty services and  
11 telehealth services. The funding shall be used to preserve or  
12 enhance perinatal and OB/GYN services, behavioral healthcare  
13 including SUDs, other specialty services, as well as the  
14 explanation of telehealth services by the receiving hospital,  
15 with the distribution of funding to be established by rule.

16 (p) For calendar year 2023, the final amounts, rates, and  
17 payments under subsections (c), (d-2), (g), (h), and (j) shall  
18 be established by the Department, so that the sum of the total  
19 estimated annual payments under subsections (c), (d-2), (g),  
20 (h), and (j) for each hospital class for calendar year 2023, is  
21 no less than:

- 22 (1) \$858,260,000 to safety-net hospitals.
- 23 (2) \$86,200,000 to critical access hospitals.
- 24 (3) \$1,765,000,000 to high Medicaid hospitals.
- 25 (4) \$673,860,000 to general acute care hospitals.
- 26 (5) \$48,330,000 to long term acute care hospitals.

1 (6) \$89,110,000 to freestanding psychiatric hospitals.

2 (7) \$24,300,000 to freestanding rehabilitation  
3 hospitals.

4 (8) \$32,570,000 to public hospitals.

5 (q) Hospital Pandemic Recovery Stabilization Payments. The  
6 Department shall disburse a pool of \$460,000,000 in stability  
7 payments to hospitals prior to April 1, 2023. The allocation  
8 of the pool shall be based on the hospital directed payment  
9 classes and directed payments issued, during Calendar Year  
10 2022 with added consideration to safety net hospitals, as  
11 defined in subdivision (f) (1) (B) of this Section, and critical  
12 access hospitals.
