2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Vehicle Code is amended by changing
5 Section 11-605 as follows:

6 (625 ILCS 5/11-605) (from Ch. 95 1/2, par. 11-605)

7 Sec. 11-605. Special speed limit while passing schools or
8 while traveling through highway construction or maintenance
9 zones.

10 (a) For the purpose of this Section, "school" means the
11 following entities:

12 (1) A public or private primary or secondary school.

13 (2) A primary or secondary school operated by a
14 religious institution.

15 (3) A public, private, or religious nursery school.

16 On a school day when school children are present and so
17 close thereto that a potential hazard exists because of the
18 close proximity of the motorized traffic, no person shall drive
19 a motor vehicle at a speed in excess of 20 miles per hour while
20 passing a school zone or while traveling on a roadway on public
21 school property or upon any public thoroughfare where children
22 pass going to and from school.

23 For the purpose of this Section a school day shall begin at
24 seven ante meridian and shall conclude at four post meridian.

25 This Section shall not be applicable unless appropriate
26 signs are posted upon streets and highways under their
27 respective jurisdiction and maintained by the Department,
28 township, county, park district, city, village or incorporated
29 town wherein the school zone is located. With regard to the
30 special speed limit while passing schools, such signs shall
31 give proper due warning that a school zone is being approached
32 and shall indicate the school zone and the maximum speed limit

1 in effect during school days when school children are present.

2 (b) No person shall operate a motor vehicle in a
3 construction or maintenance zone at a speed in excess of the
4 posted speed limit when workers are present and so close to the
5 moving traffic that a potential hazard exists because of the
6 motorized traffic.

7 (c) Nothing in this Chapter shall prohibit the use of
8 electronic speed-detecting devices within 500 feet of signs
9 within a special school speed zone or a construction or
10 maintenance zone indicating such zone, as defined in this
11 Section, nor shall evidence obtained thereby be inadmissible in
12 any prosecution for speeding provided the use of such device
13 shall apply only to the enforcement of the speed limit in such
14 special school speed zone or a construction or maintenance
15 zone.

16 (d) For the purpose of this Section, a construction or
17 maintenance zone is an area in which the Department, Toll
18 Highway Authority, or local agency has determined that the
19 preexisting established speed limit through a highway
20 construction or maintenance project is greater than is
21 reasonable or safe with respect to the conditions expected to
22 exist in the construction or maintenance zone and has posted a
23 lower speed limit with a highway construction or maintenance
24 zone special speed limit sign.

25 Highway construction or maintenance zone special speed
26 limit signs shall be of a design approved by the Department.
27 The signs shall give proper due warning that a construction or
28 maintenance zone is being approached and shall indicate the
29 maximum speed limit in effect. The signs shall also state the
30 amount of the minimum fine for a violation when workers are
31 present.

32 (e) A first violation of subsection (a) ~~this Section~~ is a
33 petty offense with a minimum fine of \$150. A second or
34 subsequent violation of subsection (a) ~~this Section~~ is a petty
35 offense with a minimum fine of \$300.

36 (e-1) A first violation of subsection (b) is a petty

1 offense with a minimum fine of \$300. A second or subsequent
2 violation of subsection (b) is a petty offense with a minimum
3 fine of \$600.

4 (f) When a fine for a violation of subsection (a) is \$150
5 or greater, the person who violates subsection (a) shall be
6 charged an additional \$50 to be paid to the unit school
7 district where the violation occurred for school safety
8 purposes. If the violation occurred in a dual school district,
9 \$25 of the surcharge shall be paid to the elementary school
10 district for school safety purposes and \$25 of the surcharge
11 shall be paid to the high school district for school safety
12 purposes. Notwithstanding any other provision of law, the
13 entire \$50 surcharge shall be paid to the appropriate school
14 district or districts.

15 For purposes of this subsection (f), "school safety
16 purposes" includes the costs associated with school zone safety
17 education and the purchase, installation, and maintenance of
18 caution lights which are mounted on school speed zone signs.

19 (g) When a fine for a violation of subsection (b) is \$500
20 ~~\$150~~ or greater, the person who violates subsection (b) shall
21 be charged an additional \$50. The \$50 surcharge shall be
22 deposited into the Transportation Safety Highway Hire-back
23 Fund.

24 (h) The Transportation Safety Highway Hire-back Fund is
25 created as a special fund in the State treasury. Subject to
26 appropriation by the General Assembly and approval by the
27 Secretary, the Secretary of Transportation shall use all moneys
28 in the Transportation Safety Highway Hire-back Fund to hire
