20 an eligible voter, then it shall not constitute a completed  
21 voter registration form, and the person shall not be

16 Section may be recorded and shared among the State Board of  
17 Elections, election authorities, the Office of the Secretary  
18 of State, and designated automatic voter registration  
19 agencies, but shall be used only for voter registration  
20 purposes, shall not be disclosed to the public except in the  
21 aggregate as required by subsection (m) of this Section, and  
22 shall not be subject to the Freedom of Information Act. The  
23 following information shall be designated as confidential:

17 Electronic Registration Information Center.

18 (l) The voter registration procedures implemented under  
19 this Section shall comport with the federal National Voter  
20 Registration Act of 1993, as amended, and shall specifically  
21 require that the State Board of Elections track registration  
22 data received through the online registration system that  
23 originated from a designated automatic voter registration  
24 agency for the purposes of maintaining statistics.

25 Nothing in this Code shall require designated voter  
26 registration agencies to transmit information that is

1 confidential client information under State or federal law  
2 without the consent of the applicant.

4 that maintains a website, the Office of the Secretary of  
5 State, and each designated automatic voter registration agency  
6 that maintains a website shall provide information on their

8 procedures described in this Section. The Office of the  
9 Secretary of State and each designated automatic voter

15 of Elections shall hold at least one public hearing on  
16 implementing this amendatory Act of the 100th General Assembly  
17 at which the public may provide input.

18 (o) The State Board of Elections shall submit an annual  
19 public report to the General Assembly and the Governor

3 Section 1A-16.5 of this Code. The 2018 and 2019 annual reports  
4 may include less detail if election authorities are not  
5 equipped to provide complete information to the State Board of  
6 Elections. Any report produced under this subsection (o) shall

20 upon information from the National Change of Address database  
21 and designated automatic voter registration agencies.

22 (a) The State Board of Elections shall cross-reference the  
23 statewide voter registration database against the United  
24 States Postal Service's National Change of Address database  
25 twice each calendar year, April 15 and October 1 in

1 odd-numbered years and April 15 and December 1 in  
2 even-numbered years or with the same frequency as in  
3 subsection (b) of this Section, and shall share the findings  
4 with the election authorities.

5 (b) In addition, beginning no later than September 1,  
6 2017, the State Board of Elections shall utilize data provided  
7 as part of its membership in the Electronic Registration  
8 Information Center in order to cross-reference the statewide  
9 voter registration database against databases of relevant  
10 personal information kept by designated automatic voter  
11 registration agencies, including, but not limited to, driver's  
12 license information kept by the Secretary of State, at least 6  
13 times each calendar year and shall share the findings with  
14 election authorities.

15 This subsection (b) shall no longer apply once Sections  
16 1A-16.1 and 1A-16.2 of this Code are fully implemented as  
17 determined by the State Board of Elections. Upon a  
18 determination by the State Board of Elections of full  
19 implementation of Sections 1A-16.1 and 1A-16.2 of this Code,  
20 the State Board of Elections shall file notice of full  
21 implementation and the inapplicability of this subsection (b)  
22 with the Index Department of the Office of the Secretary of  
23 State, the Governor, the General Assembly, and the Legislative  
24 Reference Bureau.

25 (b-5) The State Board of Elections shall not be required  
26 to share any data on any voter attained using the National

1 Change of Address database under subsection (a) of this  
2 Section if that voter has a more recent government transaction  
3 indicated using the cross-reference under subsection (b) of  
4 this Section. If there is contradictory or unclear data  
5 between data obtained under subsections (a) and (b) of this  
6 Section, then data obtained under subsection (b) of this  
7 Section shall take priority.

8 (c) An election authority shall automatically register any  
9 voter who has moved into its jurisdiction from another  
10 jurisdiction in Illinois or has moved within its jurisdiction  
11 provided that:

12 (1) the election authority whose jurisdiction includes  
13 the new registration address provides the voter an  
14 opportunity to reject the change in registration address  
15 through a mailing, sent by non-forwardable mail, to the  
16 new registration address, and

17 (2) when the election authority whose jurisdiction

19 election authority, then that election authority provides  
20 the same opportunity through a mailing, sent by  
21 forwardable mail, to the previous registration address.

22 This change in registration shall trigger the same  
23 inter-jurisdictional or intra-jurisdictional workflows as if  
24 the voter completed a new registration card, including the  
25 cancellation of the voter's previous registration. Should the  
26 registration of a voter be changed from one address to another

1 within the State and should the voter appear at the polls and  
2 offer to vote from the prior registration address, attesting  
3 that the prior registration address is the true current  
4 address, the voter, if confirmed by the election authority as  
5 having been registered at the prior registration address and  
6 canceled only by the process authorized by this Section, shall  
7 be issued a regular ballot, and the change of registration  
8 address shall be canceled. If the election authority is unable  
9 to immediately confirm the registration, the voter shall be  
10 permitted to register and vote a regular ballot, provided that  
11 he or she meets the documentary requirements for same-day  
12 registration. If the election authority is unable to confirm  
13 the registration and the voter does not meet the requirements  
14 for same-day registration, the voter shall be issued a  
15 provisional ballot.

16 (c-5) An agency that does not receive documentation that  
17 an applicant is a United States citizen, as described in  
18 subsection (g) of Section 1A-16.1, may enter into an agreement  
19 with the State Board of Elections to transmit information that  
20 shall serve only to update an applicant's existing voter  
21 registration record. Under the agreement, the agency shall  
22 transmit information on all clients who may be registered to  
23 vote with a clear indication that the information shall be  
24 used only for updates. The State Board of Elections shall

3 update a registered voter's records in accordance with the  
4 procedures described in Section 1A-16.7. The State Board of

7 to vote.

8 This subsection shall be implemented no later than January
