7 (Section scheduled to be repealed on January 1, 2030)

8 Sec. 9. Board. The Secretary shall appoint an Architecture
9 Licensing Board consisting of 7 members who shall serve in an
10 advisory capacity to the Secretary. All members of the Board
11 shall be residents of Illinois. Six members shall (i) hold a
12 valid architecture license in Illinois and have held the
13 license under this Act for the preceding 10 years, and (ii) not
14 have been disciplined within the preceding 10 years under this
15 Act. One architect shall be a ~~tenured~~ member of the
16 architectural faculty of an Illinois university accredited by
17 the National Architectural Accrediting Board. In addition to
18 the 6 architects, there shall be one public member. The public
19 member shall be a voting member and shall not be licensed under
20 this Act or any other design profession licensing Act that the
21 Department administers.

22 Board members shall serve 5-year terms and until their
23 successors are appointed and qualified. In appointing members

1 to the Board, the Secretary shall give due consideration to
2 recommendations by members and organizations of the
3 architecture profession.

4 The membership of the Board should reasonably reflect
5 representation from the geographic areas in this State.

6 No member shall be reappointed to the Board for a term
7 which would cause his or her continuous service on the Board to
8 be longer than 2 consecutive 5-year terms.

9 Appointments to fill vacancies shall be made in the same
10 manner as original appointments, for the unexpired portion of
11 the vacated term.

12 Four members of the Board shall constitute a quorum. A
13 quorum is required for Board decisions.

14 The Secretary may remove any member of the Board for
15 misconduct, incompetence, or neglect of duty or for reasons
16 prescribed by law for removal of State officials.

17 The Secretary may remove a member of the Board who does not
18 attend 2 consecutive meetings.

19 Notice of proposed rulemaking shall be transmitted to the
20 Board and the Department shall review the response of the
21 Board and any recommendations made therein. The Department
22 may, at any time, seek the expert advice and knowledge of the
23 Board on any matter relating to the administration or
24 enforcement of this Act.

25 Members of the Board are not liable for damages in any
26 action or proceeding as a result of activities performed as

1 members of the Board, except upon proof of actual malice.

2 Members of the Board shall be reimbursed for all
3 legitimate, necessary, and authorized expenses.

9 applicant ~~he or she~~ is a graduate with a first professional
10 degree in architecture from a program that is accredited by
11 the National Architectural Accrediting Board, the Canadian

16 agreement; has completed the examination requirements set
17 forth under Section 12; ~~7~~ and has completed such diversified
18 professional training, including academic training, as is
19 required by rules of the Department. The Department may adopt,
20 as its own rules relating to diversified professional
21 training, those guidelines published from time to time by the
22 National Council of Architectural Registration Boards.

23 Good moral character means such character as will enable a
24 person to discharge the duties of an architect to that
25 person's client and to the public in a manner that protects

1 health, safety, and welfare. Evidence of inability to
2 discharge such duties may include the commission of an offense
3 justifying discipline under Section 22. In addition, the
4 Department may take into consideration whether the applicant
5 has engaged in conduct or actions that would constitute
6 grounds for discipline under this Act.

8 (225 ILCS 305/18) (from Ch. 111, par. 1318)

12 forms or electronically accompanied by the required fee, issue
13 a license as an architect to an applicant licensed under the

16 requirements for licensure in that other jurisdiction were, on
17 the date of original licensure, substantially equivalent to
18 the requirements then in force in this State.

19 (b) If the accuracy of any submitted documentation or
20 relevance or sufficiency of the coursework or experience is
21 questioned by the Department or the Board because of a lack of

23 or a need for clarification, the applicant seeking licensure
24 may be required to provide additional information.

25 (c) Applicants have 3 years from the date of application

25 thereof in a conspicuous place in each office offering
26 architectural services.

1 (d) Any business seeking to be registered under this
2 Section shall make application on a form provided by the

19 partnership.

20 (3) A list of all locations at which the professional
21 design firm provides architectural services.

22 (4) A list of all assumed names of the business.

25 Assumed Business Name Act.

26 It is the responsibility of the professional design firm

1 to provide the Department notice, in writing, of any changes
2 in the information requested on the application.

3 (e) If a managing agent is terminated or terminates his or
4 her status as managing agent of the professional design firm,
5 the managing agent and the professional design firm shall
6 notify the Department of this fact in writing, by regular mail
7 or email, within 10 business days of termination.

8 Thereafter, the professional design firm, if it has so

11 architect who is the newly designated managing agent. If a
12 corporation, the corporation shall also submit a certified
13 copy of a resolution by the board of directors designating the

20 Department in writing, by regular mail or email, within the
21 specified time, the registration shall be terminated without
22 prior hearing. Notification of termination shall be sent by
23 regular mail to the address of record. If the professional
24 design firm continues to operate and offer architectural
25 services after the termination, the Department may seek
26 prosecution under Sections 22 and 23.5 for the unlicensed

1 practice of architecture.

2 (f) No professional design firm shall be relieved of
3 responsibility for the conduct or acts of its agents,
4 employees, or officers by reason of its compliance with this
5 Section, nor shall any individual practicing architecture be
6 relieved of the responsibility for professional services
7 performed by reason of the individual's employment or
8 relationship with a professional design firm registered under
9 this Section.

10 (g) Disciplinary action against a professional design firm
11 registered under this Section shall be administered in the
12 same manner and on the same grounds as disciplinary action
13 against a licensed architect. All disciplinary action taken or
14 pending against a corporation or partnership before the
15 effective date of this amendatory Act of 1993 shall be
16 continued or remain in effect without the Department filing
