3 WHEREAS, The Surface Transportation Board has the  
4 authority to compel both IDOT and the Iowa Interstate Railroad  
5 to hold a good faith meeting on the proposed project; and

6 WHEREAS, After years of unnecessary delays, the last

10 for passenger service; and

11 WHEREAS, In 2019, a five-year extension of the project's

15 on the project; and

16 WHEREAS, The Iowa Interstate Railroad continues to hold  
17 the Quad Cities community and its passenger rail advocates  
18 hostage in an egregious attempt to extract hundreds of

21 potentially harmful chemicals and materials on that very  
22 infrastructure, which goes against the interests of the State
