1 AMENDMENT TO SENATE BILL 3648

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 3648 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Community Emergency Services and Support  
5 Act is amended by changing Sections 30, 45, 50, and 65 as  
6 follows:

7 (50 ILCS 754/30)

8 Sec. 30. State prohibitions. 9-1-1 PSAPs, emergency  
9 services dispatched through 9-1-1 PSAPs, and the mobile mental  
10 and behavioral health service established by the Division of  
11 Mental Health must coordinate their services so that, based on  
12 the information provided to them, the following State  
13 prohibitions are avoided:

14 (a) Law enforcement responsibility for providing mental  
15 and behavioral health care. In any area where mobile mental  
16 health relief providers are available for dispatch, law

1 enforcement shall not be dispatched to respond to an  
2 individual requiring mental or behavioral health care unless  
3 that individual is (i) involved in a suspected violation of  
4 the criminal laws of this State, or (ii) presents a threat of  
5 physical injury to self or others. Mobile mental health relief  
6 providers are not considered available for dispatch under this  
7 Section if 9-8-8 reports that it cannot dispatch appropriate  
8 service within the maximum response times established by each  
9 Regional Advisory Committee under Section 45.

10 (1) Standing on its own or in combination with each  
11 other, the fact that an individual is experiencing a  
12 mental or behavioral health emergency, or has a mental  
13 health, behavioral health, or other diagnosis, is not  
14 sufficient to justify an assessment that the individual is  
15 a threat of physical injury to self or others, or requires  
16 a law enforcement response to a request for emergency  
17 response or medical transportation.

18 (2) If, based on its assessment of the threat to  
19 public safety, law enforcement would not accompany medical  
20 transportation responding to a physical health emergency,  
21 unless requested by mobile mental health relief providers,  
22 law enforcement may not accompany emergency response or  
23 medical transportation personnel responding to a mental or  
24 behavioral health emergency that presents an equivalent  
25 level of threat to self or public safety.

26 (3) Without regard to an assessment of threat to self

1 or threat to public safety, law enforcement may station  
2 personnel so that they can rapidly respond to requests for  
3 assistance from mobile mental health relief providers if  
4 law enforcement does not interfere with the provision of  
5 emergency response or transportation services. To the  
6 extent practical, not interfering with services includes  
7 remaining sufficiently distant from or out of sight of the  
8 individual receiving care so that law enforcement presence  
9 is unlikely to escalate the emergency.

10 (b) Mobile mental health relief provider involvement in  
11 involuntary commitment. In order to maintain the appropriate  
12 care relationship, mobile mental health relief providers shall  
13 not in any way assist in the involuntary commitment of an  
14 individual beyond (i) reporting to their dispatching entity or  
15 to law enforcement that they believe the situation requires  
16 assistance the mobile mental health relief providers are not  
17 permitted to provide under this Section; (ii) providing  
18 witness statements; and (iii) fulfilling reporting  
19 requirements the mobile mental health relief providers may  
20 have under their professional ethical obligations or laws of  
21 this State. This prohibition shall not interfere with any  
22 mobile mental health relief provider's ability to provide  
23 physical or mental health care.

24 (c) Use of law enforcement for transportation. In any area  
25 where mobile mental health relief providers are available for  
26 dispatch, unless requested by mobile mental health relief

1 providers, law enforcement shall not be used to provide  
2 transportation to access mental or behavioral health care, or  
3 travel between mental or behavioral health care providers,  
4 except where no alternative is available.

5 (d) Reduction of educational institution obligations. The  
6 services coordinated under this Act may not be used to replace  
7 any service an educational institution is required to provide  
8 to a student. It shall not substitute for appropriate special  
9 education and related services that schools are required to  
10 provide by any law.

11 (e) This Section is ~~Subsections (a), (c), and (d) are~~  
12 operative beginning on the date the 3 conditions in Section 65  
13 are met or July 1, 2025 ~~2024~~, whichever is earlier. ~~Subsection~~  
14 ~~(b) is operative beginning on July 1, 2024.~~

17 Sec. 45. Regional Advisory Committees.

18 (a) The Division of Mental Health shall establish Regional  
19 Advisory Committees in each EMS Region to advise on regional  
20 issues related to emergency response systems for mental and  
21 behavioral health. The Secretary of Human Services shall  
22 appoint the members of the Regional Advisory Committees. Each  
23 Regional Advisory Committee shall consist of:

24 (1) representatives of the 9-1-1 PSAPs in the region;

25 (2) representatives of the EMS Medical Directors

1 Committee, as constituted under the Emergency Medical  
2 Services (EMS) Systems Act, or other similar committee  
3 serving the medical needs of the jurisdiction;

4 (3) representatives of law enforcement officials with  
5 jurisdiction in the Emergency Medical Services (EMS)  
6 Regions;

7 (4) representatives of both the EMS providers and the  
8 unions representing EMS or emergency mental and behavioral  
9 health responders, or both; and

10 (5) advocates from the mental health, behavioral  
11 health, intellectual disability, and developmental  
12 disability communities.

13 If no person is willing or available to fill a member's  
14 seat for one of the required areas of representation on a  
15 Regional Advisory Committee under paragraphs (1) through (5),  
16 the Secretary of Human Services shall adopt procedures to  
17 ensure that a missing area of representation is filled once a  
18 person becomes willing and available to fill that seat.

19 (b) The majority of advocates on the Regional Advisory  
20 Committee must either be individuals with a lived experience  
21 of a condition commonly regarded as a mental health or  
22 behavioral health disability, developmental disability, or  
23 intellectual disability or be from organizations primarily  
24 composed of such individuals. The members of the Committee  
25 shall also reflect the racial demographics of the jurisdiction  
26 served. To achieve the requirements of this subsection, the

1 Division of Mental Health must establish a clear plan and  
2 regular course of action to engage, recruit, and sustain areas  
3 of established participation. The plan and actions taken must  
4 be shared with the general public.

5 (c) Subject to the oversight of the Department of Human  
6 Services Division of Mental Health, the EMS Medical Directors  
7 Committee or a chair appointed in agreement of the Division of  
8 Mental Health and the EMS Medical Directors Committee is  
9 responsible for convening the meetings of the committee.  
10 Qualifications for appointment as chair under this subsection  
11 include a demonstrated understanding of the tasks of the  
12 Regional Advisory Committee as well as standing within the  
13 region as a leader capable of building consensus for the  
14 purpose of achieving the tasks assigned to the committee.

15 Impacted units of local government may also have  
16 representatives on the committee subject to approval by the  
17 Division of Mental Health, if this participation is structured  
18 in such a way that it does not give undue weight to any of the  
19 groups represented.

21 responders through the 9-1-1 system;

22 (3) report, geographically by police district if  
23 practical, the data collected through the direction  
24 provided by the Statewide Advisory Committee in
