

1 AN ACT concerning HIV/AIDS education.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The Department of Public Health Act is  
5 amended by adding Section 6.1 as follows:

6 (20 ILCS 2305/6.1 new)

7 Sec. 6.1. HIV/AIDS community service pilot program.

8 Subject to appropriation, the Department of Public Health  
9 shall fund an HIV/AIDS community service pilot program in the  
10 African-American communities of the State. The program shall  
11 contain the following components:

12 (1) HIV primary care to enhance and enrich the lives of  
13 those infected by HIV.

14 (2) HIV counseling and testing to provide a system of  
15 early detection for HIV and to facilitate skill building for  
16 behavior modification.

17 (3) Case management services to offer seamless service  
18 delivery for those infected by HIV.

19 (4) Prevention case management services designed to  
20 foster skill building and negotiation enrichment for those  
21 impacted by HIV.

22 (5) Street outreach services, which is a Centers for  
23 Disease Control approved intervention proven to reach the  
24 client at his or her level of need. The service shall be  
25 facilitated by an indigenous staff person who will offer the  
26 services of HIV education and counseling, referral for  
27 testing, and condom distribution.
