7 other than a hospital; (ii) a health care professional
8 partnership, corporation, limited liability company,
9 professional services corporation or group practice; or (iii)
10 an independent practice association or physician hospital
11 organization. Nothing in this definition shall be construed to
12 mean that a hospital is a health care entity.

13 "Health care plan" means any entity licensed by the
14 Department of Insurance as a prepaid health care plan or
15 health maintenance organization or as an insurer which
16 requires the submission of credentials data.

17 "Health care professional" means any person licensed under
18 the Medical Practice Act of 1987 or any person licensed under
19 any other Act subsequently made subject to this Act by the
20 Department.

21 "Hospital" means a hospital licensed under the Hospital
22 Licensing Act or any hospital organized under the University
23 of Illinois Hospital Act.

24 "Recredentialing" means the process by which a health care
25 entity, health care plan or hospital ensures that a health
26 care professional who is currently credentialed by the health

1 care entity, health care plan or hospital continues to meet
2 the credentialing criteria used by the health care entity,
3 health care plan, or hospital no more than once every 3 ~~2~~
4 years.

5 "Single credentialing cycle" means a process whereby for
6 purposes of recredentialing each health care professional's
7 credentials data are collected by all health care entities and
8 health care plans that credential the health care professional
9 during the same time period and only once every 3 ~~2~~ years.

10 "Site survey" means a process by which a health care
11 entity or health care plan assesses the office locations and
12 medical record keeping practices of a health care
13 professional.

14 "Single site survey" means a process by which, for
15 purposes of recredentialing, each health care professional
16 receives a site visit only once every two years.

17 "Uniform health care credentials form" means the form
18 prescribed ~~developed~~ by the Department under Section 15 to
19 collect the credentials data commonly requested by health care
20 entities and health care plans for purposes of credentialing.

21 "Uniform health care recredentials form" means the form
22 prescribed ~~developed~~ by the Department under Section 15 to
23 collect the credentials data commonly requested by health care
24 entities and health care plans for purposes of
25 recredentialing.

26 "Uniform hospital credentials form" means the form

1 prescribed ~~developed~~ by the Department under Section 15 to
2 collect the credentials data commonly requested by hospitals
3 for purposes of credentialing.

4 "Uniform hospital recredentials form" means the form
5 prescribed ~~developed~~ by the Department under Section 15 to
6 collect the credentials data commonly requested by hospitals
7 for purposes of recredentialing.

8 "Uniform site survey instrument" means the instrument
9 developed by the Department under Section 25 to complete a
10 single site survey as part of a credentialing or
11 recredentialing process.

12 "Uniform updating form" means the ~~a~~ standardized form
13 prescribed by the Department for reporting of corrections,
14 updates, and modifications to credentials data to health care
15 entities, health care plans, and hospitals when those data
16 change following credentialing or recredentialing of a health
17 care professional.

19 (410 ILCS 517/15)

20 Sec. 15. Development and use of uniform health care and
21 hospital credentials forms.

22 (a) The Department, ~~in consultation with the council,~~
23 shall by rule establish:

24 (1) a uniform health care credentials form that shall
25 include the credentials data commonly requested by health

1 care entities and health care plans for purposes of
2 credentialing and shall minimize the need for the
3 collection of additional credentials data;

4 (2) a uniform health care recredentials form that
5 shall include the credentials data commonly requested by
6 health care entities and health care plans for purposes of
7 recredentialing and shall minimize the need for the
8 collection of additional credentials data;

9 (3) a uniform hospital credentials form that shall
10 include the credentials data commonly requested by
11 hospitals for purposes of credentialing and shall minimize
12 the need for the collection of additional credentials
13 data;

14 (4) a uniform hospital recredentials form that shall
15 include the credentials data commonly requested by
16 hospitals for purposes of recredentialing and shall
17 minimize the need for collection of additional credentials
18 data; and

19 (5) uniform updating forms.

20 The forms described in this subsection may be provided in
21 a print format, electronic format, or both as prescribed by
22 the Department.

23 (b) The uniform forms established by the Department under
24 this Section in subsection (a) shall be coordinated to reduce
25 the need to provide redundant information. Further, the forms
26 shall be made available in both paper and electronic formats

1 upon request and in the format requested.

2 (c) The Department, ~~in consultation with the council,~~
3 shall establish by rule a process for the submittal of forms in
4 an a date after which an electronic format with required
5 content for ~~may be required by~~ a health care entity, a health
6 care plan, or a hospital, and a health care professional may
7 require acceptance of forms in an electronic format by a
8 health care entity, a health care plan, or a hospital.

9 (d) Beginning January 1, 2002, each health care entity or
10 health care plan that employs, contracts with, or allows
11 health care professionals to provide medical or health care
12 services and requires health care professionals to be
13 credentialed or recredentialed shall for purposes of
14 collecting credentials data only require:

- 15 (1) the uniform health care credentials form;
16 (2) the uniform health care recredentials form;
17 (3) the uniform updating forms; ~~and~~
18 (4) any additional credentials data requested; ~~and~~
19 (5) an online credential with required content as
20 required by forms under this Section.

21 (e) Beginning January 1, 2002, each hospital that employs,
22 contracts with, or allows health care professionals to provide
23 medical or health care services and requires health care
24 professionals to be credentialed or recredentialed shall for
25 purposes of collecting credentials data only require:

- 26 (1) the uniform hospital credentials form;

- 1 (2) the uniform hospital recredentials form;
2 (3) the uniform updating forms; ~~and~~
3 (4) any additional credentials data requested; ~~and~~;
4 (5) an online credential with required content as
5 required by forms under this Section.

6 (f) Each health care entity and health care plan shall
7 complete the process of verifying a health care professional's
8 credentials data in a timely fashion and shall complete the
9 process of credentialing or recredentialing of the health care
10 professional within 60 days after submission of all
11 credentials data and completion of verification of the
12 credentials data.

13 (g) Each health care professional shall provide any
14 corrections, updates, and modifications to his or her
15 credentials data to ensure that all credentials data on the
16 health care professional remains current. Such corrections,
17 updates, and modifications shall be provided within 5 business
18 days for State health care professional license revocation,
19 federal Drug Enforcement Agency license revocation, Medicare
20 or Medicaid sanctions, revocation of hospital privileges, any
21 lapse in professional liability coverage required by a health
22 care entity, health care plan, or hospital, or conviction of a
23 felony, and within 45 days for any other change in the
24 information from the date the health care professional knew of
25 the change. All updates shall be made on the uniform updating
26 forms prescribed ~~developed~~ by the Department.

1 (h) Any credentials data collected or obtained by the
2 health care entity, health care plan, or hospital shall be
3 confidential, as provided by law, and otherwise may not be
4 redisclosed without written consent of the health care
5 professional, except that in any proceeding to challenge
6 credentialing or recredentialing, or in any judicial review,
7 the claim of confidentiality shall not be invoked to deny a
8 health care professional, health care entity, health care
9 plan, or hospital access to or use of credentials data.
10 Nothing in this Section prevents a health care entity, health
11 care plan, or hospital from disclosing any credentials data to
12 its officers, directors, employees, agents, subcontractors,
13 medical staff members, any committee of the health care
14 entity, health care plan, or hospital involved in the
15 credentialing process, or accreditation bodies or licensing
16 agencies. However, any redisclosure of credentials data
17 contrary to this Section is prohibited.

18 (i) Nothing in this Act shall be construed to restrict the
19 right of any health care entity, health care plan or hospital
20 to request additional information necessary for credentialing
21 or recredentialing.

22 (j) Nothing in this Act shall be construed to restrict in
23 any way the authority of any health care entity, health care
24 plan or hospital to approve, suspend or deny an application
25 for hospital staff membership, clinical privileges, or managed
26 care network participation.

1 (k) Nothing in this Act shall be construed to prohibit
2 delegation of credentialing and recredentialing activities as
3 long as the delegated entity follows the requirements set
4 forth in this Act.

5 (l) Nothing in this Act shall be construed to require any
6 health care entity or health care plan to credential or survey
7 any health care professional.

8 (m) Nothing in this Act prohibits a hospital from granting
9 disaster privileges pursuant to the provisions of Section 10.4
10 of the Hospital Licensing Act. When a hospital grants disaster
11 privileges pursuant to Section 10.4 of the Hospital Licensing
12 Act, that hospital is not required to collect credentials data
13 pursuant to this Act.

15 (410 ILCS 517/20)

16 Sec. 20. Single credentialing cycle.

17 (a) The Department, ~~in consultation with the council,~~
18 shall by rule establish a single credentialing cycle. The
19 single credentialing cycle shall be based on a specific
20 variable or variables. To the extent possible the single
21 credentialing cycle shall be established to ensure that the
22 credentials data of all health care professionals in a group
23 or at a single site are collected during the same time period.
24 However, nothing in this Act shall be construed to require the
25 single credentialing cycle to be established to ensure that

1 the credentials data of all health care professionals in a
2 group or at a single site are collected during the same time
3 period.

4 (b) Beginning July 1, 2002, all health care entities and
5 health care plans shall obtain credentials data on all health
6 care professionals according to the established single
7 credentialing cycle.

8 (c) The Department, ~~in consultation with the council,~~
9 shall by rule establish a process to exempt a small or unique
10 health care entity or small or unique health care plan from the
11 single credentialing cycle if the health care entity or health
12 care plan demonstrates to the Department that adherence to the
13 single credentialing cycle would be an undue hardship for the
14 health care entity or health care plan.

15 (d) The requirements of this Section shall not apply when
16 a health care professional submits initial credentials data to
17 a health care entity or health care plan outside of the
18 established single credentialing cycle, when a health care
19 professional's credentials data change substantively, or when
20 a health care entity or health care plan requires
21 recredentialing as a result of patient or quality assurance
22 issues.

23 (Source: P.A. 91-602, eff. 8-16-99; 92-193, eff. 1-1-02.)

24 (410 ILCS 517/25)

25 Sec. 25. Single site survey.

1 (a) The Department,~~in consultation with the council,~~
2 shall by rule establish a uniform site survey instrument
3 taking into account national accreditation standards and State
4 requirements. The uniform site survey instrument shall include
5 all the site survey data requested by health care entities and
6 health care plans.

7 (b) No later than July 1, 2002, the Department,~~in~~
8 ~~consultation with the council,~~ shall publish, in rule, the
9 variable or variables for completing the single site survey.
10 To the extent possible, the single site survey shall be
11 established to ensure that all health care professionals in a
12 group or at a site are reviewed during the same time period.

13 (c) Beginning January 1, 2003, health care entities and
14 health care plans shall implement the single site survey, if a
15 site survey is required by any of the health care
16 professional's health care entities or health care plans. The
17 site survey shall be completed using the uniform site survey
18 instrument.

19 (d) The uniform site survey instrument shall be used when
20 a health care professional seeks initial credentialing by a
21 health care entity or health care plan, when a health care
22 professional's credentials data change substantively, or when
23 a health care plan or health care entity requires a site survey
24 as a result of patient or quality assurance issues, if a site
25 survey is required by the health care entity or health care
26 plan.

1 (e) Nothing in this Section prohibits health care entities
2 and health care plans from choosing the independent party to
3 conduct the single site survey.

5 (410 ILCS 517/30)

6 Sec. 30. Study of coordinated credentials verification.

7 (a) The Department, ~~in consultation with the council,~~
8 shall study the need for coordinated credentials data
9 verification.

10 (b) The study shall address the need for, the advantages
11 and disadvantages of, and the costs and cost savings, if any,
12 of coordinated credentials verification.

13 (c) The study also may address other changes to improve
14 the credentialing and recredentialing processes, to improve
15 the timeliness of the credentials data, and reduce the costs,
16 time, and administrative burden associated with the processes.

17 (d) The Department shall make a recommendation to the
18 General Assembly and the Governor regarding the need for
19 further legislation no later than January 1, 2003.

20 (Source: P.A. 91-602, eff. 8-16-99.)

21 (410 ILCS 517/35)

22 Sec. 35. Rules. The Department, ~~in consultation with the~~
23 ~~council,~~ shall adopt rules necessary to develop and implement
24 and enforce the requirements established by this Act.
