1 AN ACT concerning public utilities.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by changing  
5 Section 16-125A as follows:

6 (220 ILCS 5/16-125A)

7 Sec. 16-125A. Consolidated billing provision for  
8 established intergovernmental agreement participants.

9 (a) The tariffs of an ~~each~~ electric utility serving at  
10 least 1,000,000 customers shall permit governmental customers  
11 acting through an intergovernmental agreement that was in  
12 effect 30 days prior to the date specified in subsection (b)  
13 and which provides for these governmental customers to work  
14 cooperatively in the purchase of electric energy to aggregate  
15 their monthly kilowatt-hour energy usage and monthly kilowatt  
16 billing demand.

17 (b) In implementing the provisions of this Section, the  
18 rates and charges applicable under the combined billing tariff  
19 of the serving utility in effect on May 1, 1997 shall apply to  
20 all load of eligible government customers selected by the  
21 governmental customers including, but not limited to, load  
22 served under contract.

23 (c) For purposes of this Section, "governmental customers"  
24 shall mean any customer that is a municipality, municipal  
25 corporation, unit of local government, park district, school  
26 district, community college district, forest preserve  
27 district, special district, public corporation, body politic  
28 and corporate, sanitary or water reclamation district, or other  
29 local government agencies, including any entity created by  
30 intergovernmental agreement among any of the foregoing  
31 entities to implement the arrangements permitted by  
32 subsections (a) and (b) of this Section.

1           (d) Electric utilities shall file tariffs that comply with  
2 the requirements of this Section within 60 days after the  
3 effective date of this amendatory Act of 1997.
