1 AMENDMENT TO SENATE BILL 3342

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3342 by replacing  
3 line 14 on page 1 through line 1 on page 3 with the following:

4 "Section 10. Prior notification requirements for  
5 application of pesticides on rights-of-way.

6 (a) At least 24 hours before the State or a unit of local  
7 government, including a mosquito abatement district or a  
8 commercial entity hired by the State or a unit of local  
9 government, applies a pesticide, including a pesticide  
10 intended to control mosquitoes, to a public right-of-way that  
11 is located within the corporate boundaries of a municipality,  
12 the State, mosquito abatement district, or other unit of local  
13 government in which the application is to be made shall  
14 provide written notice to the public of the application of the  
15 pesticide. At a minimum, the following information shall be  
16 provided in the written notice required under this subsection

17 (a):

1 (1) the intended location, date range, and range of  
2 times during the day that the material may be applied;

3 (2) the brand name, common name, and scientific name  
4 of each product that may be applied;

5 (3) the type of pesticide contained in any product  
6 that may be applied;

7 (4) the reason for use of each product that may be  
8 applied;

9 (5) the range of concentrations of end-use product  
10 that will be applied;

11 (6) any special instructions appearing on the label of  
12 the product applicable to an individual's use of the  
13 public right-of-way following an application;

14 (7) the State agency, mosquito abatement district, or  
15 other unit of local government name and telephone number  
16 of the certified applicator; and

17 (8) contact information for the Department for  
18 complaints of pesticide misuse, including a telephone  
19 number and website information for the Department.

20 Written notification required under this subsection (a) is  
21 sufficient if posted in newsletters, websites, calendars, or  
22 other correspondence currently published by the State,  
23 mosquito abatement district, or other unit of local government  
24 in which the application is to be made, but posting on a  
25 bulletin board is not sufficient.

26 (b) The application of a solid mosquito larvicide in

1 accordance with 8 Ill. Adm. Code 250.210 is exempt from the  
2 notification requirements of this Section.

3 (c) The State or a unit of local government, including a  
4 mosquito abatement district, need not provide the notice  
5 required by this Section if the application of the pesticide  
6 is in response to (i) disease causing agents in vector  
7 mosquitoes, (ii) the occurrence of mosquito-borne disease in  
8 animal or human populations, or (iii) a natural disaster  
9 recovery effort.".
