

1 AN ACT concerning public utilities.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Electric Supplier Act is amended by  
5 changing Section 3.6 as follows:

6 (220 ILCS 30/3.6) (from Ch. 111 2/3, par. 403.6)

7 Sec. 3.6. Existing line. "Existing line" means any line  
8 of an electric supplier which on the effective date of this  
9 Act is (a) in existence or (b) is under construction, as  
10 determined in accordance with accepted engineering practices.  
11 The term includes any such line which one electric supplier  
12 may acquire from another electric supplier after such  
13 effective date.
