1 AMENDMENT TO SENATE BILL 2830

2 AMENDMENT NO. _____. Amend Senate Bill 2830 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Public Aid Code is amended by
5 changing Sections 5-30.1 and 5F-35 as follows:

6 (305 ILCS 5/5-30.1)

7 Sec. 5-30.1. Managed care protections.

8 (a) As used in this Section:

9 "Managed care organization" or "MCO" means any entity
10 which contracts with the Department to provide services where
11 payment for medical services is made on a capitated basis.

12 "Emergency services" include:

13 (1) emergency services, as defined by Section 10 of
14 the Managed Care Reform and Patient Rights Act;

15 (2) emergency medical screening examinations, as
16 defined by Section 10 of the Managed Care Reform and

1 Patient Rights Act;

2 (3) post-stabilization medical services, as defined by
3 Section 10 of the Managed Care Reform and Patient Rights
4 Act; and

5 (4) emergency medical conditions, as defined by
6 Section 10 of the Managed Care Reform and Patient Rights
7 Act.

8 (b) As provided by Section 5-16.12, managed care
9 organizations are subject to the provisions of the Managed
10 Care Reform and Patient Rights Act.

11 (c) An MCO shall pay any provider of emergency services
12 that does not have in effect a contract with the contracted
13 Medicaid MCO. The default rate of reimbursement shall be the
14 rate paid under Illinois Medicaid fee-for-service program
15 methodology, including all policy adjusters, including but not
16 limited to Medicaid High Volume Adjustments, Medicaid
17 Percentage Adjustments, Outpatient High Volume Adjustments,
18 and all outlier add-on adjustments to the extent such
19 adjustments are incorporated in the development of the
20 applicable MCO capitated rates.

21 (d) An MCO shall pay for all post-stabilization services
22 as a covered service in any of the following situations:

23 (1) the MCO authorized such services;

24 (2) such services were administered to maintain the
25 enrollee's stabilized condition within one hour after a
26 request to the MCO for authorization of further

1 post-stabilization services;

2 (3) the MCO did not respond to a request to authorize
3 such services within one hour;

4 (4) the MCO could not be contacted; or

5 (5) the MCO and the treating provider, if the treating
6 provider is a non-affiliated provider, could not reach an
7 agreement concerning the enrollee's care and an affiliated
8 provider was unavailable for a consultation, in which case
9 the MCO must pay for such services rendered by the
10 treating non-affiliated provider until an affiliated
11 provider was reached and either concurred with the
12 treating non-affiliated provider's plan of care or assumed
13 responsibility for the enrollee's care. Such payment shall
14 be made at the default rate of reimbursement paid under
15 Illinois Medicaid fee-for-service program methodology,
16 including all policy adjusters, including but not limited
17 to Medicaid High Volume Adjustments, Medicaid Percentage
18 Adjustments, Outpatient High Volume Adjustments and all
19 outlier add-on adjustments to the extent that such
20 adjustments are incorporated in the development of the
21 applicable MCO capitated rates.

22 (e) The following requirements apply to MCOs in
23 determining payment for all emergency services:

24 (1) MCOs shall not impose any requirements for prior
25 approval of emergency services.

26 (2) The MCO shall cover emergency services provided to

1 enrollees who are temporarily away from their residence
2 and outside the contracting area to the extent that the
3 enrollees would be entitled to the emergency services if
4 they still were within the contracting area.

5 (3) The MCO shall have no obligation to cover medical
6 services provided on an emergency basis that are not
7 covered services under the contract.

8 (4) The MCO shall not condition coverage for emergency
9 services on the treating provider notifying the MCO of the
10 enrollee's screening and treatment within 10 days after
11 presentation for emergency services.

12 (5) The determination of the attending emergency
13 physician, or the provider actually treating the enrollee,
14 of whether an enrollee is sufficiently stabilized for
15 discharge or transfer to another facility, shall be
16 binding on the MCO. The MCO shall cover emergency services
17 for all enrollees whether the emergency services are
18 provided by an affiliated or non-affiliated provider.

19 (6) The MCO's financial responsibility for
20 post-stabilization care services it has not pre-approved
21 ends when:

22 (A) a plan physician with privileges at the
23 treating hospital assumes responsibility for the
24 enrollee's care;

25 (B) a plan physician assumes responsibility for
26 the enrollee's care through transfer;

1 (C) a contracting entity representative and the
2 treating physician reach an agreement concerning the
3 enrollee's care; or

4 (D) the enrollee is discharged.

5 (f) Network adequacy and transparency.

6 (1) The Department shall:

7 (A) ensure that an adequate provider network is in
8 place, taking into consideration health professional
9 shortage areas and medically underserved areas;

10 (B) publicly release an explanation of its process
11 for analyzing network adequacy;

12 (C) periodically ensure that an MCO continues to
13 have an adequate network in place;

14 (D) require MCOs, including Medicaid Managed Care
15 Entities as defined in Section 5-30.2, to meet
16 provider directory requirements under Section 5-30.3;

17 (E) require MCOs to ensure that any
18 Medicaid-certified provider under contract with an MCO
19 and previously submitted on a roster on the date of
20 service is paid for any medically necessary,
21 Medicaid-covered, and authorized service rendered to
22 any of the MCO's enrollees, regardless of inclusion on
23 the MCO's published and publicly available directory
24 of available providers; and

25 (F) require MCOs, including Medicaid Managed Care
26 Entities as defined in Section 5-30.2, to meet each of

1 the requirements under subsection (d-5) of Section 10
2 of the Network Adequacy and Transparency Act; with
3 necessary exceptions to the MCO's network to ensure
4 that admission and treatment with a provider or at a
5 treatment facility in accordance with the network
6 adequacy standards in paragraph (3) of subsection
7 (d-5) of Section 10 of the Network Adequacy and
8 Transparency Act is limited to providers or facilities
9 that are Medicaid certified.

10 (2) Each MCO shall confirm its receipt of information
11 submitted specific to physician or dentist additions or
12 physician or dentist deletions from the MCO's provider
13 network within 3 days after receiving all required
14 information from contracted physicians or dentists, and
15 electronic physician and dental directories must be
16 updated consistent with current rules as published by the
17 Centers for Medicare and Medicaid Services or its
18 successor agency.

19 (g) Timely payment of claims.

20 (1) The MCO shall pay a claim within 30 days of
21 receiving a claim that contains all the essential
22 information needed to adjudicate the claim.

23 (2) The MCO shall notify the billing party of its
24 inability to adjudicate a claim within 30 days of
25 receiving that claim.

26 (3) The MCO shall pay a penalty that is at least equal

1 to the timely payment interest penalty imposed under
2 Section 368a of the Illinois Insurance Code for any claims
3 not timely paid.

4 (A) When an MCO is required to pay a timely payment
5 interest penalty to a provider, the MCO must calculate
6 and pay the timely payment interest penalty that is
7 due to the provider within 30 days after the payment of
8 the claim. In no event shall a provider be required to
9 request or apply for payment of any owed timely
10 payment interest penalties.

11 (B) Such payments shall be reported separately
12 from the claim payment for services rendered to the
13 MCO's enrollee and clearly identified as interest
14 payments.

15 (4) (A) The Department shall require MCOs to expedite
16 payments to providers identified on the Department's
17 expedited provider list, determined in accordance with 89
18 Ill. Adm. Code 140.71(b), on a schedule at least as
19 frequently as the providers are paid under the
20 Department's fee-for-service expedited provider schedule.

21 (B) Compliance with the expedited provider requirement
22 may be satisfied by an MCO through the use of a Periodic
23 Interim Payment (PIP) program that has been mutually
24 agreed to and documented between the MCO and the provider,
25 if the PIP program ensures that any expedited provider
26 receives regular and periodic payments based on prior

1 period payment experience from that MCO. Total payments
2 under the PIP program may be reconciled against future PIP
3 payments on a schedule mutually agreed to between the MCO
4 and the provider.

5 (C) The Department shall share at least monthly its
6 expedited provider list and the frequency with which it
7 pays providers on the expedited list.

8 (g-1) Timely provider payments other than clean claims.

9 (1) The MCO shall pay to providers all incentive
10 payments, add-on payments, directed payments, and any
11 other Medicaid payment other than clean claims, within 30
12 days of the posting from the Department.

13 (2) The MCO shall notify the billing party of its
14 inability to pay the payment within 30 days of the posting
15 by the Department.

16 (3) The MCO shall pay a penalty that is at least equal
17 to the timely payment interest penalty imposed under
18 Section 368a of the Illinois Insurance Code for any
19 payments not timely paid.

20 (A) When an MCO is required to pay a timely payment
21 interest penalty to a provider, the MCO must calculate
22 and pay the timely payment interest penalty that is
23 due to the provider within 30 days after the payment of
24 the claim. In no event shall a provider be required to
25 request or apply for payment of any owed timely
26 payment interest penalties.

1 (B) Such payments shall be reported separately
2 from the claim payment for services rendered to the
3 MCO's enrollee and clearly identified as interest
4 payments.

5 (4) (A) The Department shall require MCOs to expedite
6 payments to providers identified on the Department's
7 expedited provider list, determined in accordance with 89
8 Ill. Adm. Code 140.71(b), on a schedule at least as
9 frequently as the providers are paid under the
10 Department's fee-for-service expedited provider schedule.

11 (B) Compliance with the expedited provider requirement
12 may be satisfied by an MCO through the use of a Periodic
13 Interim Payment (PIP) program that has been mutually
14 agreed to and documented between the MCO and the provider,
15 if the PIP program ensures that any expedited provider
16 receives regular and periodic payments based on prior
17 periodic payment experience from that MCO. Total payments
18 under the PIP program may be reconciled against future PIP
19 payments on a schedule mutually agreed to between the MCO
20 and the provider.

21 (C) The Department shall share at least monthly its
22 expedited provider list and the frequency with which it
23 pays providers on the expedited list.

24 (g-5) Recognizing that the rapid transformation of the
25 Illinois Medicaid program may have unintended operational
26 challenges for both payers and providers:

1 (1) in no instance shall a medically necessary covered
2 service rendered in good faith, based upon eligibility
3 information documented by the provider, be denied coverage
4 or diminished in payment amount if the eligibility or
5 coverage information available at the time the service was
6 rendered is later found to be inaccurate in the assignment
7 of coverage responsibility between MCOs or the
8 fee-for-service system, except for instances when an
9 individual is deemed to have not been eligible for
10 coverage under the Illinois Medicaid program; and

11 (2) the Department shall, by December 31, 2016, adopt
12 rules establishing policies that shall be included in the
13 Medicaid managed care policy and procedures manual
14 addressing payment resolutions in situations in which a
15 provider renders services based upon information obtained
16 after verifying a patient's eligibility and coverage plan
17 through either the Department's current enrollment system
18 or a system operated by the coverage plan identified by
19 the patient presenting for services:

20 (A) such medically necessary covered services
21 shall be considered rendered in good faith;

22 (B) such policies and procedures shall be
23 developed in consultation with industry
24 representatives of the Medicaid managed care health
25 plans and representatives of provider associations
26 representing the majority of providers within the

1 identified provider industry; and

2 (C) such rules shall be published for a review and
3 comment period of no less than 30 days on the
4 Department's website with final rules remaining
5 available on the Department's website.

6 The rules on payment resolutions shall include, but
7 not be limited to:

8 (A) the extension of the timely filing period;

9 (B) retroactive prior authorizations; and

10 (C) guaranteed minimum payment rate of no less
11 than the current, as of the date of service,
12 fee-for-service rate, plus all applicable add-ons,
13 when the resulting service relationship is out of
14 network.

15 The rules shall be applicable for both MCO coverage
16 and fee-for-service coverage.

17 If the fee-for-service system is ultimately determined to
18 have been responsible for coverage on the date of service, the
19 Department shall provide for an extended period for claims
20 submission outside the standard timely filing requirements.

21 (g-6) MCO Performance Metrics Report.

22 (1) The Department shall publish, on at least a
23 quarterly basis, each MCO's operational performance,
24 including, but not limited to, the following categories of
25 metrics:

26 (A) claims payment, including timeliness and

1 accuracy;

2 (B) prior authorizations;

3 (C) grievance and appeals;

4 (D) utilization statistics;

5 (E) provider disputes;

6 (F) provider credentialing; and

7 (G) member and provider customer service.

8 (2) The Department shall ensure that the metrics
9 report is accessible to providers online by January 1,
10 2017.

11 (3) The metrics shall be developed in consultation
12 with industry representatives of the Medicaid managed care
13 health plans and representatives of associations
14 representing the majority of providers within the
15 identified industry.

16 (4) Metrics shall be defined and incorporated into the
17 applicable Managed Care Policy Manual issued by the
18 Department.

19 (g-7) MCO claims processing and performance analysis. In
20 order to monitor MCO payments to hospital providers, pursuant
21 to Public Act 100-580, the Department shall post an analysis
22 of MCO claims processing and payment performance on its
23 website every 6 months. Such analysis shall include a review
24 and evaluation of a representative sample of hospital claims
25 that are rejected and denied for clean and unclean claims and
26 the top 5 reasons for such actions and timeliness of claims

1 adjudication, which identifies the percentage of claims
2 adjudicated within 30, 60, 90, and over 90 days, and the dollar
3 amounts associated with those claims.

4 (g-8) Dispute resolution process. The Department shall
5 maintain a provider complaint portal through which a provider
6 can submit to the Department unresolved disputes with an MCO.
7 An unresolved dispute means an MCO's decision that denies in
8 whole or in part a claim for reimbursement to a provider for
9 health care services rendered by the provider to an enrollee
10 of the MCO with which the provider disagrees. Disputes shall
11 not be submitted to the portal until the provider has availed
12 itself of the MCO's internal dispute resolution process.
13 Disputes that are submitted to the MCO internal dispute
14 resolution process may be submitted to the Department of
15 Healthcare and Family Services' complaint portal no sooner
16 than 30 days after submitting to the MCO's internal process
17 and not later than 30 days after the unsatisfactory resolution
18 of the internal MCO process or 60 days after submitting the
19 dispute to the MCO internal process. Multiple claim disputes
20 involving the same MCO may be submitted in one complaint,
21 regardless of whether the claims are for different enrollees,
22 when the specific reason for non-payment of the claims
23 involves a common question of fact or policy. Within 10
24 business days of receipt of a complaint, the Department shall
25 present such disputes to the appropriate MCO, which shall then
26 have 30 days to issue its written proposal to resolve the

1 dispute. The Department may grant one 30-day extension of this
2 time frame to one of the parties to resolve the dispute. If the
3 dispute remains unresolved at the end of this time frame or the
4 provider is not satisfied with the MCO's written proposal to
5 resolve the dispute, the provider may, within 30 days, request
6 the Department to review the dispute and make a final
7 determination. Within 30 days of the request for Department
8 review of the dispute, both the provider and the MCO shall
9 present all relevant information to the Department for
10 resolution and make individuals with knowledge of the issues
11 available to the Department for further inquiry if needed.
12 Within 30 days of receiving the relevant information on the
13 dispute, or the lapse of the period for submitting such
14 information, the Department shall issue a written decision on
15 the dispute based on contractual terms between the provider
16 and the MCO, contractual terms between the MCO and the
17 Department of Healthcare and Family Services and applicable
18 Medicaid policy. The decision of the Department shall be
19 final. By January 1, 2020, the Department shall establish by
20 rule further details of this dispute resolution process.
21 Disputes between MCOs and providers presented to the
22 Department for resolution are not contested cases, as defined
23 in Section 1-30 of the Illinois Administrative Procedure Act,
24 conferring any right to an administrative hearing.

25 (g-9)(1) The Department shall publish annually on its
26 website a report on the calculation of each managed care

1 organization's medical loss ratio showing the following:

2 (A) Premium revenue, with appropriate adjustments.

3 (B) Benefit expense, setting forth the aggregate
4 amount spent for the following:

5 (i) Direct paid claims.

6 (ii) Subcapitation payments.

7 (iii) Other claim payments.

8 (iv) Direct reserves.

9 (v) Gross recoveries.

10 (vi) Expenses for activities that improve health
11 care quality as allowed by the Department.

12 (2) The medical loss ratio shall be calculated consistent
13 with federal law and regulation following a claims runout
14 period determined by the Department.

15 (g-10)(1) "Liability effective date" means the date on
16 which an MCO becomes responsible for payment for medically
17 necessary and covered services rendered by a provider to one
18 of its enrollees in accordance with the contract terms between
19 the MCO and the provider. The liability effective date shall
20 be the later of:

21 (A) The execution date of a network participation
22 contract agreement.

23 (B) The date the provider or its representative
24 submits to the MCO the complete and accurate standardized
25 roster form for the provider in the format approved by the
26 Department.

1 (C) The provider effective date contained within the
2 Department's provider enrollment subsystem within the
3 Illinois Medicaid Program Advanced Cloud Technology
4 (IMPACT) System.

5 (2) The standardized roster form may be submitted to the
6 MCO at the same time that the provider submits an enrollment
7 application to the Department through IMPACT.

8 (3) By October 1, 2019, the Department shall require all
9 MCOs to update their provider directory with information for
10 new practitioners of existing contracted providers within 30
11 days of receipt of a complete and accurate standardized roster
12 template in the format approved by the Department provided
13 that the provider is effective in the Department's provider
14 enrollment subsystem within the IMPACT system. Such provider
15 directory shall be readily accessible for purposes of
16 selecting an approved health care provider and comply with all
17 other federal and State requirements.

18 (g-11) The Department shall work with relevant
19 stakeholders on the development of operational guidelines to
20 enhance and improve operational performance of Illinois'
21 Medicaid managed care program, including, but not limited to,
22 improving provider billing practices, reducing claim
23 rejections and inappropriate payment denials, and
24 standardizing processes, procedures, definitions, and response
25 timelines, with the goal of reducing provider and MCO
26 administrative burdens and conflict. The Department shall

1 include a report on the progress of these program improvements
2 and other topics in its Fiscal Year 2020 annual report to the
3 General Assembly.

4 (g-12) Notwithstanding any other provision of law, if the
5 Department or an MCO requires submission of a claim for
6 payment in a non-electronic format, a provider shall always be
7 afforded a period of no less than 90 business days, as a
8 correction period, following any notification of rejection by
9 either the Department or the MCO to correct errors or
10 omissions in the original submission.

11 Under no circumstances, either by an MCO or under the
12 State's fee-for-service system, shall a provider be denied
13 payment for failure to comply with any timely submission
14 requirements under this Code or under any existing contract,
15 unless the non-electronic format claim submission occurs after
16 the initial 180 days following the latest date of service on
17 the claim, or after the 90 business days correction period
18 following notification to the provider of rejection or denial
19 of payment.

20 (h) The Department shall not expand mandatory MCO
21 enrollment into new counties beyond those counties already
22 designated by the Department as of June 1, 2014 for the
23 individuals whose eligibility for medical assistance is not
24 the seniors or people with disabilities population until the
25 Department provides an opportunity for accountable care
26 entities and MCOs to participate in such newly designated

1 counties.

2 (h-5) Leading indicator data sharing. By January 1, 2024,
3 the Department shall obtain input from the Department of Human
4 Services, the Department of Juvenile Justice, the Department
5 of Children and Family Services, the State Board of Education,
6 managed care organizations, providers, and clinical experts to
7 identify and analyze key indicators from assessments and data
8 sets available to the Department that can be shared with
9 managed care organizations and similar care coordination
10 entities contracted with the Department as leading indicators
11 for elevated behavioral health crisis risk for children. To
12 the extent permitted by State and federal law, the identified
13 leading indicators shall be shared with managed care
14 organizations and similar care coordination entities
15 contracted with the Department within 6 months of
16 identification for the purpose of improving care coordination
17 with the early detection of elevated risk. Leading indicators
18 shall be reassessed annually with stakeholder input.

19 (i) The requirements of this Section apply to contracts
20 with accountable care entities and MCOs entered into, amended,
21 or renewed after June 16, 2014 (the effective date of Public
22 Act 98-651).

23 (j) Health care information released to managed care
24 organizations. A health care provider shall release to a
25 Medicaid managed care organization, upon request, and subject
26 to the Health Insurance Portability and Accountability Act of

1 1996 and any other law applicable to the release of health
2 information, the health care information of the MCO's
3 enrollee, if the enrollee has completed and signed a general
4 release form that grants to the health care provider
5 permission to release the recipient's health care information
6 to the recipient's insurance carrier.

7 (k) The Department of Healthcare and Family Services,
8 managed care organizations, a statewide organization
9 representing hospitals, and a statewide organization
10 representing safety-net hospitals shall explore ways to
11 support billing departments in safety-net hospitals.

12 (l) The requirements of this Section added by Public Act
13 102-4 shall apply to services provided on or after the first
14 day of the month that begins 60 days after April 27, 2021 (the
15 effective date of Public Act 102-4).

20 Sec. 5F-35. Reimbursement. The Department shall provide
21 each managed care organization with the quarterly
22 fee-for-service facility-specific ~~RUC-IV~~ nursing component per
23 diem along with any add-ons for enhanced care services,
24 support component per diem, and capital component per diem
25 effective for each nursing home under contract with the

1 managed care organization. No managed care contract shall
2 provide for a level of reimbursement lower than the
3 fee-for-service rate in effect for the facility at the time
4 service is rendered.
