

1 AN ACT concerning health facilities.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Hospital Licensing Act is amended by
5 changing Section 10.3 as follows:

6 (210 ILCS 85/10.3) (from Ch. 111 1/2, par. 151.3)

7 Sec. 10.3. Clinical training programs. No hospital
8 shall allow any person to take part as a student in a
9 clinical training program of that hospital which is designed,
10 in whole or in part, to fulfill the requirements for
11 licensure as a physician unless that person is currently
12 enrolled as a student in a curriculum of a medical or
13 osteopathic college or school which has been approved as
14 being reputable and in good standing by the Department of
15 Professional Regulation or is enrolled in a curriculum of a
16 professional school, college or institution teaching the
17 treatment of human ailments without drugs or medicines and
18 without operative surgery which has been approved as being
19 reputable and in good standing by the Department of
20 Professional Regulation.
