1   AMENDMENT TO HOUSE BILL 2277

2   AMENDMENT NO. ____. Amend House Bill 2277 by replacing
3   everything after the enacting clause with the following:

4   "Section 5. The Public Community College Act is amended
5   by changing Section 3-7 as follows:

6   (110 ILCS 805/3-7) (from Ch. 122, par. 103-7)
7   Sec. 3-7. (a) The election of the members of the board
8   of trustees shall be nonpartisan and shall be held at the
9   time and in the manner provided in the general election law.
10   (b) Unless otherwise provided in this Act, members shall
11   be elected to serve 6 year terms.   The   term   of members
12   elected in 1985 and thereafter shall be from the date the
13   member is officially determined to be elected to the board by
14   a canvass conducted pursuant to the Election Code, to the
15   date that the winner of the seat is officially determined by
16   the canvass conducted pursuant to the Election Code the next
17   time the seat on the board is to be filled by election.
18   (c) A board of trustees of a community college district
19   which is contiguous or has been contiguous to an experimental
20   community college district as authorized and defined by
21   Article IV of this Act may, on its own motion, or shall, upon
22   the petition of the lesser of 1/10 or 2,000 of the voters

1   registered in the district, order submitted to the voters of

2   the district at the next general election the proposition for

3   the election of board members by trustee district rather than

4   at large, and such proposition shall thereupon be certified

5   by the secretary of the board to the proper election

6   authority in accordance with the general election law for

7   submission.

8   If the proposition is approved by a majority of those

9   voting on the proposition, the State Board of Elections, in

10   1991, shall reapportion the trustee districts to reflect the

11   results of the last decennial census, and shall divide the

12   community college district into 7 trustee districts, each of

13   which shall be compact, contiguous and substantially equal in

14   population to each other district. In 2001, and in the year

15   following each decennial census thereafter, the board of

16   trustees of community college District #522 shall reapportion

17   the trustee districts to reflect the results of the census,

18   and shall divide the community college district into 7

19   trustee districts, each of which shall be compact,

20   contiguous, and substantially equal in population to each

21   other district.   The division of the community college

22   district into trustee districts shall be completed and

23   formally approved by a majority of the members of the board

24   of trustees of community college District #522 in 2001 and in

25   the year following each decennial census.   At the same

26   meeting of the board of trustees, the board shall, publicly

27   by lot, divide the trustee districts as equally as possible

28   into 2 groups. Beginning in 2003 and every 10   years

29   thereafter, trustees or their successors from one group shall

30   be elected for successive terms of 4 years and 6 years; and

31   members or their successors from the second group shall be

32   elected for successive terms of 6 years and 4 years. One

33   member shall be elected from each such trustee district.

34   Each member elected in 2001 shall be elected at the 2001

1   consolidated election from the trustee districts established

2   in 1991.   The term of each member elected in 2001 shall end

3   on the date that the trustees elected in 2003 are officially

4   determined by a canvass conducted pursuant to the Election

5   Code.

6   (d) In Community College District No. 526, the election

7   of board members shall be by trustee district rather than at

8   large beginning with the consolidated election in 2005.

9   For the 2005, 2007, and 2009 consolidated elections, the

10 community   college   district is divided into 7 trustee

11 districts as follows:

33   All counties, townships, census tracts, block groups, and

1   blocks are those that appear on maps published by the United

2   States Bureau of the Census for the 2000 census. The term

3   "tract" means census tract. Trustee districts created by

4   this subsection (d) for the purpose of electing board members

5   shall not be altered by operation of any other statute,

6   ordinance, or resolution. Any part of the community college

7   district that has not been described as included in one of

8   the trustee districts described in this subsection (d) is

9   included within the trustee district that (i) is contiguous

10   to the part and (ii) contains the least population of all

11   trustee districts contiguous to the part according to the

12   2000 decennial census of Illinois. If any part of the

13   community college district is described in this subsection

14   (d) as being in more than one trustee district, the part is

15   included within the trustee district that (i) is one of the

16   trustee districts in which that part is listed in this

17   subsection (d), (ii) is contiguous to that part, and (iii)

18   contains the least population according to the 2000 decennial

19   census of Illinois. If any part of the community college

20   district (i) is described in this subsection (d) as being in

21   one trustee district and (ii) is entirely surrounded by

22   another trustee district, then the part shall be incorporated

23   into the trustee district that surrounds the part. If any

24   part of the community college district (i) is described in

25   this subsection (d) as being in one trustee district and (ii)

26   is not contiguous to another part of that trustee district,

27   then the part is included within the contiguous trustee

28   district that contains the least population according to the

29   2000 decennial census of Illinois. The Speaker of the House,

30   the Minority Leader of the House, the President of the

31   Senate, and the Minority Leader of the Senate shall by joint

32   letter of transmittal present to the Secretary of State for

33   deposit into the State Archives an official set of United

34   States Bureau of the Census maps and descriptions used for

1   conducting the 2000 census, and those maps shall serve as the

2   official record of all counties, townships, census tracts,

3   block groups, and blocks referred to in this subsection (d).

4   The State Board of Elections shall prepare and make available

5   to the public a metes and bounds description of the trustee

6   districts created under this subsection (d).

7   For each at-large seat on the board that is to be filled

8   by election in 2005 or 2007, the seat shall be filled by a

9   trustee elected from a trustee district.   The State Board

10 shall determine which trustee district seat is to replace

11 which at-large seat by lot. The term of each trustee elected

12 at the 2005 or 2007 consolidated election shall end on the

13 date that the trustees elected in 2009 are officially

14 determined by a canvass conducted pursuant to the Election

15 Code. For the 2009 consolidated election, one trustee shall

16 be elected from each trustee district to serve a 4-year term.

17   In 2011, and in the year following each decennial census

18 thereafter, the General Assembly shall, by law, reapportion

19 the trustee districts to reflect the results of the census

20 and shall divide the community college district into 7

21 trustee districts, each of which shall be compact,

22 contiguous, and substantially equal in population to each

23 other trustee district. One trustee shall then be elected

24 from each trustee district. The division of the community

25 college district into trustee districts shall be completed

26 and become law in 2011 and in the year following each

27 decennial census. After the division becomes law, the board

28 shall meet to, publicly by lot, divide the trustee districts

29 as equally as possible into 3 groups. Beginning with the 2013

30 consolidated election and the consolidated election every 10

31 years thereafter, trustees or their successors from the first

32 group shall be elected for successive terms of 2 years, 4

33 years, and 4 years; trustees or their successors from the

34 second group shall be elected for successive terms of 4

1   years, 2 years, and 4 years; and trustees or their successors

2   from the third group shall be elected for successive terms of

3   4 years, 4 years, and 2 years.

4   (e) Each member must on the date of his election be a

5   citizen of the United States, of the age of 18 years or over,

6   and a resident of the State and the territory which on the

7   date of the election is included in the community college

8   district for at least one year immediately preceding his

9   election. In Community College District No. 526, each member

10   elected at the consolidated election in 2005 or thereafter

11   must also be a resident of the trustee district he or she

12   represents for at least one year immediately preceding his or

13   her election.   In the event a person who is a member of a

14   common school board is elected or appointed to a board of

15   trustees of a community college district, that person shall

16   be permitted to serve the remainder of his or her term of

17   office as a member of the common school board. Upon the

18   expiration of the common school board term, that person shall

19   not be eligible for election or appointment to a common

20   school board during the term of office with the community

21   college district board of trustees.

22   (f) Whenever a vacancy occurs, the remaining members

23   shall fill the vacancy, and the person so appointed shall

24   serve until a successor is elected at the next regular

25   election for board members and is certified in accordance

26   with Sections 22-17 and 22-18 of the Election Code.   If the

27   remaining members fail so to act within 60 days after the

28   vacancy occurs, the chairman of the State Board shall fill

29   that vacancy, and the person so appointed shall serve until a

30   successor is elected at the next regular election for board

31   members and is certified in accordance with Sections 22-17

32   and 22-18 of the Election Code. The person appointed to fill

33   the vacancy shall have the same residential qualifications as

34   his predecessor in office was required to have. In either

1   instance, if the vacancy occurs with less than 4 months

2   remaining before the next scheduled consolidated election,

3   and the term of office of the board member vacating the

4   position is not scheduled to expire at that election, then

5   the term of the person so appointed shall extend through that

6   election and until the succeeding consolidated election.   If

7   the term of office of the board member vacating the position

8   is scheduled to expire at the upcoming consolidated election,

9   the appointed member shall serve only until a successor is

10   elected and qualified at that election.

11   (g) Members   of   the   board   shall   serve   without

12   compensation but shall be reimbursed for their reasonable

13   expenses incurred in connection with their service   as

14   members. Compensation, for purposes of this Section, means

15   any salary or other benefits not expressly authorized by this

16   Act to be provided or paid to, for or on behalf of members of

17   the board. The board of each community college district may

18   adopt a policy providing for the issuance of bank credit

19   cards, for use by any board member who requests the same in

20   writing and agrees to use the card only for the reasonable

21   expenses which he or she incurs in connection with his or her

22   service as a board member. Expenses charged to such credit

23   cards shall be accounted for separately and shall be

24   submitted to the chief financial officer of the district for

25   review prior to being reported to the board at its next

26   regular meeting.

27   (h) Except in an election of the initial board for a new

28   community college district created pursuant to Section 6-6.1,

29   the ballot for the election of members of the board for a

30   community college district shall indicate the length of term

31   for each office to be filled. In the election of a board for

32   any community college district, the ballot shall not contain

33   any political party designation.
