6 Section 5. Purpose. The purpose of this Act is to
7 establish a program in the Department of Public Health to
8 increase the total number of nurses in this State and

10 exist by providing educational loan repayment assistance
11 grants to nurses who practice in areas of the State

2 necessary and proper rules not inconsistent with this Act for
3 the program's effective implementation. The Department may
4 use up to 5% of the appropriation for this program for
5 administration and promotion of nursing incentive programs.

6 Section 20. Application. Beginning July 1, 2004, the
7 Department shall, each year, consider applications for
8 assistance under the program. The form of application and the
