

1 AN ACT in relation to utilities.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Public Utilities Act is amended by  
5 changing Section 8-302 as follows:

6 (220 ILCS 5/8-302) (from Ch. 111 2/3, par. 8-302)

7 Sec. 8-302. Reading of meters. The Commission shall  
8 require that every public utility furnishing natural or  
9 artificial gas, electricity, or water to the public, where  
10 the individual consumption is measured by meter, shall, upon  
11 written request of any consumer, cause the meter reader at  
12 the time of reading the such consumer's meter to leave at the  
13 such meter a card showing the present reading of the meter,  
14 the last previous reading, and the dates of the 2 such--two  
15 readings.
