31 treatment center employee shall be paid at the appropriate

1 non-physician modifier rate if the payor would have made
2 payment had the same services been provided by a physician.

27 delivery of anesthesia services for diagnosis,
28 consultation, and treatment of emergency medical
29 conditions. In the absence of 24-hour availability of
30 anesthesiologists with clinical privileges, an alternate
31 policy (requiring participation, presence, and
32 availability of a physician licensed to practice medicine
33 in all its branches) shall be developed by the medical
34 staff consulting committee in consultation with the

1 anesthesia service and included in the medical staff
2 consulting committee policies.
